IN 1986 PRESIDENT REAGAN AGREEMENTS "STAND"

SOURCE: ANTI MEDIA ([HTTPS://THEANTIMEDIA.COM/POMPEO-US-DEFEND-PHILIPPINES-SOUTH-CHINA-SEA/](https://theantimedia.com/pompeo-us-defend-philippines-south-china-sea/))

(ANTIWAR.COM (<https://news.antiwar.com/2019/03/01/pompeo-us-will-defend-philippines-military-in-south-china-sea/>)) — In comments on Friday, Secretary of State Mike Pompeo confirmed (<https://www.reuters.com/article/us-philippines-usa/pompeo-assures-philippines-of-us-protection-in-event-of-sea-conflict-idUSKCN1Q3NM>) that the US still considers the 1951 Philippine-US Mutual Defense Treaty to be fully intact, and would adhere to it in the event Philippines forces come under fire in the South China Sea.

US officials have repeatedly made clear that they intend to support the Philippines militarily in the South China Sea. Pompeo singled out China as a threat to Philippine sovereignty, and cited their island-building as a problem.

This comes after Philippine DM Delfin Lorenzana has been pressing the US for a review of the treaty, and clarification of what the US would actually do if the Philippines suddenly come under attack.

It's not clear that's what Philippine President Rodrigo Duterte wants, however. Duterte has said (<https://news.antiwar.com/2016/12/29/philippines-president-rebukes-us-goals-in-region/>) he doesn't care about China's island-building, and doesn't have any problem with China's behavior in the region. He's also expressed concern that the US interest in confronting China in the South China Sea might suck the Philippines into an American war.

 NOTHING NEW HERE, U.S. PRESIDENT RONALD WILSON REAGAN CONFIRMED THAT THE U.S.A. WILL ALWAYS BE PROTECTED BY THE UNITED STATES DIRECTLY TO THE PHILIPPINES DURING THEIR PREVIOUS ACTIVITIES WITH THE PEOPLE'S REPUBLIC OF CHINA. IN THE MATTER OF:

IN THE UNITED STATES DISTRICT COURT FOR THE
EASTERN DISTRICT OF VIRGINIA

ALEXANDRIA DIVISION

AMBASSADOR LEO WANTA,

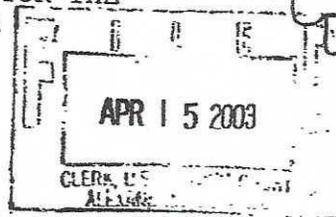

Plaintiff,

v.

UNITED STATES OF AMERICA, et al.,

Defendants.

Civil Action No. 02-1363-A

MEMORANDUM OPINION

THIS MATTER is before the Court on Defendants the United States of America, et al.'s, motion to dismiss Plaintiff Ambassador Leo Wanta's claim of breach of contract based on lack of subject matter jurisdiction and on Plaintiff's motion to amend his complaint. The issue before the Court is whether the Court should dismiss an alleged secret government agent's claim against the Attorney General, the Director of the Central Intelligence Agency, the Secretary of the Treasury and the Government based on lack of subject matter jurisdiction. The Court grants Defendants' motion to dismiss pursuant to Federal Rule of Civil Procedure 12(b)(1) because the Government has not waived sovereign immunity and public policy forbids the adjudication of a suit relating to matters of an alleged national security contract. The Court denies Plaintiff's motion to amend his complaint under Federal Rule of Civil Procedure 15(a) because such an action would be futile.

All socialist countries have, to date, spent themselves into bankruptcy, and China is well on its way to doing the same. Of all possible dark holes into which a government can throw its people's earned wealth, a man-made island far out to sea seems amongst the most foolishly expensive. If a sea surver do not wipe it out, then one medium-sized bomb will do the job quickly though not cheaply.

Of all possible dark holes into which a government can throw its people's earned wealth!

Over 800 bases around the world encircling Iran and very much China; bases up to the Russian border, wars and interventions in numerous countries!

A military budget that swallows the rest of the world combined !

Trillions spent on bailing out corrupt banks that were to big to fail !

Your right it a real problem a real hole except that is the United States!

A waste of tax \$\$\$\$\$\$\$\$\$\$! First the PHILIPPINES are not the 51st state of the USA! For the Federal government to be worried about them (consult & advise them by US ambassadors if they care , only).
Second! China not planning to invade anyways!

Dear

I received a copy of your telex to President Corazon Aquino from the Office of Maj Gen Jose Magno (ret), Presidential Military Adviser (received 5 May 87 by the Office of the President) concerning a complaint of "detention under false threat and false charges of a coup d'etat, among other things."

If you could send me the details of the incident, including witnesses if any, we might be able to cause a formal investigation to be conducted. Kindly include specific information (what, where, when, who).

There is also considerable interest to find out how you helped in reducing urea fertilizer pricing and military arms and equipment costs, with the view of determining how to continue this apparent laudable process.

May I hear from you soon?

Best wishes and warm regards from Washington.

