**UNITED States of America** - It can be reported that French President Macron, accompanied by Joint U.S. Military and French Flag Officers, directly confronted now de-certified U.S. pResident Donald J. Trump-Drumpf with clear evidence that **the now outlaw U.S. Federal Reserve, in direct collusion and conspiracy with now identified murderer and money launderer Michael C. Cottrell, along with Bill Gates of Microsoft, have been using stolen U.S. Federal Reserve codes to launder Wanta-Reagan-Mitterrand Protocol funds through puppet Israeli Mossad-controlled Iranian banks and the Bank of Israel itself still illegally laundering and embezzling the \$4.5 Trillion of Wanta funds that were illegally used in the BushFRAUD 2008 'bankster bailout'.**

**Part of these funds are also due the People's Republic of China.**

**This ongoing THEFT of U.S. and French Treasury funds also involves the Bank of England and continues to be used illegally by crooked U.S. banks to create worldwide derivatives and I.O.U.s that have created a worldwide derivative ponzi scheme, which now threatens to collapse the entire world economy.**

We can also divulge that U.S. Treasury (Clinton stooge) has been a major enabler using Federal Reserve money to

looted bank Goldman Sachs is being fingered in illegal wire transfers and trusts.

At this hour now inaugurated United States District of Columbia have ordered

the U.S. Military Court for the District of Columbia to carry out the execution.

Now de-certified pResident Donald J. Trump-Drumpf (remains under house arrest even though he was allowed to travel to Europe accompanied by U.S. Military Michigan Flag Officers), along with Nazi neocon HIGH treason traitor John Bolton, will soon be transferred to Gitmo Bay where they will face incarceration in dog cages.

The neocon 'Deep State' filth have now been warned directly by the U.S. Military Court for the District of Columbia and the legendary U.S. Military Michigan Flag Officers that the U.S. Treasury will no longer be LOOTED and precious American lives will no longer be sacrificed based on any Nazi Zionist Evangelical neocon Old Testament wars.

Message to the State of Texas: Put Thomas Jefferson back in your history books and do it NOW or else!

### OBAMA ASSASSINATION PLOT CO-CONSPIRATORS

3x loser Hillary Clinton and Joseph Biden

[source](#) [source](#) [source](#) [source](#) [source](#)

We can also report that the U.S. Military Court for the District of Columbia are in possession of all of the files of 2008 showing that then U.S. Vice President Joseph Biden, CIA stooge Hillary Rodham Clinton and junior Nazi George W. BushFRAUD conspired to have then Democratic presidential candidate Barack Hussein Obama Soetoro assassinated in order to pave the way for then already defeated three time loser and Bush Crime Family enabler Hillary Clinton to become the nominee of the Democratic Party at the Democratic Convention in July of 2008.

The assassination plot was forestalled by the effort of U.S. Military personnel and General Lawrence O'Brien who thwarted the Delta Force assassination team from executing Obama in none other than the Bush-Scherff state of Florida.

It should also be noted that one month before the plot to kill Obama year 2000 illegal White House occupant Nazi German George W. BushFRAUD was interrogated by U.S. Military Flag Officers and the Joint Chiefs of Staff on his role in 9/11, the Iraq War lie and massive election fraud aka the year 2000 presidential election Bush-P2-CIA electoral coup d'état perpetrated against then Vice President Albert Gore Jr. year 2000 duly elected now inaugurated President Albert Gore and the American People.

Junior George W. BushFRAUD, whose own legitimacy was in question under the interrogation by the U.S. Military at the U.S. Military Offutt Air Force Base in Omaha, Nebraska had his own agenda at the time.

Stage a shooting massacre at the same time of his interrogation and then order the assassination of

**Obama in order to avoid his own arrest for the massive Capital HIGH TREASON crimes and War Crimes the little treasonous punk had committed.**

**December of 2007 by Tom Heneghan**

**Gary Best Inc was responsible for the Omaha Westroads Mall shooting the very day George W. BushFRAUD was being questioned at the Offutt Air Force Base by the U.S. Military Joint Chiefs of Staff on his 9/11 treason.**

**December 5, 2007, 19-year-old Robert Hawkins shot and killed eight people and wounded four others in a Von Maur department store at Westroads Mall in Omaha, Nebraska**

**Upon assassination of Obama, BushFRAUD was hoping to create nationwide racial riots and allow his treasonous 'Deep State' scrum to declare open-ended MARTIAL LAW on American soil, confiscate ALL U.S. citizens' firearms using his Nazi German un-Constitutional Patriot Act.**

**George W. Bush-ScherffFRAUD**

**Junior George W. BushFRAUD had already imported thousands of RED Chinese troops into the United States to accomplish his "Jade Helm"**

**October 11, 2008 by Tom Heneghan**

**UN-elected occupant Bushfraud, who remains under house arrest in the District of Columbia, is now planning to implement the MARTIAL LAW decree that he and TREASONOUS Speaker of the House Nancy Pelosi secretly mapped out in the secret session of Congress two weeks ago that gave us the alleged "bailout plan".**

**The Bushfraud Administration is clearly fearing insurrection and civil unrest with an enraged American People ready to proceed with Revolutionary mode.**

**It should also be noted that 'Deep State' swamp monster Joseph Biden had already agreed to be Hillary's vice presidential candidate upon her nomination after the assassination of Obama.**

