VITAL redux Tom Heneghan intelligence briefings

~ excerpts ~

PREVIOUS INTELLIGENCE BRIEFINGS RELATED TO 9/11 TIED BEAR STEARNS HEDGE FUND:

September 4, 2007 ...P.S. Newsweek Magazine is claiming that bin Laden is still alive.

Reference: Bin Laden died of kidney failure six years ago.

Bin Laden actually went to a CIA hospital in Dubai, United Arab Emirates in July of 2001, just two months prior to 9/11, to receive dialysis treatment for his failing kidneys.

That is correct folks! Two months before 9/11 bin Laden, i.e. Tim Osman (bin Laden's name within the CIA was Tim Osman), was a "Dead Man Walking".

So the question in front of us is the following:

Why is Newsweek Magazine and its editor, homosexual *in-the-closet* Jon Meacham, and his buddy Mossad agent Michael Isikoff trying to keep bin Laden alive?

The answer folks is simple. Bin Laden's holdings in the defunct Bear Stearns Hedge Fund are subject to an IRS tax levy at the time of his death.

Since Newsweek Magazine and the British Royal Family have major holdings in the Bear Stearns Hedge Fund and the Carlyle Group it is necessary to keep bin Laden alive.

September 8, 2007 ...Notice to homosexuals *in-the-closet* Freddy Thompson and Jon Meacham: I still have the America Global China documents that you covered up to protect both Bush and Clinton; and just a reminder that I still have the Red Mercury-Gary Best-FBI Division 5-Osama bin Laden-Al Qaeda financial contractual agreements.

Could this be the reason the Bear Stearns Hedge Fund collapsed.

And one last warning to the U.S. media filth: We are monitoring you 24 hours a day and watching your lies and spin as you present this bogus bin Laden tape as something real.

September 15, 2007 ...**Reference: Informed sources familiar with Bank of America and Bear Stearns allege that the Federal Reserve is on orders from Bushfraud to bail out Bank of America and the Bear Stearns Hedge Fund.**

Note: The Northern Rock Bank of the United Kingdom has already collapsed because of the criminal money laundering of both Bank of America and Bear Stearns Hedge Fund.

November 18, 2007 ...It can now be reported that White House occupant George W. Bushfraud has nominated his enabler Judge Mark R. Filip for Deputy Attorney General of the United States, (312) 435-5667.

Filip, a former law clerk to grease ball fascist Justice Anthony Scalia, now sits as a Federal Judge on the U.S. Court of Appeals Court in Chicago.

Now let's look at Filip's jaded background.

Before his appointment to the Illinois bench, Filip worked at a noted law firm in Chicago called Skadden Arps.

Skadden Arps has been linked to the bribes of Florida election officials in the overthrow of the year 2000 presidential election, i.e. Albert Gore's victory.

And, of course, it gets worse!

The funds for the fix derived from CIA stooge corporation Coca Cola, General Electric Accola and the Walt Disney ABC News organization.

The bagman and fixer was none other than 9/11 co-conspirator, former U.S. Solicitor General Ted Olson.

Upon further investigation, the Florida 2000 bribery funds have been traced to Winter Springs, Florida Bear Stearns Brokerage.

Bear Stearns Winter Springs, Florida actually facilitated an IPO on a noted software company called Choicepoint software.

Choicepoint software was used by the State of Florida in the year 2000 to ILLEGALLY purge over 50,000 African-Americans off the voter rolls and falsely classify them as convicted felons preventing them from voting.

The leadership team directing this **TREASON** project was none other than Florida Governor Jeb Bush, Ted Olson, Judge Mark Filip and Florida's Secretary of State and noted slut Katherine Harris.

And, of course, it keeps getting worse!

Olson not only helped to facilitate bribes to the Gang of Five on the U.S. Supreme Court, which overthrew Albert Gore's election as president, but also facilitated bribery for Chicago Judges Filip, Darrah and Wedoff who were hearing arguments on the Coca Cola copyright case tied to ABC Mickey Mouse Walt Disney, whose major stockholders included Floridagate 2000 fixer James Baker, current Supreme Court Justice John Roberts and none other than unelectable Hillary lesbian IN-THE-CLOSET Rodenhurst Clinton's brother Hugh Rodham.

Rodham represented none other than Colombian Medellin drug cartel boss Carlos Lehder.

Lehder was later pardoned by Florida Governor Jeb Bush. Lehder has been linked to dirty Floridagate 2000 narcotics money, and the noted 9/11 SunCruz casino ships that Mohamed Atta allegedly gambled in just prior to 9/11.

Lehder even had a trading account at Bear Stearns in Winter Springs, Florida.

The crime spree involving these conspirators continues.

November 20, 2007 ...It can now be reported that Bushfraud's recently resigned Homeland Security Advisor, Frances Fragos Townsend, is under criminal investigation for perjury and obstruction of justice in regards to the warrant-less wiretapping that was ordered by occupunk George W. Bush against the American People **PRE** 9/11.

TOWNSEND, A LIFELONG STOOGE AND OPERATIVE OF THE BUSH-CLINTON CRIME FAMILY SYNDICATE ACTUALLY DESTROYED INCRIMINATING DOCUMENTS, EMAILS AND CABLES THAT HAVE A DIRECT LINK TO THE INFORMATION THAT FBI WHISTLEBLOWER SIBEL EDMONDS HAD DISCOVERED, WHICH WARNED THE U.S. GOVERNMENT OF THE PENDING 9/11 ATTACK.

