RE: High Speed Rail, Ambassador Leo Wanta

Dear President Trump:

Please be advised that I, Jan M. Heger Esq., am former Counsel to Ambassador Lee Wanta for many years and am now retired. I have never in the history of practicing law for over 40 years met an individual who I admire, respect and trust more than Ambassador Wanta, who an officer of the United States as was appointed by President Reagan. He has honorably served the United States of America during our time of need and in my opinion should receive the Medal of Honor for his service during the cold war. Instead he has been abused by the legal system and/or the Deep State for doing his best and succeeded admirably to protect and defend the United States of America during the cold war, a specific secret task and treaty awarded to him by President Reagan in order to destabilize the Soviet Union. As you may be aware he has written a book which provides much of the proof and information you may need.

Trillions of US Dollars were made during this operation which were to be returned to the US to pay off the debts of United States less a percentage of earnings that were agreed to be paid to him personally. Instead he was unlawfully incarcerated and prosecuted here in the United States for crimes he never committed ie Tax Evasion by the State of Wisconsin most likely caused by the so called Deep State. I personally was in possession of two copies of cancelled checks made payable to the State of Wisconsin noting the payment of taxes which were cashed by the State of Wisconsin. As such, it was absolutely impossible for that tax crime to have been committed or to have occurred.

High Speed Rail

I believe you have heard of Heger Reality or JW Heger Company one of the largest Industrial Real Estate Companies in Southern California solely owned and operated by my father Jack W. Heger, now deceased. He was the President of the US Industrial Real Estate Association for many years and his clients included Southern Pacific Railroad and many Fortune 500 Companies. The high speed rail Ambassador Wanta is proposing would be a tremendous infrastructure project for the United States and would necessarily employ many US citizens. It is about time that this country have what other countries have ie a High Speed Rail. I cannot recommend more highly Ambassador Lee Wanta who is willing, once again, to serve the United States and to use his own hard earned funds in the process. Should you need further information, please do not hesitate contacting me at 949-295-2444 or by email at Hegerlaw@outlook.com. Thank you for your kind attention to this matter.

Respectfully yours,

Jan M. Heger Esq.

POTUS - 148 - EXPOSE - CIA - THE - SWAMP - MONSTERS

2- This high speed Maglev railroad system would have provided fast emergency transportation for all the citizens in the path of recent hurricanes who need to evacuate. He had plans for citizens to park along the Maglev Railroad in such times of weather disasters and be quickly transported to safety. Automobiles would be parked on the highest ground and Shuttle buses would be used to transport evacuees to boarding points all along the Maglev System.

3- This Maglev System was all set to go, with a workable disaster evacuation plan, construction contracts ready to be signed and activated, and construction could have began immediately upon access to his funds. This would have provided an immediate 2 million good paying job opportunities with free travel for any veteran, or any active service soldier and their family.

4- Construction of this Wanta designed high speed Maglev railroad in America would have resulted in the re-industrialization of America, and would have brought America into a new found economic prosperity.

5- Small towns along the routes would have been transformed into economic dynamos with new hotels, resorts and lots of spin off business. Whole new business corridors with millions of new jobs would have quickly risen up.

6- Wanta's plans were based on his strong commitment to provide inexpensive high speed transportation for all Americans who could then afford to take vacations without having to fly or drive.

Conclusion

Sadly, this blocking of Lee Wanta's access to his vast fortune has deprived all Americans of a vast array of economic and social benefits.

This is what happens when a rogue illegal narcotics cartel (the BCC and the BT/RKM/COL) hijacks the CIA for use for serious organized crime, and then uses so-called "nation security" to cover-up and then proceeds to corrupt every level of the USG including the Congress, the Judiciary and Law Enforcement.

This Crime Cabal that hijacked the USG is asset-stripping so much money for its nefarious purposes and personal profits for its crime kingpins, that it will soon transform America into a dirt-poor, third-world nation.

A much better option is for the honest military to rise up and prosecute this large crime cabal of satanic pedophiles and world's largest drug dealers and give them a quick 3-day military trial and dispense final justice.

So now, because of all this endemic corruption and the denial of Lee Wanta from the trust containing his money (which has never been in dispute), many of the folks in Florida cannot get out. If the Hurricane's path goes in their direction, this could cause a lot of needless deaths and injuries.

Ambassador Wanta is a true American patriot with impeccably high moral standards. This biography gives us a true representation of his spirit and his unwavering commitment to bring honor, respect and integrity to all. His life's work under Reagan is historic in nature and will be recognized by the citizens of the United States as the moment in time when we regained our Constitutional Freedoms. I eagerly await the conclusion and call on all US patriots to follow his lead toward a brighter future for all.

