**Toys Out of the Attic  
Protocols Update  
Part 1 of 2**

**by Tom Heneghan, International Intelligence Expert**

**UNITED STATES of America - It can now be reported that major missile strikes are under way in the nation of Yemen designed to eliminate *alleged* Al Qaeda terrorists who have been classified by the National Security Agency (NSA) and elements of Central Intelligence Agency (CIA) as major national security risks.**

**These attacks were directly ordered by the Bush-Clinton Crime Family Syndicate by current dysfunctional U.S. Secretary of State loser Hillary Rodenhurst Clinton and her old Iran-Contra business partner, current U.S. Secretary of Defense and daddy Bush stooge Robert Gates.**

**The attacks were ordered WITHOUT the direct knowledge of President Barack Obama, who was in Copenhagen, Denmark at the time at a global warming conference, where the President was actually negotiating the final details for the implementation of the noted Wanta-Reagan-Mitterrand Protocols with French President Nicolas Sarkozy.**

The story of how Ambassador Leo Wanta was commissioned by President Reagan to make \$trillions for the American people in shrewd (but legal) currency trading that concentrated on buying Russian rubles at a discount to destabilize the Soviet economy surfaced in 1992.

The missile attacks in Yemen are part of an overall U.S.-Israeli Mossad-NSA Delta Force team code name "Apocalyptic" whose aim is to eliminate former U.S.-CIA-NSA assets in Yemen who had a role in the 9/11 "Black Op" attacks on America.

These NSA assets were in direct communication with elements of British and Canadian Intelligence PRE 9/11 and some of them may actually be the identified *alleged* hijackers who were named as the orchestrators of the 9/11 attacks.

All of this is happening, folks, while 300 members of the Pakistani government have been placed under house arrest, which may be an NSA precursor to a U.S. government-sponsored "False Flag Black Op" directed by the "Apocalyptic" group, which is a black op designed to FAKE Osama bin Laden's aka CIA employee Tim Osman's death before New Years Eve.

Brzezinski and Tim Osman (Osama bin Laden) discuss the string of Jihads that Zbigniew never regrets

**Note: As we have reported on many occasions in previous intelligence briefings, CIA employee Tim Osman aka 9/11 patsy Osama bin Laden was allowed to escape the mountains of Tora Bora in December of 2001 by former *illegal* White House occupant George W. Bush FRAUD across the border into the People's Republic of China where bin Laden aka Tim Osman DIED of kidney failure.**

<http://blogs.myspace.com/index.cfm?fuseaction=blog.view&friendId=147509065&blogId=519843495>

**The timing of an attempt to FAKE Osama bin Laden's death [he is already dead, folks] coincides with a massive financial world war that is currently under way that is spiraling out of control as the year 2009 nears its end.**

**This, of course, coincides with the final implementation of the Wanta-Reagan-Mitterrand Protocols, which is due to be implemented on New Years Eve.**

**Accordingly, the Bush-Clinton Crime Family Syndicate may be trying to end run this process by finally declaring Osama bin Laden dead [through the use of a False Flag Black Op], zero out the CIA custodial accounts tied to Tim Osman aka Osama bin Laden and thus, accordingly, try to co-mingle funds involved in the Wanta-Reagan-Mitterrand Protocol implementation.**

**Note: For years the Bush-Clinton Crime Family Syndicate [using the TREASONOUS *illegal* Patriot Act] has *illegally* laundered the Wanta-Reagan-Mitterrand Protocol funds through CIA custodial accounts tied to the old Mujahideen, who were used to fight the Soviet occupation that was taking place in the 1980s in Afghanistan.**

**Clearly the final implementation of the Wanta-Reagan-Mitterrand Protocol funds is creating a race against the clock.**

**P.S. We can now reveal that six (6) weeks ago the Bush-Clinton Crime Family Syndicate met at FBI Division 5 Gestapo headquarters in Denver, Colorado to discuss and implement a domestic NAZI-style program on U.S. soil, which, as we speak, is targeting the American People aka patriotic whistleblowers who wish to return the American People to Constitution Rule.**