Reference: Daniel Ellsberg, the individual who helped release the "Pentagon Papers" in the early 1970s, has been quoted saying that the Sibel Edmonds evidence directly involves criminal activity and impeachable offenses by the highest levels of the Bush Administration, including the alleged President and Vice President. See:

The French PRE 9/11 WARNING to the U.S. government, i.e. the U.S. State Department, which was the intercepted Israeli Intelligence-MOSSAD cable containing the 9/11 command order "the time is now, the match is hot", was withheld from the Patrick Fitzgerald investigation by none other than both Frances Fragos Townsend and current head of the Department of Homeland Security, MOSSAD agent, Michael Chertoff.

Remember folks, this 9/11 TREASON information and evidence was also available in advance to the New York State delegation including then New York Attorney General Eliot Spitzer, now New York governor, MOSSAD asset Charles Schumer, Democrat of New York, and of course, MOSSAD agent, unelectable CLOSET lesbian Hillary Rodenhurst Clinton.

NOTE: THE FRENCH INTERCEPTS OF ISRAELI CABLES FROM THE MOSSAD OUTPOST IN DUBAI, UNITED ARAB EMIRATES (UAE) DEALT DIRECTLY WITH ISRAELI INTELLIGENCE INTENTIONS TO MAKE THEIR MOSSAD-AL QAEDA CELLS IN THE UNITED STATES OPERATIONAL FOR THE PURPOSE OF A TERRORIST ATTACK.

SO THE COMMAND AND CONTROL FOR THE 9/11 BLACK OPS ATTACK ON THE UNITED STATES CAME FROM A DUBAI, UAE ISRAELI INTELLIGENCE OUTPOST.

Once again it was our great ally of 200 years, The Republic of France, that tried to save America from this TREASON conspiracy against the American People.

Do not be fooled by the controlled American media elite's latest spin that Matt McClellan, former Bushfraud press secretary, was lied to by the Bush Administration in regards to the Valerie Plame case.

Both Patrick Fitzgerald and the Bush Administration knew all along that Richard Armitage was the leaker. So there never has, or never will be, a real case involving Valerie Plame's status.

What Matt McClellan, the Bushfraud Administration and the media elite filth want to do is to spin and defer from the REAL question before us, which deals with the **SEALED NATIONAL SECURITY FILINGS MADE BY FITZGERALD IN THE INDICTMENT OF SCOOTER LIBBY.**

Remember, the indictment of Libby was for perjury and obstruction of justice, it had nothing to do with the question of Valerie Plame's alleged "outing" as a CIA agent.

Fitzgerald continues to investigate the larger question dealing with 9/11 and the attempt to plant WMDs in Iraq utilizing Dubai, UAE.

That road of inquiry takes us right back to the American-Turkish Council and the TREASON evidence Sibel Edmonds is holding.

Item: So we now see why Bushfraud needs to appoint Judge Mark Filip of Chicago, Illinois as Deputy Attorney General of the United States.

Filip continues to engage in felony obstruction of justice in the matter of not only 9/11 and the ILLEGAL war in Iraq, but the bribery and criminal conspiracy that overlaps in the overthrow and coup d etat that took place in Florida, i.e. the year 2000 presidential election.

Remember the sealed National Security filings of Fitzgerald connect the dots from Floridagate 2000 to the 9/11 Mohamed Atta SunCruz Casinos and the role of both Valeria Plame and Scooter Libby in the Bush-Clinton "TRUE COLORS" assassination teams.

The financial records taken from the American-Turkish Council by Sibel Edmonds traced the financial funding for all of this TREASON to a Bear Stearns brokerage house in Winter Springs, Florida with a direct connection to the LaSalle Bank in Chicago.

December 21, 2007 ...P.S. We are now working on a story involving the Cayman Islands and secret

offshore accounts tied to daddy Bush, Jeb Bush, noted 2000 election fixer Katherine Harris, along with Bill and Hillary Clinton, and current Republican presidential candidate Mitt Romney.

Some of the funds in the offshore accounts of these individuals were actually stolen and laundered utilizing the now bankrupt Bear Stearns Hedge Funds.

The Bear Stearns office in Chicago, Illinois is now the focus of U.S. Treasury investigators.

The Chicago Bear Stearns office has been tied to massive wire transfers of Euro currency through the Cayman Islands.

Also tied up in this fiasco is the Key Bank Utah, a known front for the Church of Latter Day Saints, i.e. the Mormon Church.

Reference: This investigation in Utah ties back to millions of dollars missing from the Utah Olympic project involving the Bushes, the Clintons, homosexual *IN-THE-CLOSET* Senator Orrin Hatch and current Republican presidential candidate Mitt Romney.

January 1, 2008 ... Al Qaeda and the government of Pakistan have found their way into the campaign coffers of UNELECTABLE lesbian *IN-THE-CLOSET* Hillary Rodenhurst Clinton, Democrat of New York, "Barbie doll" and serial flip-flopper Mitt Romney, Republican of Massachusetts, as well as ***CLOSET*** homosexual and abortion lobbyist Fred Thompson, and pedophile Bill Richardson, Democrat of New Mexico.

Reference: Some of these funds are actually offshoots of the late Osama bin Laden's construction company.

