U.S. Military Flag Officers Ready to Declare "National Emergency"

by Tom Heneghan, International Intelligence Expert

DEFENDERS OF THE U.S. CONSTITUTION

UNITED STATES of America - It can now be reported that a major confrontation inside the U.S. Military is under way, which ties in to a major struggle over the legitimacy and line of succession to the U.S. Presidency.

Over 50% of the U.S. Military is completely enraged by the LOOTING of the U.S. Treasury, the destruction of the U.S. economy inflicted upon the American People by what is commonly referred to as the Bush-Clinton Crime Family Syndicate.

U.S. Flag Officers are now in possession of evidence showing that former *illegal* White House occupant George W. BushFRAUD, along with his co-conspirator former British Prime Minister Anthony Blair, blatantly LIED both the United States and Great Britain into the illegal, TREASONOUS war in Iraq, the Flag Officers are also in possession of actual text messages from both the New York City Police Department, as well as NORAD, showing that the 9/11 attacks on New York City and the Pentagon were a criminal conspiracy reaching the highest level of the U. S. government.

UPDATE V817167**

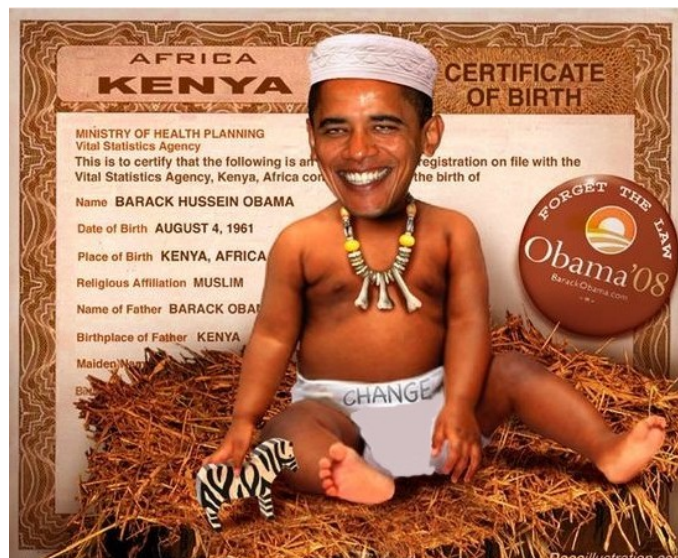

Chicago Elk Grove router AVSEGVW1 is down.

Ameritech and AT&T investigating problem with T1.

Issue has been escalated to third level support, NetOps monitoring.

Next update with status change. More info Phil X5601

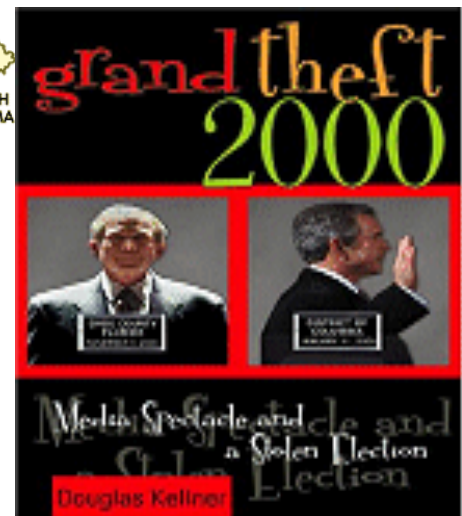

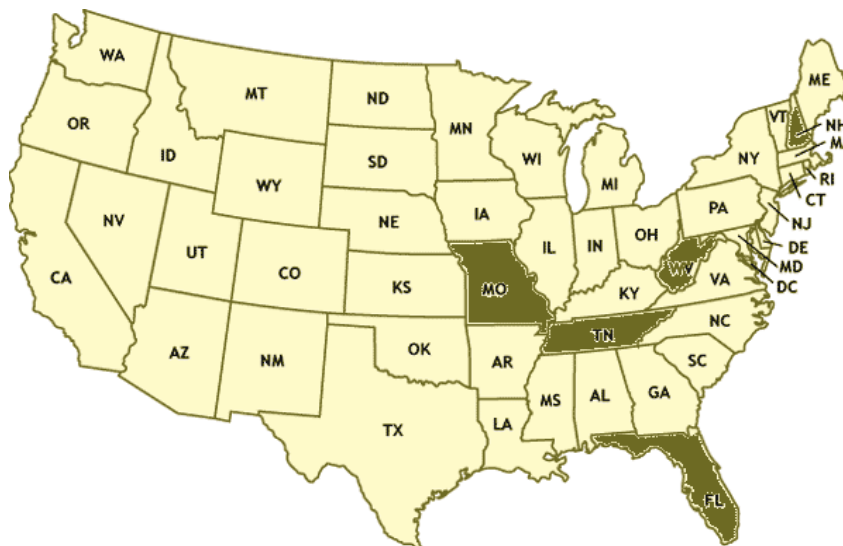

Note: The text message, which has received the most attention of the U.S. Flag Officers, proves that United Airlines routing system headquartered in Elk Grove Village, Illinois was shut down on 9/11 on direct orders of both the Pentagon and NORAD as to accommodate the BLACK OP ATTACK ON AMERICA and allow the hijacked aircraft to be under the command of remote control from a SECRET joint U.S.-British air base in the province of Ontario, Canada.