Lee Wanta's story must be heard . This is a story of a true patriot, that has sacrificed willingly for his country, and for all of us. His solution, and contribution to stopping us from declining further, and entering a possible war, can be achieved if Americans care enough to get it out there. The corruption that Ronald Reagan and Lee tried to work around, under the Totten doctrine is genius. Do not let the present puppet masters bury his story and the funds to free America any longer. Get on it Americans ! Start sending the letters to these politician and that continue to be bullied into selling our country out ! We soon will be carved up like a turkey if Americans do not start to take action .

It's not very well-written, but it's on a topic that the mainstream is not touching. They don't touch a lot of topics, actually. Is this guy for real? May be hard to say, but he's got a lot of documentation, and it's included in here.

Eagle One to Wanta

Thu., March 23, 2006: MP3s: [Hr1 Missing](#)- [Hr2 Missing](#))

This is one interview you shouldn't miss!

Greg talked with former Ambassador **Leo Wanta**, a former U.S. Treasury official under President Ronald Reagan. Wanta spend 134 days in a Swiss dungeon and is still serving, under house arrest in Switzerland, 10 years of a 22 year sentence for bogus Wisconsin income tax charges.

Wanta tells how he saved President Reagan from an assassination attempt, as well as how he gave Vince Foster \$250 million earmarked for The Childrens' Fund and its chairman Hillary Clinton right before Foster was found dead.

Wanta also holds the financial key to perhaps one of the biggest bank heists in U.S. history, amounting to \$752 billion of money stolen by the Illuminati that should be in the U.S. Treasury. He also was appointed trustee of \$27 trillion, made as U.S. profits during the days he helped orchestrate the destabilization of the Russian currency.

A recent federal court ruling held in favor of Wanta's trustee authority of the enormous amount of money, an appointment made by Reagan. Presently, he said the only thing keeping him alive is "I know where the money is and they don't," wanting to return it to the U.S. Treasury and the American people before the criminals in Washington, including Bush and Clinton, manipulate the money into private accounts using the fraudulent Federal Reserve system to their advantage.

Report cites abuse of state public defender's offices

■ **The state needs more aggressive verification of who qualifies for the legal service, says the Legislative Audit Bureau**

MADISON (AP) — The state public defender's office could save millions of dollars a year by working harder to verify whether people it represents can afford to pay for their own lawyers, state auditors say.

The Legislative Audit Bureau, in a report Wednesday, cited a case of an individual who claimed indigence and was represented at a taxpayer expense for a traffic offense — even though he reported an annual income of more than \$65,000.

The state could reap between

\$4.7 million and \$6.5 million a year if the defender's office adopted aggressive collection methods, the report to the Joint Legislative Audit Committee said.

"Other states that aggressively pursue reimbursement of costs without causing undue financial hardship recover between 8% and 11% of their indigent public defense costs," it said.

"While AFDC and other public assistance programs verify eligibility by requiring clients to document their income and expenses, the defender's office requires no documentation and conducts no independent verification."

Over a five-year period that ended in fiscal 1993-94, the public defender's budget grew from \$38.8 million to \$59.4 million, an increase

Please see **ABUSE**, BACK PAGE

PUBLIC DEFENDER CRITERIA

Public defender offices in Wisconsin compare the difference between income and expenses of an applicant to the cost of providing legal counsel in determining whether the applicant is indigent and therefore eligible for representation.

Income includes liquid and non-liquid assets, including savings and checking accounts, stocks and bonds, life insurance with a cash value, money owed to applicants, real estate and vehicles. Employee income is based on current and future earnings.

Applicants who knowingly provide false information are subject to criminal prosecution. Indigency determinations can be re-evaluated if new income information is uncovered.

Abuse wastes millions in public defender office

From A-1

of nearly 76%, the audit said.

This occurred despite a crime rate that remained relatively constant and an arrest rate that rose by only 13% during the period, it said.

Public defender Nick Chiarkas called the report "critical, tough and challenging."

But he said the audit supported his claim that the rise in criminal prosecution and the subsequent increase in the caseload is the agency's "central challenge."

The office provided representation in 130,542 cases, using both staff attorneys and private attorneys who are certified by the office

and paid on an hourly basis.

The public defender's office, created in the early 1970s, has about 515 employees and a budget of about \$59 million a year, Chiarkas said. He said attorneys in private practice get about \$27 million of the total.