These funds were laundered through the now defunct Riggs Bank in Washington D.C. into offshore CIA proprietaries in the Cayman Islands and then actually placed in the accounts of these political New World Order stooges through on-shore firms, like General Electric NBC and Bear Stearns.

Note: Bear Stearns, which is now broke, was linked to American Insurance Group (AIG) and PRE 9/11 put options placed on the New York and Chicago financial exchanges 72 hours before the September 11th attacks.

POLITICAL WHORE ALERT

Do not be fooled by the potential presidential candidacy of Khazarian Jew and current New York Mayor Michael Bloomberg.

Bloomberg, a 9/11 co-conspirator, has covered up the American International Group (insurance/financial) Hank Greenberg's PRE 9/11 put option scam run through Bear Stearns on major insurance companies like Swiss and German ReInsurance.

Bloomberg is also covering up, not only for Bear Stearns and American Insurance Group (AIG), but also for the activities PRE-9/11 at the American-Turkish Council and the secret correspondence between Hank Greenberg, the American-Turkish Council and noted Khazarian Jew and war criminal, Henry Kissinger.

Note: It was the unelected Bushfraud that wanted to place Kissinger as the chairman of the so-called 9/11 Commission.

February 14, 2008 ... Celebi, a dual Turkish-U.S. citizen, was named as a MAJOR player in the MOSSAD-riddled 9/11 linked arms and narcotics counterfeiting racket run at the noted American-Turkish Council headquarters in Ankara, Turkey.

Celebi worked at the American-Turkish Cultural Alliance in Chicago, Illinois and also worked part-time at the Turkish Consulate in Chicago.

Sibel Edmonds, with the help of French Intelligence, intercepted conversations at the American-Turkish Council, which fingered Henry Kissinger and former British Prime Minister Tony Blair to known Al

Qaeda cells in Hamburg, Germany.

Reference: This terrorist cell is operated by known UNELECTABLE Hillary stooge and business partner EVA TELEGE aka TELEKE aka TELEKI, who is a wanted suspect in the 7/7 London bombings.

Celebi's name was mentioned in some of the conversations that originated from the American-Turkish Council and the Turkish Consulate in Chicago.

Celebi seems to have been a bagman for various financial trading schemes linked to "put options" placed at Bear Stearns in Chicago just prior to 9/11.

Note: Celebi had been identified in 1999 by then Vice President Albert Gore Jr., along with Gore's national security adviser Leon Fuerth and Clinton Administration anti-terrorist point man Richard Clarke as being involved in Al Qaeda terrorist funding utilizing the American-Turkish Cultural Alliance and known Colombian cartel drug lord Carlos Lehder as co-conspirators (Hillary Clinton's brother Hugh Rodham was attorney for drug lord Lehder – then Governor Jeb Bush ILLEGALLY pardoned his co-conspirator Lehder).

Also mentioned with Celebi in the criminal referral, which was given to Clinton's Attorney General Janet Reno was East German DVD agent and UNELECTABLE Hillary Rodenhurst Clinton adviser EVA TELEGE aka TELEKE aka TELEKI.

Reference: TELEGE, an East German DVD agent, had infiltrated the Clinton White House and had become a major adviser to then First Lady Hillary Clinton on a project to build an Alabama toll bridge utilizing the funds of noted CIA proprietary account Marvelous Investments Ltd. in Andover, Massachusetts.

Thanks to the work of Gore, Fuerth and Clarke, and FBI investigation was initiated in regards to Celebi but later dropped as President Clinton, i.e. daddy Bush's little bitch, claimed that Celebi had immunity from prosecution given his status as a Central Intelligence Agency (CIA) operative.

This was all happening at the time that SERIAL RAPIST Bill Clinton and his Secretary of State Madeleine Albright aka Half-bright, allowed Osama bin Laden to escape termination, i.e. assassination, because both Clinton and Albright were afraid that killing bin Laden would immediately trigger billions of dollars laundered through Kosovo and Eastern Europe to be identified as CIA proprietary funds due Ambassador Leo Wanta.

...Speaking of insider trading, it can now be reported that NEW SMOKING GUN 9/11 EVIDENCE is in possession of Justice Department officials loyal to former Deputy Attorney General James Comey.

The new evidence ties Bear Stearns hedge funds and a German bank IKB to PRE-9/11 put options, i.e. short sales, placed on the Chicago Board of Options.

The conduit for this ILLEGAL trading was an offshoot of the Bear Stearns Hedge Fund tied to Deutsche Bank called "Rhineland Funding".

"Rhineland Funding" has links to the noted Bush-Clinton-Mitt Romney-CIA proprietary account in Andover, Massachusetts called Marvelous Investments Ltd.

Reference: Marvelous Investments Ltd. is headed by CEO and noted fugitive and wanted 7/7 London bombings TERRORIST suspect Eva TELEGE aka TELEKE aka TELEKI.

TELEGE aka TELEKE aka TELEKI has also been linked to the Al Qaeda 9/11 cell in Hamburg, Germany, with direct ties to the East German DVD-MOSSAD money laundering "Rhineland Funding".

AND NOW IT REALLY GETS WORSE!

"RHINELAND FUNDING" HAS BEEN FINGERED BY FBI WHISTLEBLOWER SYBIL EDMONDS AS HAVING DIRECT LINKS TO THE AMERICAN-TURKISH COUNCIL AND THE BUSH-CLINTON 9/11 TIED BEAR STEARNS HEDGE FUND THAT, ALONG WITH THE U.S. FEDERAL RESERVE, HAS LOOTED THE U.S. TREASURY.

