## **Preview of President Ronald Wilson Reagan Documentary provides new in depth details**

March 16<sup>th</sup> 2016

### **For Immediate Release:**

Gibby Media Group, Inc. has released a 10 minute preview of the upcoming documentary film, "Eagle One to Wanta". The exclusive feature film documentary will be released in the summer of 2016 prior to the National Elections. The exclusive film documentary contains never before revealed content from interviews with Ambassador Lee Wanta who was President Reagan's Mandated Secret Agent. Lee Wanta worked as a private citizen under the Totten Doctrine (92 U.S. 105, 107) behind enemy lines to help destabilize and bankrupt the Soviet Union and end the Cold War. Lee Wanta is known as President Reagan's Junk Yard Dog and the 31.2 trillion dollar man for the private funds he secured in the process of performing under his presidential mandate. The preview makes public for the first time some classified information that is now declassified and has been opened to the public for the first time providing new historical information.

### **The key elements in the documentary are as follows:**

1. The exclusive story of how the Soviet Union was destabilized, bankrupted and the cold war was ended without firing a shot under President Reagan's leadership.
2. In a face to face meeting with Lee Wanta at the Kremlin, President & Secretary General of the Soviet Union, Mikhail Gorbachov mutually agrees to step down from his position for 10 (Ten) Billion US Dollars which Lee promptly paid him. The events are recreated and explained in detail in the finished documentary. The new Russian Federation was born from this historic meeting.
3. Exactly how Lee Wanta made his 31.2 Trillion US Dollar fortune and what he intends to do to help Our Great Nation-America, and other Nation States throughout the world.
4. How Lee Wanta's personal funds were stolen/ converted by politicians and the Federal Reserve System. The origin of the Federal Reserve and its foreign ownership explained.

5. Reveals why Kennedy was assassinated for his work to close the Federal Reserve and printing new United States Currency. Two assassination attempts on Reagan's life explored. The public only knows of one attempt.
6. Explanation of who the Puppet Masters are and how they directly control the world economies, the Military Industrial Complex and Intelligence Community.
7. Deputy White House Counsel Vince Foster receives 250 million USDollars from Ambassador Lee Wanta in Switzerland as a donation to Hillary Clinton's Children's Defense Fund. Vince Foster allegedly commits suicide 10 days later. Why haven't the Clintons accounted for these donated funds they received?
8. Re-creation of Lee's false arrest in Switzerland, his torture and attempted murder in a Swiss dungeon and later in Wisconsin.
9. Lee Wanta's false imprisonment and unlawful kangaroo court in Dane County Court in Madison Wisconsin. How the Corporate State of Wisconsin operates, revealing corruption and criminal activity at every level of government direct violations of **Title 18.USC. Sections 4, 201, 371,241, 242, RICO**
10. President Reagan's absolute efforts to disband the CIA Central Intelligence Agency and his dangerous relationship with his then Vice President, George Herbert Walker Bush, who was the former DCI DIRECTOR OF THE CENTRAL INTELLIGENCE AGENCY.

The 10 minute documentary preview is timely and follows-up on the recent worldwide release of the Biography, Wanta! Black Swan, White Hat, published by Viking International LLC and distributed on Amazon, Barnes and Noble and Apple IBook's. A paperback version of the biography along with digital disc with back up documents and exhibits are available at Gibby Media Group, Inc.