Very truly yours,

Office of the Attorney General
Washington, D.C. 20530

February 11, 1967

Honorable William J. Casey,
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

Thank you for your letter regarding the procedures governing the reporting and use of information concerning federal crimes. I have reviewed the draft of the procedures that accompanied your letter and, in particular, the minor changes made in my draft that I had previously sent to you. These proposed changes are acceptable and, therefore, I have signed the procedures.

I have been advised that a question arose regarding the need to add narcotic violations to the list of reportable non-employee crimes (Section IV). 21 U.S.C. 882(a) provides that "[a]ction suggested by the Attorney General, it shall be the duty of any agency or instrumentality of the Federal Government to furnish assistance to him for carrying out his functions under the Controlled Substances Act" Section 1.01(b) of Executive Order 12113 tasks the Central Intelligence Agency to "collect, produce and disseminate intelligence on foreign aspects of narcotic production and trafficking." Moreover, authorization for the dissemination of information concerning narcotic violations to law enforcement agencies, including the Department of Justice, is provided by sections 2.3(a) and (b) and 2.4(b) of the Order. In light of these provisions, and in view of the fine cooperation the Drug Enforcement Administration has received from CIA, no formal requirement regarding the reporting of narcotic violations has been included in these procedures. We look forward to the CIA's continuing cooperation with the Department of Justice in this area.

In view of our agreement regarding the procedures, I have instructed my Counsel for Intelligence Policy to circulate a copy which I have executed to each of the other agencies covered by the procedures in order that they may be signed by the head of each such agency.

Sincerely,

William French Smith
Attorney General

Dear Ken,

Thank you very much for your help in trying to locate Mr. Haile and Mr. Mousse so that Mr. Wanta can properly dispose of the gold he now holds in trust for the Somali people.

Following are copies of some documents related to Mr. Wanta's appointment as ambassador of the Somali Democratic Republic. It is my understanding that Mr. Wakata also was appointed head of the Central Bank that was to be built - and it was in that capacity that Mr. Wanta holds the gold.

If you can continue to help us, this would be greatly appreciated.

Again our sincerest thanks.

Ambassador Lee E. Wanta Biography Is now available in Paperback

January 19th 2016

For Immediate Release

A private citizen investor referred to in a December Senate and House bill as one who will help reduce the national debt is a man known as Ambassador Lee E. Wanta. The 2015 released biography of Ambassador Lee E. Wanta explains this matter completely. It is available now to the public on Amazon, Barnes & Noble and Apple iBook's and in paperback which comes with an attached digital interactive disc with all the backup documents. This is the only authorized biography of the Personal Intelligence Coordinator and Secret Agent who was mandated under President Ronald Wilson Reagan. The 350 page biography is backed up with hundreds of accessible documents to provide evidence and verification of the biography of Lee Wanta's life. The content released in this biography is sensitive, controversial and timely. Much of it has never before been shared with the American public. The subject matter it addresses has its historical foundation in Lee Wanta's secret work under President Reagan to de-stabilize the Soviet Union, financially ending the Cold War without firing a single shot. This was accomplished with the help of Lee Wanta a private citizen operating under the **Totten Doctrine 92 U.S.105,107**, all explained in detail in the biography. The biography reveals how Lee Wanta privately amassed trillions of USDollars in personal monetary funds. It clearly explains his Presidential Mandate where his personal funds will be lawfully disbursed including the Reagan-Mitterrand Protocol. The repatriation of his personal funds and the resulting personal income taxes being paid will enable our nation to continue funding and reducing its debt. The Senate and the house approved this debt reduction plan late last year. Lee Wanta is also in the process of assisting the Hellenic Republic of Greece with a reliable financial assistance program to help them with their National debt obligations.

The biography provides in-depth information about how the lawless and non-governmental Federal Reserve System and the Corporation State of Wisconsin seized his personal funds (Alford Plea June 10th 1994 Exhibit K see below), through criminal and corrupt activities operated by a sophisticated system of Puppet Masters. It shows how articles published by well-known Wall Street Journal Editorial Board member Holman W. Jenkins were inaccurate regarding Lee Wanta, who at the time was serving as a Sheriff's Department "deep cover investigator" of Falls Vending Services, Inc. a Wisconsin corporation owned and operated by Jerome Engle, also AKA Jerry S. Engel, who was linked in with the assassination of JFK and Bobby Kennedy under an operation secretly called Film Street. Also the biography addresses the false accusations written about Lee

3/24/24

in the book "Thieves World" influenced by Assistant FBI Director Jim Moody published by Simon and Schuster, New York.

Lee Wanta's biography contains new never-released Intel information regarding White House Deputy Counsel Vince Foster and Hillary Clinton receiving 250 million USDollars from Lee Wanta in favor of the Children's Defense Fund which has never been accounted for. The same day these funds were transferred Lee Wanta was put in a Swiss/Suisse Prison and shortly after White House Deputy Counsel Vince Foster mysteriously died. This biography asks hard questions that need to be addressed by many well-known politicians, business and banking officials. It explains how the Corporate State of Wisconsin operates well outside the U.S. Constitution and how they continue to operate this way under the administration of Governor Scott Walker as a Corporation and not a State. It exposes current activities in the Ukraine and corrupt destabilization efforts happening throughout our Sovereign Nation and throughout the world and who is behind it. It also helps the public understand how the "Puppet Masters" are controlling ISIS / DAESH/ ISOL. (Why we do have three confusing names for the same group?)