October 7, 2008 Tom Heneghan

P.P.S. A massive ponzi scheme is now taking place inside the [privately owned] Federal Reserve linked to Wachovia, Wells Fargo and Citi Bank involving TRILLIONS of dollars of currency derivatives tied to Luxembourg and the Philippines.

A major Bush-Clinton Crime Family Syndicate brokerage firm called Alex Brown Securities, a division of none other than Deutsche Bank, is being used to launder Euro currency to various secret bank accounts in the nations of Luxembourg, Denmark and Sweden.

Alex Brown Securities is also the New York firm, which currently handles the account of both daddy Bush and his little bitch, Bill Clinton, involved in *alleged* hurricane relief, but is nothing more than a front for currency derivative fraud.

Note: It did not take daddy Bush's little bitch, Bill Clinton, long to start once again doing business with his '*handler*' daddy Bush, in fact only two months after his lesbian *in-the-closet* wife's defeat sociopath Clinton was back doing business with sociopath daddy Bush.

P.P.P.S. It was the FDIC that ruled Citi Bank has the legal authority to buy Wachovia.

It was only after Wells Fargo, an *alleged* solvent bank, received \$30 BILLION in 'bailout' money from the U.S. Treasury, did Wells Fargo make a new bid for Wachovia at the expense of Citi Bank's bid.

As we reported in a previous briefing, folks, Bushfraud and his criminal co-conspirators want to use Wells Fargo to hide and cover up the Deutsche Bank derivatives, which are linked to major *alleged* Al Qaeda terrorist cells operating in the German Republic who have major secret accounts at the Deutsche Bank.

The scam that Paulson, Bushfraud and Bernanke are trying to pull off, along with the compromised Internal Revenue Service, is to let Wells Fargo buy Wachovia Bank and then let Wachovia actually write off the outstanding fixed rate derivatives linked to Deutsche Bank.

December 12, 2012

It can now be reported that on the direct orders of the IMF (International Monetary Fund), the U.S. Provost Marshal, European INTERPOL and the German Police, all Deutsche Bank derivative-riddled proprietary accounts were frozen today on 12-12-12.

Item: The crooked U.S. Federal Reserve has now been totally neutralized by what took place in Europe today.

The announcement by Fed Chairman Bernard Bernanke of his program QE Infinity is not a stimulus but the continuation of a ponzi scheme to buy back toxic assets aka worthless mortgage-backed securities tied to major U.S. financial giants (gangster banks) and none other than their underwriter, the Nazi "Skull and Bones" Deutsche Bank.

P.S. Now that the Deutsche Bank has had their derivative accounts frozen there are really no derivatives outstanding for the crooked Fed to prop up.

Translation: QE4 is now Titanic5.

P.P.S. At this hour we can also divulge that gangster U.S. banks like Goldman Sachs and U.S. Bank are now totally exposed in new illegally cross-collateralized derivative positions aka written call options in crude oil and unleaded gasoline futures markets, which were designed to protect their already undermargined naked long positions in natural gas.

P.P.P.S. So, at this hour, the IMF and the U.S. Provost Marshal continue to order massive asset redemption and repatriation of collateralized assets aka precious and industrial metals.

Wanta-Reagan-Mitterrand Protocols
click on

<http://theglobalnewsandviews.com/lee-wanta-bio/introduction/>

In closing, we can now directly report that after the freezing of the Deutsche Bank proprietary accounts that took place today,

12-12-12, the IMF is now prepared to fully implement the Wanta-Reagan-Mitterrand Protocols with the Obama Administration absent.

July 10, 2014

It can now be reported that the NAZI German Deutsche Bank and the NAZI Paperclip NSA-controlled Adamus Group is over exposed in the amount of \$280 TRILLION of ass backwards foreign currency derivatives tied to insolvent Brazilian and Portuguese banks with the counter parties being Portuguese bank Espirito Santo, along with Bush-Clinton Crime Family Syndicate controlled Lippo Bank of Indonesia.

Note: The short end of the libor rate and the yield curve is inverting with derivatives about to go hybrid and a wrecking ball waiting.

P.S. The alleged spying of the Federal Republic of Germany was actually elements of the patriotic U.S. CIA monitoring the activities of the TREASONOUS German NAZI Paperclip NSA Bush-Clinton Crime Family Syndicate-controlled Deutsche Bank, which has been actively involved in massive money laundering and THEFT of U.S. Treasury funds with Adamus Group stooges Gordon Duff and Leo Wanta operating as bag men.

Note: NAZI-Commie Angela Merkel is a lifelong bag lady for the Deutsche Bank with links to the old Russian KGB, the current neo-NAZIS present in Germany, which is tied to Bush P-2 TREASONOUS NAZI CIA aka the NSA.

The good news tonight is the patriotic U.S. CIA is now striking back at the TREASONOUS NAZI filth; the code being "blood lust is blood libel."

