## **TREASON-GATE ESCALATES**

**by Tom Heneghan, International Intelligence Expert**

**UNITED States of America – It can now be reported that former CIA Director and U.S. Army General David Patreaus and the late U.S. Ambassador to Libya Christopher Stevens had been investigating, along with the U.S. Comptroller of the Currency, the illegal funding and money laundering and transfer of U.S. arms to Al Qaeda terrorists in the nation of Syria.**

**The NATO member Turkey, along with the Israeli Mossad dominated American-Turkish Council in Istanbul, as well as none other than the nation of Iran, were used as conduits to execute these illegal arms shipments.**

**We can now divulge that Israeli Mossad assets Senator Dianne Feinstein, Democrat of California, and U.S. Congressman Eric Cantor, Republican of Virginia, have been covering up this TREASON for over four (4) months. They both should be arrested by the U.S. military. This is Bush-Clinton Iran-Contra all over again.**

**The direct funding for this criminal treasonous covert action was none other than the Bush-Clinton-Cheney-Benjamin Netanyahu Omega Fund, previously reported in last night's intelligence briefing, were able to temporarily rearrange billions if not trillions of cross-collateralized derivatives tied to Citibank and the London LIFFE Exchange.**

**P.S. At this hour, the International Monetary Fund (IMF), the U.S. Provost Marshal, the U.S. Inspector General, the U.S. Comptroller of the Currency, as well as the U.S. Commodity Futures Trading Commission (CFTC), have ordered forced liquidation of all Omega Fund asset holdings and future positions as massive repatriation of collateralized assets aka precious and industrial metals as well as oil and natural gas holdings continue at full speed.**

**P.P.S. Direct message from the U.S. Joint Chiefs of Staff and the U.S.-French Intelligence Task Force to CNN network (202) 898-7900:**

**CEASE AND DESIST IMMEDIATELY FROM YOUR RANK HEARSAY AND LIBELOUS SMEARING OF AMERICAN PATRIOT GENERAL DAVID PETRAEUS! THERE WAS NO EXTRA MARITAL AFFAIR!!!**

**Note: CNN has no real journalists. They have bimbo Erin Burnett who talks to Hillary Clinton on a daily basis and once insulted America's greatest ally, the Republic of France, on the 4th of July.**

**Then there is CNN's Barbara Starr whose sources come from none other than crooked Eric Holder's Department of Justice and Hillary Clinton's U.S. State Department.**

**General Petraeus has been and remains personal friends of Paula Broadwell and her husband for over 20 years.**

**Broadwell was trying to protect General Petraeus and Ambassador Stevens from an FBI Division 5 Israeli Mossad instigated email hacking attack against General Petraeus and Stevens as Petraeus and Stevens and other patriotic members of the U.S. military were compiling "smoking gun evidence" concerning the criminal money laundering activity of the Bush-Clinton-Cheney Crime Family Syndicate's Omega Fund.**

**Note: The Omega Fund has accrued massive profits from the illegal rigging of the LIBOR rate tied to Barclays Bank of England, UBS Switzerland and Citibank of New York.**

**The Omega Fund had their secret proprietary account headquartered in none other than Marc Rich's Swiss-based Glencore Commodities.**

**Question: Who ordered the illegal FBI instigated blackmail and espionage operation against American patriot General Petraeus?**

source source source

**Answer: Marc Rich's defense attorney, Bush-Clinton Crime Family stooge U.S. Attorney General Eric Holder, loser and murderer, dysfunctional U.S. Secretary of State Hillary Rodenhurst Clinton and former FBI Director Louis Freeh.**

**In closing, we want to congratulate MSNBC's Joe Scarborough (Roll Tide) and New York Republican Congressman Peter King (go Irish) for exposing this TREASON on the Joe in the Morning show that was aired yesterday.**

**Finally, in future intelligence briefings we will expand on the massive electronic fraud that took place in counties in Pennsylvania and Ohio tied to the election script and preordained results that involved the CNN network.**
