Dear Mr. Vice President:

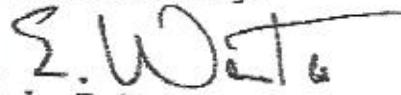

Your words to George Stephanopoulos on ABC's This Week resonated with the American populace. It was an excellent follow-up to the celebratory airtime generated by Our Nation's Birth on the 4<sup>th</sup> of July.

It was particularly gratifying to hear you speak of the importance to the economy of High Speed Rail, and updated electrical grids. As you know, that topic is near and dear to the heart of any engineer... myself included. And, you are absolutely right, Mr. Vice President. High Speed Rail and the new electric grids will have an immediate and positive impact on America's economic problems, and national recovery.

As President Obama, yourself, and your Administration recognize, unemployment is a key issue – but ecological impact and state tax revenue issues are also key. Both of these items will feed the positive result of the construction process of High Speed Rail and electrical grids. Thus, it must be carefully planned and executed with expertise gained only from experience.

It is time to turn your words of Hope into reality, and I look forward to working with you and President Obama to do just that. As part of your economic recovery team, we will make it a priority to provide you with vital information about the progress of High Speed Rail construction, and electrical grids. You can also count on us to provide data on the ways in which the construction helps solve the problems on which your Administration is so diligently working... e.g., increased taxes paid into local and state treasuries, etc. Hopefully, our participation will help you keep the people informed about the progress you make in providing solutions to inherited problems.

Thank you for recognizing the importance of High Speed Rail and electrical grids to our economic recovery.

Sincerely,  

Ambassador Lee Emil Wanta

(HRB 41.851)  
Siemens Aktiengesellschaft Österreich

Wir vertreten die Firma Siemens Aktiengesellschaft Österreich, 1211 Wien, Siemensstraße 88-92. Diese hat uns beauftragt eine Klage gegen die Firma New Republic/USA Financial Group LTD, 1010 Wien, Kärntnerstraße 28/15, einzureichen.

Aus einer früheren Eintreibungsangelegenheit ist uns bekannt, daß die obgenannte Firma an der Adresse in 1010 Wien, Kärntnerstraße 28/15 nicht mehr etabliert ist, die Büroräume leerstehen und am Türschild ein anderer Name angebracht ist. Eine Einsichtnahme in das Handelsregister ergab jedoch, daß die Adresse 1010 Wien, Kärntnerstraße 28/15 nach wie vor die aufrechte Geschäftsadresse ist. Der momentane Geschäftsführer ist Herr Leo Emil Wanta, der als Inlandsanschrift ebenfalls die Geschäftsadresse angegeben hat, an dieser aber unbekannt ist. Als zweiter Wohnsitz scheint die Anschrift 2101 North Edgewood Avenue, Appleton, Wisconsin, USA 54914, auf.

Unsere Klage vom 23.5.1990, GZ: 21 Cg 351/90, konnte weder an der Adresse 1010 Wien, Kärntnerstraße 28/15 noch zu Handen des früheren bevollmächtigten Vertreters, Rechtsanwalt Dr. Gunther Gahleithner, 1010 Wien, Schottengasse 7, zugestellt werden. Die Firma New Republic/USA Financial Group LTD verfügt derzeit über kein Organ, an

an / M

welches die Klage zugestellt werden kann. Wir verweisen diesbezüglich auf die angeschlossene Klagskopie sowie die beiden Zustellanstände.

Es wird die Bestellung eines Notgeschäftsführers beantragt.

Mit vorzüglicher Hochachtung

### Thompson records destroyed by mistake

MADISON — Several hundred boxes of records from former Gov. Tommy Thompson's administration were mistakenly destroyed instead of going to the Wisconsin Historical Society archives, officials said Monday.

Tom Solberg, a spokesman for the state Department of Administration, said the records were inadvertently put on the wrong truck from a state warehouse and sent to a Green Bay paper mill, where they were turned into pulp.

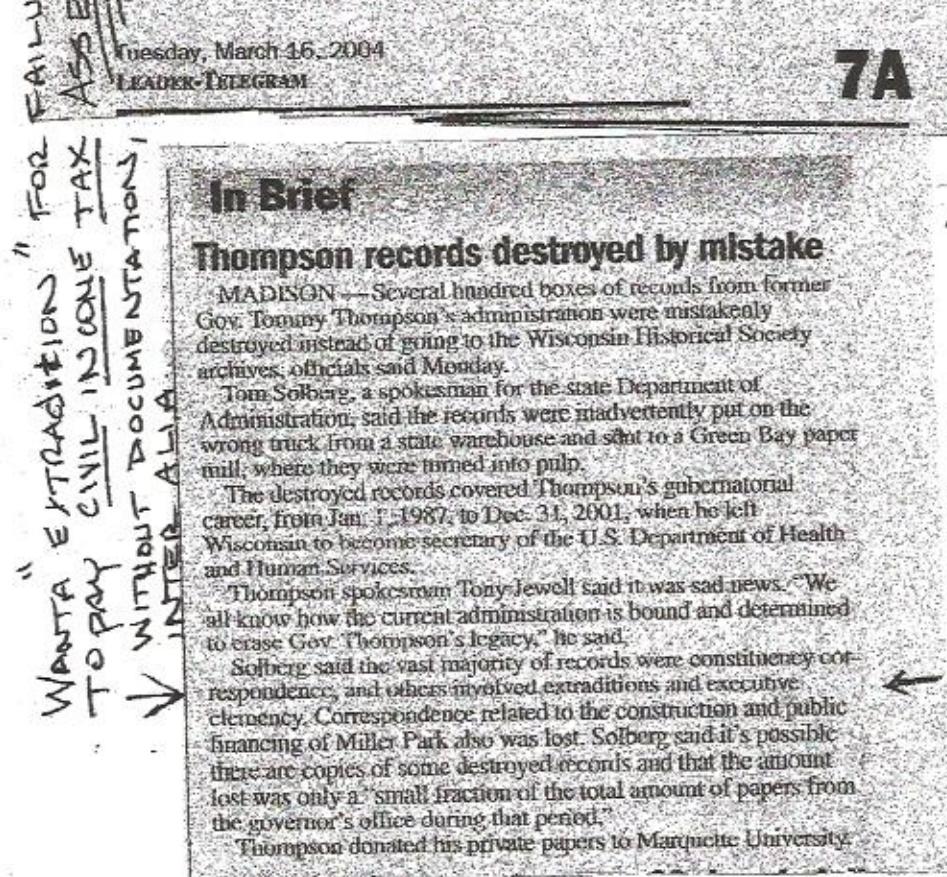

The destroyed records covered Thompson's gubernatorial career, from Jan. 1, 1987, to Dec. 31, 2001, when he left Wisconsin to become secretary of the U.S. Department of Health and Human Services.

Thompson spokesman Tony Jewell said it was sad news. "We all know how the current administration is bound and determined to erase Gov. Thompson's legacy," he said.

Solberg said the vast majority of records were constituency correspondence, and others involved extraditions and executive clemency. Correspondence related to the construction and public financing of Miller Park also was lost. Solberg said it's possible there are copies of some destroyed records and that the amount lost was only a small fraction of the total amount of papers from the governor's office during that period.

Thompson donated his private papers to Marquette University.