In closing, we can now report that the patriotic CIA has supplied 'smoking gun' evidence to U.S. patriot New York Attorney General Eric Schneiderman that will place former U.S. President George Herbert Walker Bush, his fraudulent, treasonous homosexual son, war criminal George W. Bush FRAUD, the Bushes business partners NAZI lesbian, loser Hillary Rodenhurst Clinton and her sociopath husband Bill Clinton, and finally former Clinton era independent counsel Kenneth Starr in a federal detention center awaiting justice with due prejudice for **criminal HIGH TREASON against the American People involving the Lippo Bank.**

It is Still Lippo, Lippo, Lippo 07-13-2014

July 13, 2014

It can now be reported that Portuguese Bank Espirito Santo and its holding company Espirito Santo Financial Group remain insolvent with an inability to make payment on short term debt.

Note: Massive bank asset deleveraging will now escalate.

This lack of liquidity in the financial system will continue and spawn a worldwide financial virus that will contaminate the cross-collateralized banking derivatives on a global scale aka derivatives about to go hybrid.

Reference: Most of these bank derivatives are kept off balance sheet and parked in offshore bank holding companies and disguised as assets when they are, in truth, liabilities tied to life insurance premiums and credit card debt.

Translation: At this hour the bank holding companies are broke as are the banks, in other words, the pimp can't pay the prostitute.

Reference: Both Barclays Bank of England and the German NAZI Deutsche Bank are now counter parties to the holding companies.

This is the Jefferies Inc-PFG scenario all over again only this time on a global scale.

Message to CME Group: This time the derivatives are ass backwards.

P.S. We can now report that American patriot U.S. New York Attorney General Eric Schneiderman has completed the review of the old Lippo Bank files (Lippo Bank was sold to Swiss Asia in 2004).

Schneiderman now has evidence tying Multipolar Technology (a Lippo Bank spin off holding company) and the late Marc Rich's Glencore Commodities to massive NSA electronic and algorithm trading fraud on all worldwide financial exchanges.

This is all about a massive money laundry, which is used to rotate electronically, STOLEN U.S. Treasury funds in synthetic artificial derivatives on a nightly basis.

They call that a carousel.

In closing, New York Attorney General Eric Schneiderman has reopened the case involving the assassination of former Clinton era White House counsel Vince Foster.

Note: There are no statute of limitations on murder.

Schneiderman has connected the dots on Lippo Bank, the Bank of Israel and Glencore Commodities and the activities of the Bush-Clinton Crime Family Syndicate.

Note: Current Ambassador Leo Wanta and current Israeli Prime Minister Benjamin Netanyahu have been subpoenaed to testify before Schneiderman's New York Federal Grand Jury.

It is important to remember that in 1993 it was then Vice President Albert Gore Jr., now year 2000 duly elected President, along with then French President Francois Mitterrand, that tried to have Bush-Clinton

Crime Family Syndicate bagman Marc Rich arrested.

Finally, happy birthday to America's great ally of over 200 years, the Republic of France.

http://www.tomheneghanbriefings.com/It-is-Still-Lippo-Lippo-Lippo_07-13-2014.html

May 27, 2015

We can also divulge that the now liberated Obama Administration Department of Justice is ready **to accuse the CFTC of Obstruction of Justice and perjury in covering up the crimes of worldwide crooked banks and their offshore black market gambling casinos aka a massive consortium that can now be tied to worldwide narcotic trafficking and the NAZI Paperclip Bush-Clinton Crime Family Syndicate.**

Reference: The totally corrupt Clinton Foundation

The U.S. Department of Justice has now re-opened the file on NAZI Jeb Bush's illegal campaign contributions from South American drug trafficker Carlos Lehder, (illegally pardoned by then Florida Governor Jeb Bush) and none other than the German NAZI Deutsche Bank.

Question: Does privately-owned U.S. Federal Reserve Chairman Janet Yellen bet on soccer games?

At this hour the worldwide financial derivative market remains hybrid tied to and guess what: The nation of Greece, JPMorgan, Bank of America, Citibank, Deutsche Bank and the entire corrupt privately-owned, UN-Constitutional U.S. Federal Reserve.

UNITED States of America - It can now be reported that the U.S. Military Court for the District of Columbia, along with Acting Supreme Court Chief Justice J.T. Ellis III and now inaugurated United States President Albert Gore Jr. of Carthage, Tennessee have ordered alleged U.S. pResident Donald J. Trump aka Drumpf (original German family name) to immediately implement the Wanta-Reagan-Mitterrand Protocol Funds and return \$433 TRILLION to the U.S. and French Treasuries that have been embezzled and laundered by the U.S. criminal Bush-Clinton-CIA Crime Cartel for over thirty (30) years.

It is important to note that the Peoples Republic of China is due \$10 BILLION and commissions on the final implementation of the Protocols and an IMF (International Monetary Fund) audit has recently discovered that Trump, his crooked U.S. Treasury Secretary Steven Mnuchin, along with his Israeli Mossad agent son-in-law Jared Kushner, recently conspired with the outlaw Argo and Manna Trusts and British insurance company Lloyds of London in order to launder marked up bank derivatives using the \$10 BILLION due the Peoples Republic of China into private Trump family accounts headquartered at the German Nazi Deutsche Bank in Hamburg, Germany.

Year 2000 election stealer Jeb Bush-Scherff and Adolf Hitler's daughter, Angela Merkel, as well as current U.S. Secretary of State Mike Pompeo, all got kick backs.

At this hour, officials at the Deutsche Bank have revolted and in cooperation with European French INTERPOL have issued a 'Special Circumstance Notice' on the criminal activity of these private Trump-Drumpf and Argo and Manna Trusts accounts.

Item: It should be noted that the whole 'Tariff Trade War' involving the United States and China is just a policy by Trump-Drumpf and Mnuchin to keep China from getting their \$10 BILLION.

We can also divulge that now inaugurated United States President Albert Gore Jr. has ordered the immediate arrest of current U.S. FBI Director Christopher Wray in regards to criminal conspiracy to commit Obstruction of Justice in regards to the 9/11 Black Op attack on the United States and the transfer of Uranium One to the Russian Federation.

Wray has also been fingered, along with former FBI Director Comey, in a criminal conspiracy to cover up massive election fraud reference the year 2000 Bush-Scherff-P2-CIA presidential electoral coup d'état.

Note: Wray tried to keep evidence from the U.S. Military Tribunals reference British satellites hacking the U.S. NORAD defense system on the day of 9/11 enabling the 9/11 Black Op to proceed uninterrupted.

Wray also tried to interfere in the disclosure to the United States Military Court for the District of Columbia the full and complete presidential election year 2000 NORAD/NASA audit fully proving that Albert Gore Jr. of Carthage, Tennessee was the DULY ELECTED year 2000 President of the United States of America with over four (4) million popular votes and 324 Electoral College votes.

It is important to remember that current FBI Director Wray and former FBI Director Comey tried to classify the year 2000 presidential election audit as 'national security'.

Deutsche Bank exec who agreed Trump loans commits suicide ...

December 17, 2019

It can be reported that now inaugurated United States President Albert Gore Jr. of Carthage, Tennessee, has over 10,000 armored military divisions led by the Tennessee and Virginia U.S. Flag Officers that will soon enter Washington D.C., arrest de-certified Donald J. Trump-Drumpf, the treasonous United States Congress and absolutely decapitate the Nazi Paperclip controlled Bush-Scherff CIA, FBI and NSA.

This final decision by President Gore to end America's 21st century nightmare that began with the Bush P2 year 2000 CIA presidential electoral coup d'état comes on the heel of the U.S. Office of Naval Intelligence and the U.S. Military Court for the District of Columbia gathering even more new evidence of massive bribery and embezzlement committed by the Bush-Clinton-CIA Crime Cartel enabled by Wanta-Reagan-Mitterrand Protocol embezzler Michael C. Cottrell.

All of this is being covered up by Bush-Scherff U.S. Attorney General William 'Iran-Contra' Barr, Trump son-in-law Jared Kushner and the now de-certified pResident Deutsche Bank dick Donald J. Trump-

Drumpf.

The new evidence includes massive bribery of the Obama Administration by daddy Bush-Scherff (George Herbert Walker Bush) and Michael C. Cottrell himself.

Note: As we have reported in previous briefings Obama is now fully cooperating with now inaugurated United States President Albert Gore, U.S. Naval Intelligence and the U.S. Military Court for the District of Columbia.

The bribes were given to AIPAC stooge and crooked bank credit card company bagman former Vice President Joseph Biden, former U.S. Treasury Secretary Timothy Geithner, former U.S. Secretary of State John Kerry and Hillary Clinton, and former White House Chief of Staff Rahm Emanuel.

The bribes concerned protecting the Capital HIGH Treason crimes of junior George W. Bush FRAUD and former Vice pResident Dick Cheney that began with the year 2000 presidential election coup against now inaugurated President Gore and continued with the 9/11 'Reichstag Fire' black op attack on the American People, the War in Iraq based on a lie, the illegal heroin trade run out of Afghanistan, treasonous gestapo spying against the American People, blatant theft of the Wanta-Reagan-Mitterrand Protocol funds and destruction of the U.S. economy with Henry Paulson's fraudulent mortgage-backed securities and finally Bush FRAUD crooked bank bail out itself.

Naval Intelligence also has new evidence linking the Bush-Clinton-CIA Crime Cartel to a money laundry and embezzlement of Hurricane Katrina funds that were due the then ravished people of Louisiana that were not used to help the hurricane victims but laundered through a U.S. government trust company Cestuiquebie Trust.

This trust company, which has been used since 1933 to issue government birth certificates, was co-opted into laundering Katrina funds into the Clinton Foundation and the Bush-Scherff Deutsche Bank administered Delmarva Timber Trust.

We can also divulge that Naval Intelligence has new evidence linking the National Bank of Ukraine to a money laundry tied to alleged Al Qaeda, British Intelligence ISIS and the massive heroin narcotic trade operating in Afghanistan.

In closing, we can report that House Judiciary Chairman Jerrold Nadler spent his entire day at the U.S. Military Court for the District of Columbia in which Nadler handed over evidence and tape recorded conversations which dealt with massive bribes, blackmail and threats that various Democratic members of Congress have been receiving since the interview they did with Ambassador Leo Wanta.

Former Democratic Congressman Henry Waxman accompanied Nadler to the U.S. Military Court today in which Waxman presented evidence of the death threats and bribes received simultaneously from 'Deep State' Bush-Scherff CIA operatives who were blackmailing Waxman not to investigate pedophile Dick Cheney Halliburton corporation illegal arms trafficking tied to the Central Bank of Iraq along with Rhineland Funding and the Deutsche Bank.

