**U.S. Military Orders FBI to Trigger Criminal Investigation  
Against Lehman Brothers and  
American International Group Inc.(AIG)**

**by Tom Heneghan, International Intelligence Expert**

**United States of America – It can now be reported that the United States Joint Chiefs of Staff ordered the Federal Bureau of Investigation (FBI) to begin a criminal investigation of Freddie Mac, Fannie Mae, Lehman Brothers and American International Group Inc. (AIG).**

**This investigation was triggered when high level Admirals in the U.S. Navy became aware of “smoking gun” evidence of SECRET offshore accounts established for the members of the Bush-Clinton Crime Family Syndicate.**

**Evidence is now available showing American International Group Inc.(AIG) and mega Israeli Mossad KHAZARIAN Jew Maurice (Hank) Greenberg conspired with former Federal Reserve Chairman Alan Greenspan to move money out of the U.S. Treasury to *alleged* set aside accounts for major U.S. political figures under the disguise and cloak of “national security proprietary account” wire transfers.**

**As we have reported to you folks in earlier briefings, Alan Greenspan, former Federal Reserve Chairman, is now cooperating with the Virginia National Security Court, which has identified the TREASON and criminality of the Bush-Clinton Crime Family Syndicate.**

**The STOLEN U.S. Treasury funds parked offshore actually represent fraudulent real estate transactions and cost overruns, which were then placed as *alleged* set asides, i.e. fraudulent commissions to the Bush-Clinton Crime Family Syndicate.**

**See account numbers below that deal with the STOLEN Treasury funds linked to the Bush-Clinton gang.**

**P.S. The account numbers originally appeared last night on Christopher Story's worldreports.org website.**

**Story, who has major links to British Intelligence, clearly decided it was time to "out" the Bush-Clinton Crime Family Syndicate and trigger what will eventually become a MAJOR criminal investigation of the entire U.S. Federal Reserve private banking system.**

**By doing this Christopher Story hopes to keep the Bank of England and other British SECRET proprietary accounts from being looked at in the initial stages of the inquiry.**

**It should be noted that this U.S. Treasury theft on a scale of unimaginable proportions dovetails back once again to the STOLEN and misappropriated Wanta-Reagan-Mitterrand Protocols whose funds have been misused, illegally traded and laundered for a period now of almost 15 years by the Bush-Clinton Crime Family Syndicate.**

**P.P.S. In examining these account numbers it is crystal clear that Jame Baker III, former Secretary of State to President George Herbert Walker Bush, and year 2000 Florida presidential election fixer and briber, has his name all over these accounts.**

**Baker, an attorney and formerly a member of the Carlyle Group, clearly was used as the bagman by the Bushes and Clintons for the purpose of U.S. Treasury theft and embezzlement.**

**The British monarchy (Royal family) knew of this activity for years and enabled it, even allowing the noted Choicepoint software used for year 2000 election fraud, to be tested and perfected on British soil in Liverpool, England.**

**Note: The Bush family has a direct ancestral bloodline to the German House of Hanover British Royal family.**

**Item: The Choicepoint software technology, which was tested not only in Boca Raton, Florida but on the soil of the United Kingdom, was used to purge over 30,000 legally registered African-Americans from the voter rolls in the year 2000 presidential election, which of course, kept these legally registered voters from exercising their Constitutional right to vote and enabling Bush and his brother Jeb to steal the election from then Vice President, now duly elected President Albert Gore Jr.**

**James Baker, along with Republican in the closet Theresa LePore and Miami Democratic Mayor Penelas, coordinated cash bribes to various Florida state election officials that ensured that a proper recount in the state of Florida could not occur, including allowing Republican Gestapo thugs to break into the Dade County, Florida election headquarters and stop the recount in Nazi-like fashion.**

**Now folks, when you look at these accounts listed below you are going to see the name "Chelsea" appear frequently.**

**Example: Account number 4236025 AIGGRE INDIA CHELSEA I LLC.**

**Chelsea represents Chelsea Clinton, the daughter of ex-President Bill Clinton and LOSER Hillary Rodenhurst Clinton, who of course, are the life long business partners of the Bushes.**

**Both Clintons, lifelong CIA assets and business partners of the Bush cabal, are clearly co-conspirators of year 2000 presidential election fixer James Baker in U.S. Treasury theft and massive embezzlement of U.S. Taxpayers funds.**

**P.P.P.S. At this time, it is only CNN that has reported that this FBI investigation has been ordered. NBC General Electric and its cable affiliates have not. Could it be that is because General Electric has a tie in to an India power plant and criminal theft of the U.S. Treasury, i.e. account number: 436025 AIGGRE INDIA CHELSEA I LLC?**

**General Electric investment in a nuclear power plant in India dealt with laundered funds through a CHINESE financial institution, the Bank of Hong Kong linked to "Sherwood Investments".**

Sherwood Investments was underwritten by the Bank of Hong Kong. The Bank of Hong Kong holds countless derivatives from General Electric which are now worthless.

The question is: Can the bank pay its electric bill.

**It should be noted that FOX News' Rupert Murdoch Greenberg also has participated in the overseas fraud with tie ins to account number: 3357067 AIG GLOBAL REAL ESTATE SHANGHAI MARKETING AND ASSET MANAGEMENT CORPORATION.**

**This, of course, has a major tie in to the British Intelligence "Sherwood Investments" headquartered in the Bahamas.**

**Final note: Call CNN (202) 898-7900 and first congratulate them for finally doing some good reporting, but also ask them why they are allowing a U.S. Treasury thief, i.e. daddy Bush's little bitch, Bill Clinton, to appear on Larry King Live tomorrow. It might be in our interest to call the U.S. Marshal Service and tell them they can arrest Clinton when he walks into the CNN studios.**

**As far as Bushfraud is concerned rumors have it that he is planning to escape to Paraguay before or after his term expires to avoid massive prosecutions for HIGH Treason against the American People.**

**The timing of Bush's departure may depend on how soon the U.S. Military orders U.S. Marshals to arrest the Commander and THIEF, sexual deviate Bushfraud.**

**He is a sociopath in the White House who may trigger anything at this point including FALSE FLAG terrorist attacks on American soil for the purpose of playing his last and the only card he has left in his deck, that card being martial law.**

**At this hour folks pray for our nation. Remember the words of the state of New Hampshire license plate "Live free or Die".**

## **THE LATEST FALSE PROSPECTUS FROM 'PAULSON'S' TREASURY**

### **'PAULSON' SCHEME TEARS UP THE U.S. CONSTITUTION, LEGITIMISING FINANCIAL FRAUD**

### **IT'S AS THOUGH THE ORGANIZED CRIME CONTROL ACT OF 1970 DOESN'T EXIST**

### **A U.S. 'COUP D'ETAT BY INSTALLMENTS', LIKE GERMANY IN 1933**

by Christopher Story

-snip-

Entities such as the AIG Delaware corporations shown here represent improperly audited CIA and 'Black Ops' enterprises to which securitised assets such as those reviewed above, might be on-sold. An immense amount of 'smoking gun' information along similar lines is available to be mined; and relentless exposure of such fraudulent finance activities must accompany wholesale reform of the system, for example along the lines proposed by Michael C. Cottrell, B.A., M.S., and reposted on this website on 18th September 2008, if the Republic is to stand even a slight chance of ever hoping to redeem its tarnished reputation with the Rest of the World:
