A Federal Grand Jury has been convened in St. Louis, Missouri with new evidence linking the Bush-Clinton "TRUE COLORS" assassination teams direct involvement in the assassination of the former Missouri Governor Mel Carnahan.

**Missouri Governor Melvin Eugene Carnahan ASSASSINATED
by the Bush-Clinton Crime Syndicate "TRUE COLORS"**

Carnahan's plane was brought down by a barometric bomb, which was placed on the plane by the Bush-Clinton gang in Minneapolis, Minnesota on a flight destined for St. Louis, Missouri where Missouri Governor Carnahan was going to present documents to then Vice President Gore, now non-inaugurated duly elected President Albert Gore Jr., that tied the Bush-Clinton Crime Syndicate to the assassination of John F. Kennedy Jr. and trying to assassinate then Vice President Gore by attempting to vector his Air Force II aircraft over the skies of Chicago in 1999.

Carnahan also had internal Defense Intelligence documents that tied both Bill and Hillary Clinton, Bob Nash, daddy Bush and former daddy Bush National Security Adviser Donald Gregg to the noted Iran-Contra-Mena, Arkansas narcotics-arms-counterfeit Japanese Yen money laundry.

ITEM: Most of the counterfeit Yen was laundered through the Arkansas Development and Finance Agency administered by Nash, who reported directly to daddy Bush's little bitch, then Arkansas Governor and *SERIAL RAPIST* Bill Clinton.

Reference: Carnahan was to meet with Vice President Al Gore before the final year 2000 presidential debate between Al Gore and then Texas Governor George W. Bush.

If you remember folks, after learning of Carnahan's murder, Gore began the debate by walking over to Bush confronting him and staring down the little deviate.

Now to current Bush-Clinton Crime Syndicate activities

We can now divulge that the 911 call alerting Illinois Police authorities that a shoot-em-up had occurred at the Tinley Park, Illinois shopping mall came from a cell phone in Silver Springs, Maryland tied to the Israeli MOSSAD-DVD compromised NSA and MOSSAD-riddled Department of Homeland Security, headed by Bush-Clinton MOSSAD stooge Michael Chertoff.

AND IT GETS WORSE!

The Federal Grand Jury is now in possession of documents that the Bush-Clinton Crime Syndicate thought had been destroyed in assassinated Carnahan's aircraft that tie current New Jersey Democrat Senator Robert Menendez to operating a Bank One MOSSAD-linked slush fund that is the paymaster for these assassination teams.

Hillary Clinton and co-conspirator Senator Robert Memendez (D-NJ)

This dovetails back to the discredited former New Jersey Governor James McGreevey, now out of the closet homosexual, and his role in covering up the presence of these MOSSAD teams on American soil.

Note: McGreevey was forced to resign after admitting to being a CLOSET homosexual and engaging in infidelity with his male lover, **Israeli born MOSSAD agent and McGreevey's New Jersey advisor on homeland security, Golan Cipel.**

P.S. CNN reported earlier that there was NO video tape evidence of the Tinley Park, Illinois shoot-em-up, then military intelligence stooge Alex Witt of MSNBC reported that the authorities were looking for the videotape evidence involved in the shoot-em-up.

Unbelievable isn't it folks – videotape evidence, now you see it, now you don't!

The lying game continues by the MOSSAD-riddled U.S. media.

Question: Could it be that the alleged eyewitness who wants to play the "Race Card" for Hillary and claim the shooter was an African-American has the videotape evidence.

We can now report that it is Department of Homeland Security Secretary Michael Chertoff that has possession of the incriminating videotape evidence showing an individual of Middle East origin, i.e. a Russian FSB-Israeli MOSSAD agent committing the murders of five innocent human beings at Tinley Park, Illinois.

Learn to recognize the face of a woman who, for decades, knowingly, willingly and actively aided and abetted a serial rapist ...

... for her own personal & political gain

Remember folks this BLACK OP was staged on the behalf of the UNELECTABLE Hillary lesbian *IN-THE-CLOSET* Rodenhurst Clinton to garner female voters for Tuesday's Democratic Primary.

At this hour FBI Division 5 is probably looking for a patsy of African-American descent to take the fall for the Bush-Clinton "TRUE COLORS" assassination gang.

They have probably made a phone call to Tom Brokaw's William Morris Agency in Denver, Colorado.

Target (L) has been razed, according to satellite image of lot where some U.S. officials believe Syria was building nuclear reactor.

P.P.S. Noted investigative journalist Seymour Hersh is holding intelligence showing the bombing of an alleged arms plant in Syria by Israeli jets, which actually deals with the destruction of documents transferred from the Central Bank of Iraq to Syria, which dealt with payment of 9/11 "Hush Money" to both Israeli and Syrian officials.

The bribes were tied to the Deutsche Bank in Germany, which was used to pay East German DVD operatives like Bush-Clinton specialist Eva Telege aka Teleke aka Teleki.

For more information on the Bush-Clinton-DVD-MOSSAD tie-in and Luciferian links, click <http://www.worldreports.org>.

Final note: Bush Witch and Floridagate 2000 co-conspirator Mary Matalin endorsed unelectable *CLOSET* lesbian Hillary Rodenhurst Clinton for president today on NBC's Meet the Press.

Matalin is married to Clinton operative James Carville.

That is a Bush-Clinton box marriage.

When Matalin endorses Hillary that should tell Democrats everywhere everything.

Criminal co-conspirators and Marvelous Investments Ltd.
business partners Hillary Clinton and Mitt Romney

One last reference: Marvelous Investments Inc. business partners, UNELECTABLE Hillary and Republican presidential candidate Mitt Romney appeared together today on ABC's This Week with George Stephanopoulos.

Question: Do you think Hillary and Romney discussed when they were going to send their next check to Eva Telege aka Teleke aka Teleki.

If they write the check on a Deutsche Bank account it will bounce.

BOGUS Polls Update

Tonight CBS News got caught in their own lies.

They showed Democratic presidential candidate Barack Obama and UNELECTABLE Hillary lesbian Rodenhurst Clinton are tied in a 41% - 41% national dead heat.

But that is not the lie!

The CBS News anchor then said, "...although they are tied Hillary is ahead in all the big Super Tuesday states..."

They even included Illinois for Hillary.

Now it is obvious to anyone with an education that there is no way Obama and Hillary can be tied with Hillary ahead in all the big states at the same time.

This BOGUS pro-Hillary CBS poll was a subliminal attempt to get undecided voters to vote for the CIA-MOSSAD-DVD agent-JFK Jr. assassin conspirator CLOSET lesbian Hillary Rodenhurst Clinton.

Maybe the whole CBS News military games election-stealing division should be given a rendition flight to Syria and placed in a nearby missile plant with North Korean guards.
