I was not going to discuss all of this ever in public — my objective in visiting was to help Lee Wanta and his family, help our President, and help our public treasury, but recently a defamatory and rather stupid alternative media crap piece has been published [UPDATE 6: taken down by the author]

Some of the writing about me at the above link [was] defamatory and legally liable. My life is open, start at <https://robertdavidsteele.com>.

It was Gordon Duff, a fellow veteran and Senior Editor at *Veterans Today*, who introduced me to Lee Wanta whom he has known for decades, with the intent of applying my intelligence to Lee's persistent problem.

Between them, Lee Wanta and Gordon Duff know so much vital but very classified information, both of them clearly dedicated to saving the US from the storm that's coming. AFFIDAVIT

I Giovanni Ferro of the City of Toronto (Ontario-Canada) do swear and affirm that, if I were to testify in a Court of law I would testify that:

I was present at the investiture of Leo Emil Wanta as Ambassador of Somalia to Switzerland. The ceremony was presided over by the President of Somalia Haji Mohamed Hashi Haji and the investiture took place in Paris (France) at the Hotel Pulman on the month of June 1993.

I was also with Ambassador Wanta in Switzerland, where he was going to take his post, when he was arrested. I was also arrested with Ambassador Wanta, at the same time, but soon after released.

My goal was and remains simple: to connect Lee Wanta, and what he knows about trillions in off-shore wealth that could be brought home, to the President. The primary obstacle at this time is Lee Wanta himself.

After discussing this with Lee Wanta as well as Gordon Duff and one other top gun, I offer the following:

Here is my report.

01 Lee Wanta is authentic. While I have not personally examined all of the documentation he has available to him, his overall account strikes me as credible and worthy of a proper deposition by someone trusted by President Trump.

BREAKING: Indictments Coming — List

05 While Lee Wanta claims to have court findings in his favor, the one court case he gave me, which I happened to be familiar with from my past life in CIA, was that of a Soviet couple that defected and wanted CIA to reinstate payments to them when their existing sources of income established with CIA help in the beginning, collapsed. CIA was under no obligation to do so. I have seen no evidence at all that George Tenet ever validated Lee Wanta's status as an agent (not a government employee — we are called officers).

EAGLE ONE TO WANTA

Eagle One to Wanta Gibby Media Group, Inc is producing a feature documentary film entitled "Eagle One to Wanta". It is the compelling story about President Reagan, and how he brought about the fall of the Soviet Union and ended the Cold War without firing a shot. President Reagan and his secret agent, Ambassador Lee Emil Wanta, masterminded a creative way to financially take down the economy of the Soviet Union (Evil Empire) and put together and negotiated an agreement with Secretary General Mikhail Gorbachev. As a result the Russian Federation was born and future generations throughout the entire world have enjoyed more safety from a nuclear holocaust because of this effort. Working directly under President Reagan as a private citizen, there is a man named Ambassador Lee Wanta. Lee was mandated by President Reagan under the Totten Doctrine **192 U.S. 105, 107 (1875), National Security Decision - Directive Number 166, dated March 27, 1985, inter alia** as a secret agent to be in charge of this effort. In this process Lee Wanta did amass trillions of dollars that were designated to go back to the American people by President Reagan. In his effort to carry out his mandate, Lee Wanta was imprisoned and the monetary funds that were his to distribute as planned were stolen or converted illegally by an organization known as the Federal Reserve System and used by them to this day.

Later in 2006 a US District Court Judge mandated and ordered that these converted funds be returned back to Lee with interest

A report has surfaced today that Eric Holder was made to resign over his failure to prosecute Senator Sheldon Songstad and Governor Don Sundquist over their \$30 billion attempted bribe and murder plot to hire hit men to kill Lee Wanta caught on tape and broken first on Before It's News in this story.

and selling rubles as an agent of the US Government (which I believe he did do and do very well), the money belongs to the public. I do believe a case can be made that there are trillions of dollars in off budget earnings that were created in an act ordered by President Ronald Reagan and/or George H. W. Bush that should revert to the US Treasury with an appropriate recovery fee to Lee Wanta.