We can also reveal that Ambassador Wanta had a 15 minute conversation today with both Wisconsin Governor Tony Evers and now inaugurated President Albert Gore Jr. concerning the death threats Evers is receiving from former Republican Governor Tommy Thompson, Bush Crime Family Bain Capital bagman U.S. Senator Mitt Romney (R-UT) and former New York Mayor closet homosexual 9/11 cover up artist Michael Bloomberg.

http://www.tomheneghanbriefings.com/PRESIDENT-GORE-READIES-FINAL-ORDER__12-17-2019.html

April 22, 2020

We can also divulge that now inaugurated United States President Gore has ordered the immediate arrest of German Chancellor Angela Merkel for allowing junior George W. Bush FRAUD, then U.S.

Treasury Secretary Henry 'Hank' Paulson to be let out of jail in Hamburg, Germany after Paulson was arrested by French European INTERPOL (traveling on a stolen Israeli passport given to him by 9/11 HIGH treason traitor Michael Chertoff) in March of 2007 for engaging in massive money laundering, counterfeiting and conspiracy to embezzle trillions of dollars of STOLEN Wanta-Reagan-Mitterrand Protocol funds (due the U.S. and French treasuries for over thirty (30) years) in direct conspiracy with Nazi German fake U.S. Colonel Dana Wilcox and his fraudulent Delmar Timber Trust.

Merkel had also been allowing the Nazi German Deutsche Bank to be used to launder STOLEN U.S. Treasury Wanta-Reagan-Mitterrand Protocol funds to be transferred into private accounts at the Bank of England tied to JPMorgan Chase which represented STOLEN funds in the names of Bill and Hillary Clinton, along with the two Nazi Germans daddy Bush-Scherff and his punk son satanist and child rapist junior George W. BushFRAUD.

The accounts directly administered by the filthy queen of England were also tied to various members of both the Republican and Democratic parties.

At this hour now de-certified pResident Donald J. Trump-Drumpf (original family name) continues to conspire with Bush-Scherff Federal Reserve bank dick Michael C. Cottrell, U.S. Treasury Secretary 'Skull and Bones' Steven Mnuchin, soon to be arrested Angela Merkel and Nazi Colonel Dana Wilcox to launder Wanta-Reagan-Mitterrand Protocol funds and all get kickbacks at private accounts in the Deutsche Bank itself.

Major members of the Democratic and Republican Parties are also involved in the Deutsche Bank ponzi scheme, including U.S. Congressman Adam Schiff (D-CA), New York Governor Andrew Cuomo, closet homosexual U.S. Senator Mitch McConnell (R-KY), U.S. Senator James Inhofe (R-OK) as well as George W. BushFRAUD stooge, 'royal court' jew 9/11 cover up master Michael Bloomberg, former New York City mayor.

It should be noted that 'royal court' jew Schiff kept the Donald J. Trump-Drumpf Deutsche Bank money laundry records out of the Trump fake impeachment trial knowing that he would have to turn around and impeach himself.

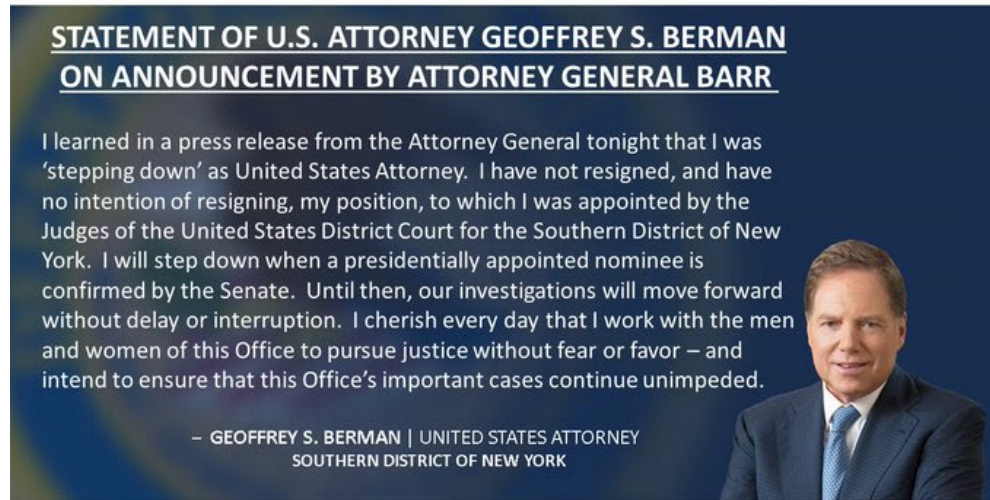

Child sex trafficking artist Cuomo just had a meeting with now de-certified Trump-Drumpf in the White House with both discussing on how they can continue the corona-gate 'psy op diversion' so as to continue lining their pockets with STOLEN U.S. Treasury funds.

U.S. Attorney Who Has Investigated Trump Associates Refuses to Resign

By [Daniel Politi](#)

June 20, 2020

Attorney General William Barr surprisingly [moved on Friday night to fire the top federal prosecutor in Manhattan, Geoffrey S. Berman, who has overseen several prosecutions of top allies of President Donald Trump and whose office has been investigating his personal lawyer, Rudolph Giuliani](#). But Berman refused to step down, launching a dramatically public standoff that raises fresh questions about Barr's willingness to put the Justice Department's historic independence from politics on the line [in order to benefit the president](#). The attempted ouster also appears to fall in line with recent moves by Trump to get rid of officials (usually late on Friday) who are not seen as fully loyal, such as when he fired a number of [agency watchdogs](#) over the past couple of weeks.

