THE MOSSAD-BRITISH INTELLIGENCE WASHINGTON POST IS A DIRECT ENEMY OF THE AMERICAN PEOPLE

By Tom Heneghan

We advise all readers of this intelligence blog tonight that we have no choice but to declare the Washington Post newspaper a direct enemy of the American Republic and the American Revolution in the 21st Century.

They must and will be removed from American soil. The oil-soaked BRITISH INTELLIGENCE Khazarian Jew rag published another **BOGUS** poll favoring Bush Family crony unelectable Hillary lesbian *IN-THE-CLOSET* Rodenhurst Clinton in the December 12, 2007 morning edition.

The only place Hillary has a 30 point lead is in the bathroom on 5th floor of Barney Frank's whore house.

Note: Both Bill Clinton, along with his wife Hillary, George Stephanopoulos, Hillary's White House whore Susan and Democratic Congressman homosexual out-of-the-closet Barney Frank engaged in a White House Oval Office perverted sex orgy in December of 1998.

In fact, homosexual Frank used the term "little buffalo" to describe Bill Clinton after the two of them engaged in oral sex.

Both Washington Post Editor and Chief Bob Woodward and former Editor and Chief Ben Bradlee have promised **unelectable** Hillary that they will do everything in their power to secure the Democratic Party nomination for the unelectable witch.

Of course a Hillary nomination will lead to a massive Democratic Party electoral defeat and a replay of the 1994 blowout of the Democratic majority.

P.S. Ben Bradlee Brothman, former Editor of the Washington Post and a Khazarian Jew, along with former Watergate counsel Hillary Clinton and CLOSET homosexual Fred Thompson, helped cover up the JFK 1963 assassination angle to the Watergate investigation.

This included the presence of E. Howard Hunt and Frank Sturgis in Dealey Plaza, Dallas, Texas at the time of the 1963 assassination.

Both Hunt and Sturgis were the Watergate burglars that broke into the Democratic National Committee in 1972.

Bradlee, along with Thompson and Hillary also helped cover up the tape recorded phone records made to the Los Angeles FBI and from Los Angeles to Chicago by Karyn Kupciet to her father, Chicago Sun Times columnist Irv Kupciet warning her father of the impending assassination of President Kennedy on November 22nd.

**How dare you, you conspiratorial tyrants and kings
and notable queens!**

Then there is current Editor and Chief Bob Woodward of the Washington Post.

Woodward, a Naval Intelligence agent, received leaks from **unelectable** Hillary Rodenhurst Clinton and homosexual *IN-THE-CLOSET* Fred Thompson during the 1997 Clinton fundraising inquiry that were designed to frame then Vice President Albert Gore for making phone calls from the wrong room.

This project, which failed, was designed to take the heat off Bill and Hillary Clinton and their America Global China-Mena, Arkansas drugs and arms trafficking **TREASON**.

Alleged independent counsel Kenneth Star had acquired documents linking both the Bushes and the Clintons to the Iran/Contra arms-narcotics-Mena, Arkansas-Japanese yen-Bob Nash money laundry.

Star was on orders, of course, from Republican National Committee Chairman Haley Barber, to protect Clinton and Bush and frame Gore.

P.P.S. MSNBC Republicans Chrissy Pooh Matthews and Joe Scarborough reached a new low today when they tried to promote this **BOGUS** pro Hillary Washington Post poll and announced, on the air, that the Democratic primary voters had no choice but to accept Hillary Clinton's rule and control over the Democratic Party.

Item: One must beware of the Zionist Khazarian Jew-Mormon alliance symbolized by "Barbie doll" Republican candidate Mitt Romney.

"Skull and Bones" chieftan daddy Bush is Romney's bagman with ties to Warren Buffett, Berkshire Hathaway and the Mormon owned Key Bank of Utah.

Romney and unelectable Hillary both sit on the Board of Directors of a MAJOR CIA-MOSSAD-Mormon proprietary account called Marvelous Investment Ltd. in Hanover, Massachusetts.

Reference: The owner and chief executive of the Washington Post, Khazarian Jew and neocon Zionist Donald Graham owns massive amounts of shares of Bershire Hathaway, which is linked directly to the CIA proprietary Marvelous Investments Ltd.

Note to Khazarian Jew Howard Kurtz of the Washington Post: We hear you have a personal grudge against duly elected President Albert Gore Jr.

Well, here is a personal statement to you Kurtz: We have problems with tribalistic, anti-Gentile bigots like you and it is about time you resign your position from the Washington Post and CNN since your wife is a Republican National Committee member and a neocon who wants to wage war in the Middle East using American blood for the foreign nation of Israel.

How dare you, you conspiratorial tyrants and kings and notable queens!

One last edition: CNN is sitting on a story linking homosexual *IN-THE-CLOSET* Fred Thompson to lobbying for as many as **FOUR** abortion clinics.

We can also report that Thompson has been fingered by Larry Flynt in attending the Philadelphia gay bar, the Shampoo Nightclub, on TEN occasions being accompanied by Democratic Congressman Barney Frank and Republican Congressman Robert Dryer of California.