Learn how The United States Congress has censored and suppressed vital information that should have been disclosed under Title 16, Section 4 and Section 201 and how some elected officials have been using bribery and extortion to obtain Lee's funds. Because of the sensitive nature of the content and some of the new information regarding Presidential candidates from both parties, it could have possible implications on the upcoming Presidential election.

The biography helps dispel any doubts as to who Lee Wanta really is, about the \$31.2 trillion he controls now, and what his goals and Mandate is from President Reagan too help our country rid itself of continuing political corruption and return us back to a strong financial footing again as a world leader. The author of the biography is Lee Wanta himself, and has been edited by Lon Gibby, and published by Viking International, LLC. To follow-up the biography, a feature film documentary entitled *Eagle One to Wanta* is in full production by Gibby Media Group, Inc. to be completed and released in 2016 in time well before the U.S Presidential election.

www.eagleonetowanta.com.

Ambassador Lee E. Wanta's timely biography helps clear up some of this confusion and restores hope that we can get our nation back in line with our Constitution, We the People and by the People. Negotiations are in progress to distribute the paperback version through a major publishing company worldwide.

Ever blessed and immaculate Mary, you are the heavenly patroness of our country under this beautiful title. In your generous kindness, we beg you to obtain for us a more perfect union, domestic tranquility, justice for all our citizens and the blessings of peace and prosperity for us and our descendants.

In particular we ask you to help us view all the people of this world as children of God and our brothers and sisters and to seek first just and peaceful means to redress even the most grievous wrongs done against us. Amen

have mercy on me.

mercy on me.

on me.

Heart of Jesus, atonement for our sins, have mercy on me.

Heart of Jesus, obedient unto death, have mercy on me.

mercy on me.

Lamb of God, you take away the sins of the world, have
mercy on me.

Lamb of God, you take away the sins of the world, have
mercy on me.

Prayer

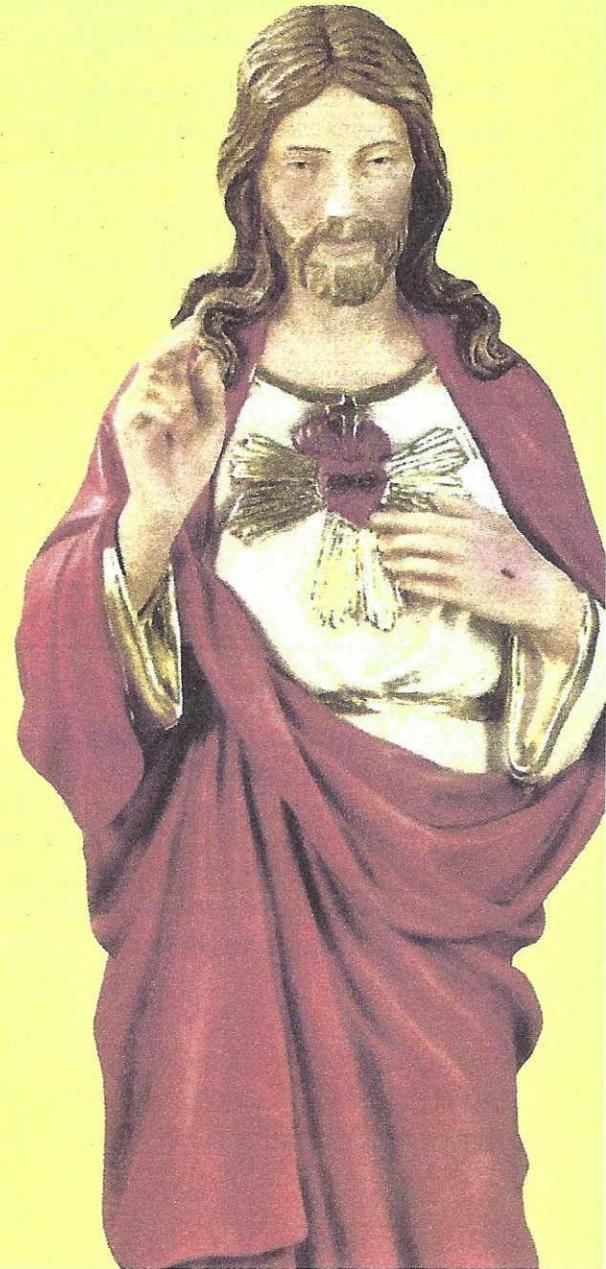

Father, we rejoice in the gifts of love we have received
from the heart of Jesus, your Son. Open our hearts to
share his life and continue to bless us with his love.

We ask this in the name of Jesus the Lord. Amen.