Around an hour after Barr said Berman was going to be leaving his post, Berman issued a defiant statement saying he learned of the news that he was "stepping down" via [a press release](#), making clear he had no plans to go anywhere right away. "I have not resigned, and have no intention of resigning, my position, to which I was appointed by the Judges of the United States District Court for the Southern District of New York. I will step down when a presidentially appointed nominee is confirmed by the Senate," [Berman said](#). "Until then, our investigations will move forward without delay or interruption."

Berman has led the office that has been at the center of several key investigations related to Trump associates. His office was the one that led the prosecution of Trump's former personal lawyer, Michael Cohen. Berman also oversaw the prosecution of Giuliani associates Lev Parnas and Igor Fruman, who have been charged with federal campaign finance violations. And Berman was fired shortly after word that former National Security adviser John Bolton wrote in his book that Trump tried to get involved in an investigation overseen by Berman's office into a Turkish bank.

In his press release, Barr had said that Trump would nominate Jay Clayton, the current chairman of the Securities and Exchange Commission to take over the position held by Berman. While the Senate considers the

nomination, Barr said, Craig Carpenito, **who is the U.S. Attorney for the District of New Jersey, will serve as the Acting U.S. Attorney for the Southern District of New York starting on July 3.** It is unclear whether that can actually happen. Berman was not confirmed by the Senate. He was appointed interim U.S. attorney in Manhattan in 2018 and Trump never formally sent his nomination to the Senate. **The formal appointment was later made by the judges of the district court and the law that allows that to happen states that he can remain in the position until it is filled.**

Clayton has never served as a prosecutor and is not a litigator, two key characteristics that are usually seen as requirements to hold such a prominent U.S. attorney position. In fact, if he is confirmed, Clayton would be **the first non-prosecutor to lead the Southern District of New York.** It seems personal friendships played a role in the appointment. Barr and Clayton have reportedly known each other for years and Clayton was planning to leave his current role to go back to New York. Clayton reportedly told Barr about his interest in the job and Barr agreed.

Reacting to the news, Senate Democratic leader Chuck Schumer (D-NY) said "This late Friday night dismissal **reeks of potential corruption of the legal process.**"

SDNY was pursuing several probes of the president's business and his inaugural committee. It was

also investigating Rudy Giuliani, an outspoken Trump supporter, and charged two of Giuliani's associates. In his congressional testimony, Trump's former lawyer Michael Cohen, whose conviction on campaign finance violations and other charges was secured by SDNY prosecutors, said he was cooperating with them on matters he couldn't discuss. -Bloomberg

According to a *NYT* anonymous source that cannot be verified, President Trump has been unhappy with Berman since he went after Cohen, and has been discussing Berman's removal with a small group of advisers for some time.

In a surprising move that inevitably will be denounced by President Trump's political opponents as another "Friday Night Massacre", the DoJ just announced that Geoffrey Berman, the US attorney for the southern district of New York, will soon depart.

For those who aren't familiar, Clayton is the same man who almost allowed Hertz and its creditors [to sell hundreds of millions of dollars of stock to unsuspecting Robinhood day traders](#) trying to flip their stimulus checks for quick cash with nary a word from the SEC.

But even more extraordinary than his handling of the Hertz situation is Clayton's decision to allow Tesla CEO Elon Musk walk away from a dispute with the SEC in which the CEO flagrantly and blithely violated basic securities regulations involving disclosures of material information to the public ([remember "funding secured?"](#) and the tedious legal melodrama that ensued in which Musk, in full blown tantrum mode, was repeatedly appeased by government regulators seemingly robbed of all willingness to hold him accountable).

Indeed, the news elicited some late-breaking chuckles on twitter.

Attorney General William P. Barr on the Nomination of Jay Clayton to Serve as U.S. Attorney for the Southern District of New York

Attorney General William P. Barr has released the following statement:

"I am pleased to announce that President Trump intends to nominate Jay Clayton, currently the Chairman of the Securities and Exchange Commission, to serve as the next United States Attorney for the Southern District of New York. For the past three years, Jay has been an extraordinarily successful SEC Chairman, overseeing efforts to modernize regulation of the capital markets, protect Main Street investors, enhance American competitiveness, and address challenges ranging from cybersecurity issues to the COVID-19 pandemic. His management experience and expertise in financial regulation give him an ideal background to lead the United States Attorney's Office for the Southern District of New York, and he will be a worthy successor to the many historic figures who have held that post. On behalf of the President, I thank Jay for accepting this nomination, and I look forward to working with him soon.

On my recommendation, the President has appointed Craig Carpenito, currently the United States Attorney for the District of New Jersey, to serve as the Acting United States Attorney for the Southern District of New York, while the Senate is considering Jay Clayton's nomination. This appointment will be effective July 3, and Craig will work closely with the outgoing United States Attorney to ensure a smooth transition. I thank Craig for his continued service and for taking on this important interim responsibility.

Finally, I thank Geoffrey Berman, who is stepping down after two-and-a-half years of service as United States Attorney for the Southern District of New York. With tenacity and savvy, Geoff has done an excellent job leading one of our nation's most significant U.S. Attorney's Offices, achieving many successes on consequential civil and criminal matters. I appreciate his service to the Department of Justice and our nation, and I wish him well in the future."