The U.S. Flag Officers are now in possession of 'SMOKING GUN' evidence that proves that alleged President Barack Obama was born in the foreign nation of Kenya and accordingly NOT ELIGIBLE to hold the office of U.S. President.

What this means, folks, is that the year 2008 presidential election is NULL and VOID.

The U.S. Flag Officers are now ready to go public with the NASA space agency codes and computer cards that were used in the satellite THEFT of the year 2000 presidential election which involved blatant TREASONOUS electronic vote manipulation in the states of West Virginia, Missouri, New Hampshire, Tennessee and, of course, the state of Florida.

The states of Florida, West Virginia, Missouri, New Hampshire and Tennessee were electronically stolen through the use of NASA electronic satellite election codes that corrupted the Voter News Service

**Albert Gore Jr.
Year 2000 duly elected *natural born* REAL
President of the United States**

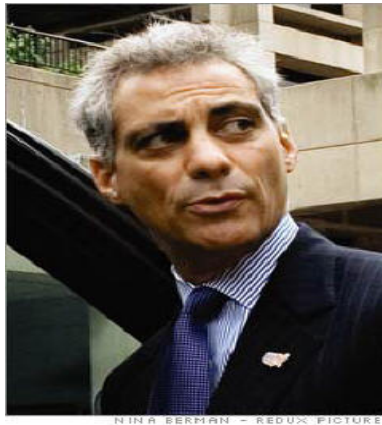

The facts are now clear, without any shadow of a doubt, that then Vice President Albert Gore Jr., now year 2000 duly elected President Albert Gore Jr. won the year 2000 presidential election by over THREE (3) MILLION popular votes and had a clear majority in the Electoral College.

The patriotic U.S. Flag Officers, including some that have returned from overseas, are prepared to declare a "NATIONAL EMERGENCY" before Christmas.

They are convinced that the United States of America faces financial ruin, political anarchy and even revolution if they do not act to RESTORE THE CONSTITUTION OF THE UNITED STATES IMMEDIATELY.

These patriotic U.S. Flag Officers are prepared to arrest the entire Bush-Clinton Family Syndicate blood line, along with *foreign born* President Barack Obama as well as his White House Chief of Staff, Israeli Mossad agent Rahm Emanuel.

Note: Emanuel is currently in charge of Israeli Mossad assassination teams present on U.S. soil with direct ties to the NAZI FBI Division 5 headquartered in Denver, Colorado.

at a state dinner at the White House on Tuesday** *AP*

Reference: Mossad agent Emanuel recently compromised the U.S. Secret Service reference to a recent State dinner for Barack Obama. Emanuel allowed an uninvited couple linked to massive credit card debt and fraud, Michaela and Tareq Salahi, to enter the White House state dinner illegally.

We can now divulge that Rahm Emanuel is a personal friend of Michaela and Tareq Salahi who were in possession of *secret* banking account numbers and codes tied to secret accounts tied to George Herbert Walker Bush in the Caribbean.

We can also report that Michaela and Tareq Salahi had intelligence agency contacts and were not just reality TV show actors.

Note: Former Federal Reserve Chairman Alan Greenspan is already under house arrest.

George Herbert Walker Bush and his 5th degree witch wife, Barbara

We can now also divulge that elements of the U.S. Military may have already begun to act given the recent shoot out at Fort Hood, Texas and a yet unconfirmed report that former President George Herbert Walker Bush and his 5th degree witch wife, Barbara Bush, have been hospitalized after being rushed to a Houston, Texas hospital with symptoms of food poisoning.

Note: Other sources close to this reporter have been reporting that both Bill Clinton aka daddy Bush's little bitch, and his wife, dysfunctional Secretary of State, *loser* and lesbian *in-the-closet* Hillary Rodenhurst Clinton, are currently suffering from fatal diseases.

P.S. As the Constitutional crisis deepens, predictably the corporate-controlled, fascist, extortion friendly U.S. media has launched a smear campaign against duly elected President Albert Gore Jr. and his campaign against global warming

[the U.S. media has ignored the 'SMOKING GUN' evidence about the LIES concerning BushFRAUD's *illegal* and TREASONOUS war in Iraq and the deceptions concerning 9/11 that have recently been revealed in the British inquiry into the role of soon-to-be imprisoned former British Prime Minister Anthony Blair].

The attacks against Gore have been led by the known neocon-run Washington Post, as well as CNN, Rupert Murdoch Greenberg's FOX News and various internet FBI Division 5 assets, including Matt Drudge aka Israeli Mossad asset Dreht, and FBI Division 5 informant Alex Jones and FBI Division 5 asset, internet mogul Jeff Rense.

The financial backing for this smear operation is, of course, linked to the state of Colorado and the FBI Division 5 run Aspen Institute.

Coordinating this operation is a known Bush Family and Republican party operative and bagman known as Maurice Strong.