Although the office cannot control cost increases resulting from higher arrest rates or statewide salary negotiations, it could curb costs through "efficiency and effective administration," the report said.

More than 1,400 private attorneys represent the office's clients on an hourly basis. Compensation rates are \$40 per hour for out-of-court time and \$50 per hour for in-court time.

Ambassador Lee Wanta. Lee was mandated by President Reagan under the Totten Doctrine 192 U.S. 105, 107 (1875), **National Security Decision – Directive Number 166, dated March 27, 1985, inter alia** as a secret agent to be in charge of this effort. In this process Lee Wanta did amass trillions of dollars that were designated to go back to the American people by President Reagan. In his effort to carry out his mandate, Lee Wanta was imprisoned and the monetary funds that were his to distribute as planned were stolen or converted illegally by an organization known as the Federal Reserve System and used by them to this day.

Later in 2006 a US District Court Judge mandated and ordered that these converted funds be returned back to Lee with interest accruals. It's hard to understand why, after eight years since this order was given by a US Judge, that these funds are still retained. When Lee Wanta receives his funds back it will be in the amount of 32.8 trillion dollars. He promised under an oath to President Reagan that after he pays his repatriation taxes on this money he earned as director general in his Austrian based company, Lee has pledged to eliminate overnight our national debt (approximately 18 trillion), and our 1.8 trillion International trade deficit at once. He also will pay certain sovereign nations what they were promised in the Reagan-Mitterand protocols. This includes the French, Chinese, English and Russian Governments, where billions were promised. With the remaining funds left over he plans to develop and create a high speed rail system for our country and develop new innovative businesses that could employ over 2 million people in the USA alone.

31.2 trillion dollars! If you have not heard the name Lee Wanta before, you will soon. His authorized biography will shake the world and change history. Lee Wanta, is 31.2 trillion dollar man. President Reagan and his Secret Agent Ambassador Lee Emil Wanta masterminded a creative way to financially take down the economy of the Soviet Union (Evil Empire) without firing a single shot. The 32.1 trillion he amassed in the process has finally been recovered and accounted for after it was hijacked by the a criminal non-Government organization known as the Federal Reserve and the Corporate State of Wisconsin. Ambassador Wanta is a true American patriot with impeccably high moral standards. This biography gives us a true representation of his spirit and his unwavering commitment to bring honor, respect and integrity to all. His life's work under Reagan is historic in nature and will be recognized by the citizens of the United States as the moment in time when we regained our Constitutional Freedoms. I eagerly await the conclusion and call on all US patriots to follow his lead toward a brighter future for all.

Lee Wanta's story must be heard . This is a story of a true patriot, that has sacrificed willingly for his country, and for all of us. His solution, and contribution to stopping us from declining further, and entering a possible war, can be achieved if Americans care enough to get it out there. The corruption that Ronald Reagan and Lee tried to work around, under the Totten doctrine is genius. Do not let the present puppet masters bury his story and the funds to free America any longer. Get on it Americans ! Start sending the letters to these politician and that continue to be bullied into selling our country out ! We soon will be carved up like a turkey if Americans do not start to take action .

It's not very well-written, but it's on a topic that the mainstream is not touching. They don't touch a lot of topics, actually. Is this guy for real? May be hard to say, but he's got a lot of documentation, and it's included in here.

Now that Afghanistan will be ramped up with the blessing of Trump... just watch the politicians on the military industrial complex payroll sneak into defense bills \$50 billion just for that cause. That's how they steal our tax money.

One new comment above.

entral banks.

Kind of amazing that the pentagon can "lose" trillions and yet they have not done an audit in decades. Kind of amazing that the federal reserve has not been audited. Hard to believe the depth of evil in the UN. Hard to believe these criminals are still justifying their behavior based on the 9/11 false flag.

Everything about this country is a fraud or a lie: The wars, the financial system, the UN, 9/11, the mainstream media even some of the alt-media has been corrupted. The sooner this system dies, the better.

PRAYER FOR MY FAMILY

St. Anthony, God blessed you with a loving family to form you in the image and the ideals of Jesus Christ. From your place in heaven, watch over my family, and help us grow together in faith and in a loving concern for each other.

Strengthen our bonds of family unity when we practice Jesus' teachings of forgiveness, of selfless service, of putting the love of God and the needs of others first in our lives. Give us words and ways to express our affection and respect for all in our family, and guide us to work through and resolve all our misunderstandings and disagreements. Amen.

St. Anthony, pray for us.