07 In my view Lee Wanta has one shot at giving his family a billion dollar or even ten billion dollar inheritance, and that is to work with Eric Trump and Jefferson Sessions, still my favorite, to get to a spread sheet that can be acted upon so as to recover trillions for the US Treasury (not the Federal Reserve). Time is running out — making this deal now, before 1 March 2019, would be most beneficial to Lee's family and to the President and the public.

I will always be ready to help Lee Wanta, but on his present course all he has is stacks of paper, totally disorganized, that he keeps printing and emailing over and over and over again. There is a pot of gold, but he has no idea how to get it and will not listen to those who do.

Below, with a tip of the hat to Phantom Phixer, is the most negative version of the Lee Wanta story:

OPERATION STILLPOINT ... to take down the United States, by Christopher Story (RIP), 7 January 2010

From where I sit, there is no dispute with respect to Lee Wanta's authenticity or the existence of trillions in offshore money that could be recovered by President Donald Trump and the US Treasury if this is managed correctly.

Clearly there have been great crimes committed under the direction of successive CIA Directors including GHW Bush and Leon Panetta (who also murdered multiple SEALs by authorizing a mission against a known fake Bin Laden, and also lost his nerve on Benghazi). This all appears to merit a criminal grand jury commissioned by the US Attorney General.

I am reminded that Bill

Casey is in this mix as Ronald Reagan's Director of Central Intelligence (DCI).

This is relevant because Casey was a wizard at economic structuring to achieve tax and regulatory avoidance. I believe this means that he was also a wizard at offshore financial operations and import-export tax avoidance.

Lee Wanta should be — with the utmost courtesy and comfort but also the utmost rigor — be totally debriefed and every piece of paper in his garage scanned and processed toward understanding. A spreadsheet must be created of all alleged accounts, amounts, dates, names, places.

This has not been done. Instead people have been killed and Wanta himself has been illegally jailed and moved around various jails by law enforcement people acting on fraudulent papers created by corrupt judges and prosecutors. Wanta should be in a witness protection program and squeezed for every fact he can muster with a "Presidential Interest" stamp on the

whole matter.

When all is said and done, and assuming the good intentions of President Reagan with respect to high speed rail and veterans programs and other major investments are verified, the bulk of the monies should be recovered by the US Treasury, allocated as the President sees fit (possibly without requiring Congressional approval if they can be said to be earnings on Executive investments) and Lee Wanta and his family amply rewarded with no less than one billion and no more than ten billion dollars tax free in perpetuity.

For information: not only are the Chinese in the lead on high speed rail, but Buckminster Fuller met with the Russians to discuss the below graphic — a seamless global network for energy showing how all land points could be connected; this same concept could be used for high speed rail.

In my humble opinion, Xi, Putin, and Trump are now a tri-umverate, they know it, their staffs do not get it, we are well on our way to 1,000 years of world peace and prosperity that kicked off in 2012.

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF WISCONSIN

In Re:

Debtor.

C.A. No. 84-C-359

The matter under consideration began when Leo E. Wanta, designating himself as "stipulated petitioner for Falls Vending Service, Inc.," filed various motions challenging actions taken by the United States Bankruptcy Court for this district in a case entitled In Re: Falls Vending Service, Inc., Debtor (Case No. 83-02385). Wanta's motions are resisted by the Farmers and Merchants Bank of Menomonee Falls, a secured creditor in the bankruptcy action. Magistrate Robert L. Bittner, after a thorough examination of the matter, has recommended dismissing the action because Wanta lacks standing and also has failed to properly invoke this court's jurisdiction. I concur in the magistrate's analysis and adopt his recommendation in full.

In his written objections, Wanta contends that the magistrate's analysis of his standing is faulty because Falls Vending Service is not a legal and valid corporation, and therefore, cases holding that a corporation can only be represented by

Figure 11: This document (which is continued in Figure 12 on page 18) has been released by the Ronald Reagan Library with the approval of the NSA, thereby assisting Leo Wanta with the spurious continuing 'Falls Vending' tax demand raised against him personally by the Wisconsin Department of Revenue (which it corruptly intermingles with the fake 'personal tax' deception).

licensed counsel do not apply to this matter. Even if Falls Vending Service is not a corporation, Wanta lacks standing because his affidavit testimony indicates he is only an employee of the company. The owner of a company cannot confer standing on a non-lawyer employee by stipulation or otherwise.