Strong had major links to the Neil Bush Silverado Savings and Loan.

Reference: We can now divulge that FBI Division 5 informant Alex Jones, along with his main reporter Luke Rudkowski, have been tied to a major embezzlement of donations for New York City Firefighters who suffered 9/11 injuries.

Alex Jones and Luke Rudkowski

Both Jones and his Zionist stooge Rudkowski laundered these funds through the Aspen Institute in Colorado.

We can now also reveal that Luke Rudkowski's organization "We are Change" is a known FBI Division 5 *cointelpro* operation funded with laundered funds that were originally donated to the 9/11 New York City Firefighters.

The FBI Division 5 front "We are Change" whose headquarters is none other than Denver, Colorado, also financially supports the noted FBI Division 5 asset and internet mogul Jeff Rense.

Item: Rense recently crossed the line of all decency when he posted a Dees illustration on his internet site suggesting that duly elected President Albert Gore Jr. be tasered (a physical threat).

Alex Jones and Timothy (Tim) White and Jeff Rense

We can now also reveal that both Alex Jones and Jeff Rense are personal friends of known FBI Division 5 stooge Timothy (Tim) White, who is currently hiding out in the Burnaby area of Vancouver, British Columbia, Canada given that there are outstanding warrants for his arrest for numerous email death threats made against former Vice President now duly elected President Albert Gore Jr.

Remember, folks, the corporate-controlled, fascist, extortion friendly Washington Post is directly tied to FBI Division 5, with its editor and chief Bob Woodward a known enabler of the Bush-Clinton Crime Family Syndicate, and its main political reporter, extortion friendly reporter Eugene Robinson.

Eugene Robinson, center
Bill O'Leary/Washington Post

Robinson is a known blackmailer and extortionist when it comes to keeping known Washington D.C. political and media types in the control box.

Robinson was also a frequent client at Democratic Congressman Barney Frank's whorehouse during the 1980s.

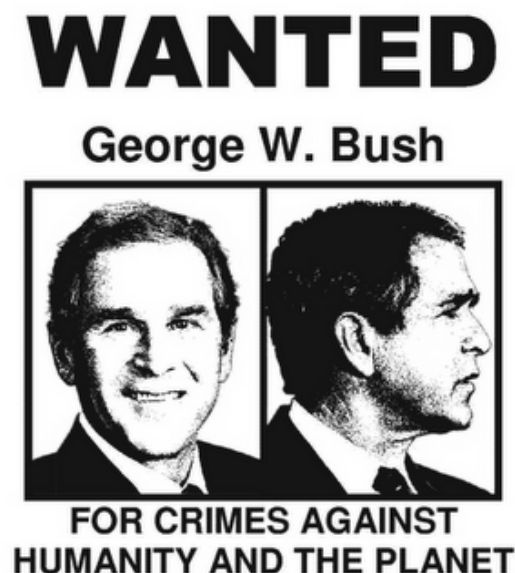

Sen. James Inhofe (R-OK)

A major political type on the FBI Division 5 payroll is current Republican Senator from Oklahoma, James Inhofe.

Inhofe, an archenemy of duly elected President Albert Gore Jr., has been tied to a major 9/11 cover up reference airplane tickets that were printed at the University of Oklahoma library for most of the alleged 9/11 hijackers.

It was columnist Daniel Pearl that had been investigating this scandal before he was murdered aka decapitated by U.S. CIA assets posing as alleged Al Qaeda.

Scumbag Inhofe, who plans to attend the Copenhagen Global Warming conference and harass duly elected President Albert Gore Jr., is a close associate and partner-in-crime when it comes to the 9/11 Oklahoma library cover up with University of Oklahoma President, homosexual *in-the-closet* David Boren.

The recent attacks against Al Gore are clearly an attempt to prevent the U.S. Flag Officers from returning the U.S. to Constitutional Rule that would begin with former Vice President, now year 2000 duly elected President Albert Gore Jr. finally being inaugurated eight (8) plus years after the **BushFRAUD U.S. Supreme Court 'Gang of Five' coup d'état that set the stage for the *illegal* entry of nation wrecking, election stealing, Constitution shredding, cocaine snorting, U.S. Treasury embezzling, homosexual *in-the-closet*, **AWOL**, war criminal George W. BushFRAUD's *illegal* presence in the White House.**

Final note: Stay tuned for our next intelligence briefing, which will give full details of the collapse of the known Dubai World financial hedge fund in the United Arab Emirates (UAE) that occurred last Friday.

We can tell you that this hedge fund is tied to TRILLIONS of dollars of Citibank, Barclays Bank and Federal Reserve Bank of New York commercial real estate derivatives that once again threaten to collapse the entire world banking system.

"Those who make peaceful revolution impossible will make violent revolution inevitable."

John F. Kennedy in a speech at the White House, 1962
35th president of US 1961-1963 (1917 - 1963)

IN CONGRESS, July 4, 1776

The unanimous Declaration of the thirteen united States of America
...But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security...

The Enemy Within

A nation can survive its fools, and even the ambitious. **But it cannot survive treason from within.** An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist.