**Attending this meeting were both Bushes, daddy and his son, BushFRAUD, along with both Bill and Hillary Clinton, Secretary of Defense Robert Gates, and two semi-retired Generals Richard V. Secord and John K. Singlaub, both generals who were Iran-Contra-Bush-Clinton Crime Family Syndicate bagmen.**

**Both Secord and Singlaub are dangerous "BLACK OPS" specialists tied to FBI Division 5 Denver, Colorado GESTAPO, as well as the noted MKULTRA E-Systems mind control factory headquartered in Dallas, Texas.**

**The MKULTRA E-Systems company is also tied to the formation of seventy-two (72) units currently operating on American soil, which is designed to harass, intimidate and even murder American citizens aka patriotic whistleblowers who love their country and want their Constitution back.**

*depiction of mercenary types*

**The 72 units known as the "IE" units have a tie in to the old Blackwater Associates mercenary group that have engaged in political assassinations in Iraq and Afghanistan.**

**Note: As you know, folks, we have identified in previous intelligence briefings two of the well known MKULTRA FBI Division 5 COINTELPRO stooges aka Timothy (Tim) White and Jeff Fisher, who have directly harassed and threatened myself.**

**They have been directed in various black ops directed against the American People aka patriotic whistleblowers from their FBI Division 5 headquarters in Denver, Colorado.**

**Reference: Jeff Fisher has recently been arrested for threatening the life of New York City Mayor Bloomberg and the New York City Police Commissioner Ray Kelly.**

**At last report Fisher is being held in a mental hospital in the city of New York.**

**It was Mayor Bloomberg of New York City, whom I have complimented on many occasions, who was actually the only noted New York state politician that came to the defense of Caroline Kennedy when she was victimized by the massive anti-Catholic smear directed against her by Rupert Murdoch-owned New York City tabloids as well as Bill and Hillary Clinton during the time period of December of 2008 when Caroline was seeking to become the next U.S. Senator from New York replacing then Senator Clinton.**

**P.P.S. It is no coincidence that we have had Fort Hood, Tiger Woods, the "IE" Watergate-style break ins that took place at Victoria University, Victoria, British Columbia, Canada (a place where Tim White hangs out) all happening in this current December time frame.**

**The break ins at Victoria University in Victoria, British Columbia, Canada were designed to dirty up former Vice President now year 2000 duly elected President Albert Gore Jr. who, of course, supports the final implementation of the Wanta-Reagan-Mitterrand Protocols.**

**We can now also divulge that the recent rail outages tied to the Eurostar rail line that connects rail travel under the English Channel from Paris to London is also an "IE" Blackwater operation intended to intimidate the government of France and its President Nicolas Sarkozy who currently concluded the final specifics with President Obama on the implementation of the noted Wanta-Reagan-Mitterrand Protocols.**

**Yegor T. Gaidar**

*Sergei Guneyev/Time & Life Pictures/Getty Images*

**If that is not enough, folks, we have just received a late breaking report that two (2) days ago former Russian Prime Minister Yegor Gaidar [code named St. Joseph] and the former Prime Minister to Russian President Boris Yeltsin, was assassinated aka poisoned to death.**

**Gaidar, who was tied to the old Wanta Russian ruble team directed against the old Soviet Union, had been representing former Russian Federation President Vladimir Putin in the final negotiations dealing with the implementation of the noted Wanta-Reagan-Mitterrand Protocols.**

**Gaidar was also aware of the *secret* mega oil accounts set up for and on behalf of former Russian President Boris Yeltsin as well as both Bill and Hillary Clinton by current ABC News talk show host George Stephanopoulos.**

**Gaidar was also familiar with the 2,000 tons of gold (the actual property of Ambassador Leo Wanta) that was **STOLEN** out of the Federal Reserve Bank of New York on the day of the 9/11 attacks and taken by rail from New York City to Nova Scotia, Canada.**

**Part of the gold was eventually taken to the Philippines, smelted down and, along with U.S. Treasury notes, was used to pay off Osama bin Laden aka Tim Osman's *alleged* Al Qaeda group to play the role of 9/11 patsy.**

**The other part of the gold was shipped to Singapore and then on to Kloten, Switzerland where it is held in an underground tunnel beneath the airport.**
