Explosive Back Breaking News

French President Demands Wanta Protocol Implementation, Toute De Suite!

Plus Loser Hillary in Chinese Bucket

by Tom Heneghan
International Intelligence Expert

Thursday April 2, 2009

UNITED STATES of America - It can now be reported that French President Nicolas Sarkozy has given the Barack Obama Administration 48 hours to implement the Final Financial Settlement of the noted Wanta-Reagan-Mitterrand Protocols.

Note: The Protocols would return \$1.5 TRILLION to the U.S. Treasury while the rest of the funds go to other countries and finally pay out \$5 BILLION of backdue Russian ruble operation commissions owed to the French government.

Reference: The French Intelligence Agency was vital, along with U.S. and Chinese Intelligence, in taking rubles out of Russia and, accordingly, bringing down the Communist government of the Soviet Union.

Note: It was Ambassador Leo Wanta that headed this team.

As we have previously reported, the French commissions were actually stolen and laundered by the British government (reference Lord Alexander).

We can now divulge that, at today's G20 Summit in London, French President Sarkozy confronted U.S. President Barack Obama not only on the need to implement the Wanta-Reagan-Mitterrand Protocols, but on the latest criminal activity of Obama's U.S. Secretary of State, loser and lesbian *in-the-closet*, Hillary Rodenhurst Clinton.

Reference: It was over two weeks ago that loser Hillary went to RED

China and coerced and then guaranteed that if the RED Chinese government bought \$312 BILLION of U.S. Treasury Bills that both the U.S. Federal Reserve and the U.S. Treasury would guarantee the Chinese investment should the investment turn sour.

And, it gets worse!

The **TREASONOUS** witch Hillary also **guaranteed the RED Chinese government that it would be repaid in U.S. gold** should the Chinese T-Bill investment fail.

Note: Loser Hillary illegally placed 2,000 tons of U.S.-French gold tied to the noted Wanta-Reagan-Mitterrand Protocols in a secret numbered account at the New York branch of Goldman Sachs.

Reference: Rumors are flying in Europe that the Obama Administration, on the urging of former President George Herbert Walker Bush, have already paid off the Chinese on the Wanta Protocols using **stolen** U.S. Treasury funds, but have not paid the French. This can explain the showdown today between Sarkozy and Obama and the Chinese.

So you see, folks, the Obama-Bush-Clinton Administration enables totalitarian dictatorships like the RED Chinese at the expense of a western democracy, America's greatest and oldest ally, the Republic of France. And, of course, the Obama-Bush-Clinton Administration would rather pay the RED Chinese than the American Treasury itself.

We can now answer the question whether Obama is President of the United States or president of Goldman Sachs. He is clearly president of Goldman Sachs with his new residence in Shanghai, China.

TRAITOR Hillary was enabled and assisted in this illegal transfer of U.S.-French gold by noted Citibank fraudster and former Clinton Administration Treasury Secretary, Robert Rubin, former Bush FRAUD Treasury Secretary, Hank Paulson, and current Obama White House legal counsel, Skull and Bonesman, Greg Craig.

Item: Craig, who is now facing a European INTERPOL "Red Notice" aka an indictment, along with a judicial restraining order in the United States, has been directly in charge of blocking the implementation of the Wanta-Reagan-Mitterrand Protocols, along with hiding and covering up the offshore **secret** proprietary accounts and tax havens that have been used by the Bush-Clinton Crime Family Syndicate, along with former British Prime Minister Tony Blair, to launder and **STEAL** U.S. Treasury funds.

Note: The noted British-Chinese owned Bank of Hong Kong is currently under

European INTERPOL investigation for money laundering, counterfeiting and tax evasion.

It should be noted that both Hillary and current British Prime Minister Gordon Brown have *secret* accounts at this bank.

**How dare you, you conspiratorial tyrants
and kings and notable queens!**

P.S. At today's G20 Summit, French President Sarkozy also demanded that President Obama and current British Prime Minister Gordon Brown clean up and provide a full audit of the offshore CIA-British MI6-Israeli Mossad proprietary accounts that have engaged in political assassinations, money laundry and direct THEFT of U.S. Treasury funds.

So you see, folks, it is important for We Americans to know who our **REAL** friends are and who our real friends are not!

"The moment I heard of America I loved her; the moment I knew she was fighting for freedom, I burned with a desire of bleeding for her." --General Lafayette

After 200 years, the Republic of France remains the only true friend and oldest ally of the American People.

French President Sarkozy made it clear at today's G20 Summit that both the Republic of France and the European Union as a whole (with the exception of the United Kingdom) that they will not tolerate these bogus toxic derivatives, which are in the TRILLIONS of dollars, being laundered and hidden in *secret* proprietary accounts that will do nothing more than force higher taxes on the entire western world through the year 2050.
