## **US Under Bio-Chem TERRORIST Attack As NWO Thugs Are Cornered**

**by Tom Heneghan, International Intelligence Expert**

**UNITED STATES of America - It can now be reported that the Obama Administration, working directly with their 'handlers', the Bush-Clinton Crime Family Syndicate, and their U.S. corporate fascist media enablers, are about to declare a "PANDEMIC", which will be a precursor to martial law and suspension of the Constitution of the United States.**

**The New World Order (NWO) strategy to launch a bio-chem attack on the American People, which has long been contemplated by the NWO thugs, has now been made operational.**

**This bio-chem TERRORIST ATTACK against the American People was discussed two weeks ago during a meeting between Mexican President Felipe Calderon and U.S. Secretary of State, loser Hillary Rodenhurst Clinton, who was there representing the New World Order thugs.**

**Note: The swine flu virus (of military grade), intentionally released from a laboratory in Mexico, is now airborne and a clear threat to the safety, security, and well being of the American People.**

**This Swine Flu is not the current H1N1 variant of what is commonly the influenza virus but has been mixed with the much more deadly H5N1 variant known as Avian Flu.**

**This new H1N1 variant Swine Flu has already been tested by the Department of Homeland Security aka Gestapo Headquarters, and clearly shows RNA segments of the dreaded H5N1 Avian Flu along with the H3N Swine Flu variant.**

**The key here, folks, is that in terms of flu, pigs were actually used in the Mexican laboratory to develop this killer strain of Swine Flu because these animals act as a mixing vessel for various strains of influenza.**

**Item: We can also report that the vaccine Tamiflu has been contaminated by the latest strain of Swine Flu and may actually present a greater danger to human life than the current Swine flu virus itself.**

**And, of course, it gets worse!**

**We can also report that the U.S. government is covering up a new, more deadly strain of the Ebola Virus, which causes AIDS. This new, more deadly strain of the Ebola virus may also be airborne.**

**We have warned you in the past, folks, that the Bush-Clinton Crime Family Syndicate would do this aka launch this TERRORIST ATTACK against the American People when they were cornered.**

**And they are NOW being cornered!**

**The leaking of the Jane Harman, D-CA, Israeli espionage tape, has now lead to a new Federal Grand Jury, which now has enough evidence to indicate Harman, D-CA, Chuck Schumer, D-NY, Steven Israel, D-NY, Barney Frank, D-NY, and none other than Arlen Specter, R-PA now D-PA, on charges of spying for Israel against the United States.