Wanta's objections do not address his failure to properly invoke this court's jurisdiction. No complaint has been filed. Wanta failed to follow the proper procedures to perfect an appeal pursuant to Part 8, Rule 8001 et seq. of the United States Bankruptcy Rules. The matter must be dismissed sua sponte for lack of jurisdiction.

THEREFORE IT IS ORDERED that the action is hereby dismissed.

Dated at Milwaukee, Wisconsin, this 7th day of Sept, 1984.

BY THE COURT:

John W. Reynolds
Chief U.S. District Judge

Figure 12: Second page of the Order by Judge John W. Reynolds, Chief US Eastern District Court Judge referenced re Figure 11, in which the reality that Falls Vending Service is not a legal and valid corporation is not challenged, as is appropriate given that it was an FBI 'sting' entity being used by Leo Wanta for investigation/law enforcement purposes. See Wisconsin Tax Gestapo reports.

It is interesting to note that Leo Emil Wanta was illegally detained on July 7, 1993 in Lausanne, Switzerland for failure to pay US \$14,129.00 for a 1988/1989 State of Wisconsin tax assessment; ignoring the facts that the US \$14,129.00 was paid-in-full and settled by Wisconsin Department of Revenue Agreement, June 24, 1992.

While waiting for illegal abduction - July 7 to 17 November 1993, Wanta received chemical castration in Suisse Prison with all other inmates, contrary to numerous International Laws, USA/Canada Laws, Vienna Convention, Wisconsin Statutes, inter alia.

Wanta returned to USA by illegal and forceful abduction; whereas, a U.S. District Court on 19 November 1993, issued a full dismissal with prejudice in relation to false allegations of State of Wisconsin in May, 1993 to U.S. Federal Magistrate to abduct Wanta via U/S. State Department, Wisconsin State Attorney General, Wisconsin Department of Revenue tax agents and Suisse authorities through subterfuge, conspiracy, perjury, inter alia.

No one has benefited more from the political changes of the 1990s than international organized crime. Within the space of just three or four years, the world's great crime syndicates have joined in a planet-wide criminal consortium unlike any in history. A *Pax Mafiosa* has emerged—an agreement to avoid conflict, devise common strategy, and exploit the planet peaceably together—linking the American and Sicilian mafias, Russian organized crime, the Chinese Triads, the Japanese Yakuza, and Colombia's cocaine cartels. It threatens the liberty, security, and political integrity of the U.S., Europe, and all free societies.

For these giants of the underworld, the creation of the European Community in Western Europe and the collapse of the Soviet Empire in the east have erased borders and made the commerce of crime easier than ever.

In *Thieves' World*, outstanding international investigative reporter Claire Sterling traces the stunning advance of this global criminal enterprise since 1990: the proliferation of its criminal interests and growth of its investment capital to a quarter of a trillion dollars, its deepening penetration of worldwide money markets, its spreading powers of blackmail and corruption, and its alarming colonization of Western Europe and America.

Above all, Claire Sterling describes the great shift of worldwide criminal attention to eastern Europe and Russia, showing how a country covering a sixth of the earth's land mass has been taken captive by the mafias of the world in partnership with Russian criminals, looting the nation systematically, crippling its economic capacity, contaminating its body politic, and suffocating its political will—all at enormous peril to the West.

CLAIRE STERLING, an American foreign correspondent, has been based in Italy for over thirty years. She has reported on European, African, Middle Eastern, and Southeast Asian affairs for *The Atlantic Monthly*, *The New York Times Magazine*, *The Reporter*, *Life*, *Reader's Digest*, *Harper's*, *The New Republic*, *The Washington Post*, *The International Herald-Tribune*, and *The Financial Times* of London.

She is the author of *The Terror Network*, which was published in twenty-two countries, *The Time of the Assassins*, and most recently, *Octopus*.

She lives with her husband in Tuscany, and has a son and daughter and two grandchildren.

LOVE

My dear friends,
we must love each other.
Love comes from God,
and when we love each other,
it shows that we have
been given new life.
We are now God's children,
and we know him.
God is love,
and anyone who
doesn't love others
has never known him.
God showed his love for us
when he sent his only Son
into the world
to give us life.
Real love is not
our love for God,
but his love for us.
God sent his Son
to be the sacrifice
by which our sins
are forgiven.
