## **Protocol Implementation Remains Unstoppable!**

by Tom Heneghan, International Intelligence Expert

**UNITED States of America – It can now be reported that the International Monetary Fund (IMF), working directly with the legal and financial offices of The Paris Club, has received \$70 billion of Wanta-Reagan-Mitterrand Protocols funds.**

**This \$70 billion will be immediately transferred to the French treasury.**

**Note: The \$70 billion in Protocols funds were found parked in a *secret* proprietary account at the National Bank of Luxembourg.**

**This account had a paper trail to the German Deutsche Bank, along with the Bank of England.**

**Merci beaucoup to the IMF and Nancy Reagan as the IMF continues to order massive repatriation of collateralized assets reference precious and industrial metals, along with oil and natural gas holdings.**

**Eyes over Switzerland, the Philippines and now Luxembourg.**

**P.S. A new Federal Grand Jury has convened in Virginia.  
Subjects of inquiry:**

- 1. The role of the U.S. Treasury, the U.S. Federal Reserve, JPMorgan Chase, Goldman Sachs and Bank of America in the illegal conversion and co-mingling of Wanta-Reagan-Mitterrand Protocols funds.**
  
- 2. The illegal kidnapping and incarceration of American patriot Ambassador Leo Wanta reference the role of the State of Wisconsin and its former Governor Tommy Thompson, former illegal White House year 2000 occupant George W. BushFRAUD, his Solicitor General Ted Olsen, both Bill and Hillary Clinton, and none other than former Clinton era independent counsel Kenneth W. Starr.**
  
- 3. The 9/11 BLACK OP attacks on the United States (BushFRAUD's Reichstag's fire) .**
  
- 4. The fraud on the U.S. Supreme Court in the year 2000 presidential election dispute (Bush v Gore).**
  
- 5. The massive corruption and collusion involving the alleged financial regulations: the NFA, SEC and the CFTC involving bribes, along with sexual and financial favors, that U.S. politicians and government officials made available to them in exchange to cover up criminal misconduct of the crooked U.S. banks.**

**P.P.S. Don't be fooled by last week's unemployment report. Last Friday's unemployment report, along with the unemployment report released in September, were both rigged.**

**The September report showing a slowing in job growth with an unemployment rate at 8.1% was released to accommodate the Federal Reserve's QE3 (QE minus 3) bank bailout that will further contract and deflate the U.S. economy.**

**The rigged September report was also designed to accommodate risk asset positions of various hedge funds and banks.**

**Last Friday's unemployment report showing job growth (114,000 government jobs that could have been reported in the September report) was designed to do nothing more than help Obama get reelected.**

**In closing, it is important to remember that there is no such thing as world global settlements. This is all disinformation put out by the Bank of England, the Bush Crime Family, and its stooges in British Intelligence Michael Cottrell and Edward Harle aka Christopher Story (still alive).**

**Remember, folks, it is the Wanta-Reagan-Mitterrand Protocols that will re-collateralize worldwide banks (using draw down accounts), reduce the U.S. budget deficit to zero within sixty (60) days and put an end to the financial crisis that was created by corrupt banks and greedy politicians.**

**Stay tuned for future intelligence briefings, including the timeline on when New York Attorney General Eric Schneiderman will release the sealed indictment against JPMorgan Chase CEO Jamie Dimon.**

**Final note: One can surmise that the Chief Justice John Roberts of the U.S. Supreme Court is going to have a busy week.**
