The Story Of Leo Wanta 'The 27.5 Trillion Dollar Man'

**The Key Question Looms: Will The Illuminati Banksters Get the Money First
Or Will The American People Get It, As Wanta Is Legal Guardian And
Trustee On Behalf Of The People Of The United States**

According to a 2003 federal court ruling by a courageous judge from Virginia, Wanta has been authorized as legal guardian of the vast sum of money made from profits at the end of the Cold War. In one of the most important stories of our time, Wanta holds the 'financial key' to the vast criminal Illuminati banking network and he says with the help of the American people their system can be destroyed.

The only thing standing in the way of life and death for Ambassador Leo Wanta is he "knows where the money is hidden" and the Illuminati banksters don't.

A former U.S. Treasury official appointed trustee to a large sum of money by President Ronald Reagan, Wanta holds the financial "golden key" to 27.5 trillion dollars, money he says now held in public trust for the American people.

To back up Wanta's trustee status as protector of trillions, a federal judge in Alexandria, Virginia, in 2003, ruled in his favor, saying Wanta's trustee status is legally binding and the money is rightfully the property of the American people.

The federal court case, however, has left federal prosecutors in a perplexed state of mind, as they have not yet officially appealed the ruling, perhaps thinking it is better to let "sleeping dogs sleep" until they get their 'cooked ducks or judges in the right government pond."
