Dear Sir,

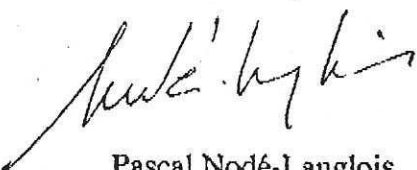

We acknowledge receipt of your letter dated September 30 in which you advised us that your office represents Ameritrust Corporation, Inc.

The above account has been frozen by the judge, Mr. Delleuiraz, file PP No CP/460/93. Therefore, we think that you should mandate a corresponding lawyer in Geneva, Switzerland, in order to take the necessary steps with the above mentioned judge.

As far as we are concerned, there is absolutely nothing we can do if the instructions do not come from the judge himself. Be sure you can count on our co-operation as soon as we obtain his permission.

We remain sincerely yours,

Dear Dr. Peterson:

I enjoyed our conversation this morning and appreciate your concern for Leo Wanta. As I indicated in our conversation, I have requested on behalf of Ameritrust Corporation, Inc. information concerning an account in Banque Alliance in Geneva, Switzerland. I am sending for your information a copy of my letter and a copy of their response.

It is totally puzzling to me how the State of Wisconsin can continue the miscarriage of justice foisted upon Leo. The young attorney that was appointed by the court to represent him sounded initially like he was all fired up to do something. Subsequently, he would not even talk to me, and according to Leo, he joined with the Attorney General to have Leo committed. I am appalled that there are no Wisconsin attorneys who are willing to step in and vigorously represent Leo, even though they cannot be paid up front and must rely on payment subsequently.

I am told that whenever the attorneys there hear that there may be large sums in banks and that Leo has an interest in these large sums that they demand an immediate large retainer, which is impossible for Leo to obtain at the present time. As a result, Leo has now been in jail for more than a year and has never been tried on any charges.

Leo claims that the federal government is at least partially responsible in conjunction with the State of Wisconsin for keeping him out of circulation. It sure seems like that is possible, and as I indicated, even I have been investigated by the FBI because I am acquainted with Leo and think that he is okay.

I trust that you will accurately portray in your testimony, if it comes to that, precisely what you believe to be the truth regarding Leo's competency. Your cooperation is appreciated.

Very truly yours,

REF: AMERITRUST CORPORATION, INC.

Dear Messr.

Please be advised that this office represents Ameritrust Corporation, Inc.

I am advised by Mr. John Ferro and Mr. Leo Wanta that \$375,000.00 was deposited in Ameritrust Corporation's account in your bank and that pursuant to a Power of Attorney which authorized certain withdrawals for attorney's fees to Swiss attorneys, have removed from said account, allegedly as attorneys' fees, the sums of \$30,000.00 and \$25,000.00, leaving an approximate balance in the account of \$320,000.00.

In my conversation with Claude duPaul this morning, he advised that a letter addressed to the bank's general manager would provide me with the necessary information required by your bank for withdrawal of these funds for the benefit of Ameritrust Corporation, a non-profit corporation in the United States.

I would appreciate whatever information you can provide so that we can expeditiously proceed to obtain these funds. Your cooperation is expected and will be appreciated.

Very truly yours,

Dear Honourable Judge:

I am representing the reference company and Mr. Wanta with respect to this matter and others in America.

Today I spoke with Mrs Benney to explain that I would like some information regarding the freeze you have placed on the Ameritrust account at Banque SCS Alliance sometime in July 1993. It is my understanding that all legal proceedings in your Canton against Ameritrust and Mr. Wanta have been dismissed.

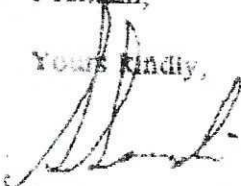

Mrs Benney provided that I would be required to send you this letter to receive an answer from your goodself regarding the facts of this case.

In essence since the charges were dismissed against Mr Wanta and Ameritrust we should be able to resolve this matter hopefully without the assistance of local counsel.

Your offices cooperation has been most helpful and appreciated. I await your response.