**Obama, who was eventually elected president, namely because of the BushFRAUD economic collapse, was actually blackmailed to take Biden as his vice president and later appoint CIA stooge Hillary as U.S. Secretary of State with the order coming directly from Bush Crime Family Saudi Arabia controlled Citibank.**

**Obama was being blackmailed on his previous sexual escapades with Larry Sinclair and questionable birth certificates issued out of the states of Connecticut and Hawaii.**

**In closing, the U.S. remains on the brink! A major physical confrontation is about to occur as the U.S. CIA Mockingbird media faces shut down and decapitation.**

"When the Federal Reserve act was passed, the people of the United States did not perceive that... the United States were to be lowered to the position of a coolie country which has nothing but raw materials and heavy goods for export; that Russia [China, India...] was destined to supply the man power and that this country was to supply financial power to an international superstate -- a superstate controlled by international bankers and international industrialists acting together to enslave the world for their own pleasure."

-- Rep. Louis T. McFadden, June 10, 1932

#### The Cause of the Problem

Mr. Chairman, at the present session of Congress we have been dealing with emergency situations [the economic depression --ed]. We have been dealing with the effect of things rather than with the cause of things. In this particular discussion I shall deal with some of the causes that lead up to these proposals. There are underlying principles which are responsible for conditions such as we have at the present time and I shall deal with one of these in particular which is tremendously important in the consideration that you are now giving to this bill.

Mr. Chairman, we have in this country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks. The Federal Reserve Board, a Government board, has cheated the Government of the United States and the people of the United States out of enough money to pay the national debt. The depredations and iniquities of the Federal Reserve Board has cost this country enough money to pay the national debt several times over. This evil institution has impoverished and ruined the people of the United States, has bankrupted itself, and has practically bankrupted our Government. It has done this through the defects of the law under which it operates, through the maladministration of that law by the Federal Reserve Board, and through the corrupt practices of the moneyed vultures who control it.

Some people think the Federal Reserve banks are United States Government institutions. They are not Government institutions. They are private credit monopolies which prey upon the people of the United States for the benefit of themselves and their foreign customers; foreign and domestic speculators and swindlers; and rich and predatory money lenders. In that dark crew of financial pirates there are those who would cut a man's throat to get a dollar out of his pocket; there are those who send money into States to buy votes to control our legislation; and there are those who maintain international propaganda for the purpose of deceiving us and of wheedling us into the granting of new concessions which will permit them to cover up their past misdeeds and set again in motion their gigantic train of crime.

These twelve private credit monopolies were deceitfully and disloyally foisted upon this country by the bankers who came here from Europe and repaid us for our hospitality by undermining our American institutions. Those bankers took money out of this country to finance Japan in a war against Russia. They created a reign of terror in Russia with our money in order to help that war along. They instigated the separate peace between Germany and Russia and thus drove a wedge between the Allies in the World War. They financed (Leon) Trotsky's passage from New York to Russia so that he might assist in the destruction of the Russian Empire. They fomented and instigated the Russian revolution and they placed a large fund of American dollars at Trotsky's disposal in one of their branch banks in Sweden so that through him Russian homes might be thoroughly broken up and Russian children flung far and wide from their natural protectors. They have since begun the breaking up of American homes and the dispersal of American children.

WWI hero General Smedley Butler, a United States Marine Corps major general, the highest rank authorized at that time, and at the time of his death the most decorated Marine in U.S. history - excerpts from his book “War is a Racket”

### **WAR is a racket. It always has been.**

It is possibly the oldest, easily the most profitable, surely the most vicious. It is the only one international in scope. It is the only one in which the profits are reckoned in dollars and the losses in lives.

A racket is best described, I believe, as something that is not what it seems to the majority of the people. Only a small "inside" group knows what it is about. It is conducted for the benefit of the very few, at the expense of the very many. Out of war a few people make huge fortunes.

In the World War [I] a mere handful garnered the profits of the conflict. At least 21,000 new millionaires and billionaires were made in the United States during the World War. That many admitted their huge blood gains in their income tax returns. How many other war millionaires falsified their tax returns no one knows.

How many of these war millionaires shouldered a rifle? How many of them dug a trench? How many of them knew what it meant to go hungry in a rat-infested dug-out? How many of them spent sleepless, frightened nights, ducking shells and shrapnel and machine gun bullets? How many of them parried a bayonet thrust of an enemy? How many of them were wounded or killed in battle?

Out of war nations acquire additional territory, if they are victorious. They just take it. This newly acquired territory promptly is exploited by the few -- the selfsame few who wrung dollars out of blood in the war. The general public shoulders the bill.

. . .

The General Chemical Company averaged a profit for the three years before the war of a little over \$800,000 a year. Came the war, and the profits jumped to \$12,000,000. a leap of 1,400 per cent. International Nickel Company -- and you can't have a war without nickel -- showed an increase in profits from a mere average of \$4,000,000 a year to \$73,000,000 yearly.

**Robert F. Kennedy "A revolution is coming – a revolution which will be peaceful if we are wise enough; compassionate if we care enough; successful if we are fortunate enough – but a revolution which is coming whether we will it or not. We can affect its character; we cannot alter its inevitability."**
