U.S. Military Ready to Pivot Hillary Quarantined Obama Faces Arrest

by Tom Heneghan, International Intelligence Expert

Foreign born alleged President Barack Obama

UNITED STATES of America - It can now be reported that the U.S. Joint Chiefs of Staff are on the verge of declaring a 'national emergency' as to preempt a "MARTIAL LAW" decree that is currently being prepared by *foreign born* alleged President Barack Obama.

The "Martial Law" decree is being scripted to coincide with a *second* wave of lethal avian flu, H1N1, which has been kept incubated by nanotechnology since its original outbreak.

The Bush-Clinton Crime Family Syndicate, along with its corporate-controlled fascist media, and Federal Reserve enablers, are now being cornered by at least seven (7) States "Common Law" Grand Juries, along with *secret* military tribunals, that are now in possession of **overwhelming evidence of HIGH Treason by U.S. Government officials of both political parties dating back to the late 1980s.**

TRAITORS AND ENEMIES AGAINST THE AMERICAN PEOPLE

Dysfunctional U.S. Secretary of State *loser* Hillary Rodenhurst Clinton and the Bush-Clinton Crime Family Syndicate controlled NSA

We can now divulge that current dysfunctional U.S. Secretary of State, *loser* and lesbian *in-the-closet* Hillary Rodenhurst Clinton has been fingered by the U.S. Joint Chiefs of Staff for conducting an *illegal* NSA-sponsored State Department ESPIONAGE operation, which tapped the phones and monitored the emails of all of Hillary's defined political enemies.

Department of Justice sources are reporting that Hillary, along with former Secretary of State under the Clinton Administration, Madeleine Albright aka *halfbright* have been caught *illegally* tapping the phone of Obama Administration and former Clinton Administration State Department official Richard Holbrooke.

Holbrooke had been in communication with former Vice President, now year 2000 duly elected, *natural born* President Albert Gore Jr. about negotiating the release of two Gore employees aka journalists Euna Lee and Laura Ling that work for Gore's company Current TV.

Current TV co-founders Al Gore and Joel Hyatt San Francisco-based Current TV was awarded an Emmy for creative achievement in interactive television

The two Current TV journalists were illegally kidnapped by North Korean border police while still on Chinese territory.

CONSPIRATORS

Madeleine Albright, Hillary Clinton, Melanne Verveer

Item: It was Hillary's own State Department stooges, along with her chief aide Melanne Verveer, and former Secretary of State Madeleine Albright aka halfbright, that tipped off North Korean officials about the presence of the two Current TV journalists near the Chinese-North Korean border.

Current TV journalists Euna Lee and Laura Ling had been working on a major story implicating the Bush-Clinton Crime Family Syndicate's role in *illegally* arming North Korea with uranium that was then used to produce nuclear weapons.

TRAITORS IN TREASON AGAINST THE AMERICAN PEOPLE
Hillary Clinton, George Herbert Walker Bush, Donald Rumsfeld

The two Current TV journalists were also working on evidence implicating Hillary and her criminal business associate George Herbert Walker Bush, along with former BushFRAUD Administration Secretary of Defense Donald Rumsfeld, in operating a quadrangular illegal arms trafficking operation involving Iraq, Iran, Israel and the government of North Korea.

If that is not bad enough, the two Current TV journalists had also received 'smoking gun' evidence from the Swedish Diplomatic core implicating the Bush-Clinton Crime Family Syndicate, along with former Federal Reserve Chairman Alan Greenspan in transferring Federal Reserve plates from China to North Korea and then operating an illegal trading platform that produced counterfeit U.S. dollars and EURO currency.

Reference: U.S. Treasury officials have also fingered Hillary and White House legal counsel "Skull and Bones" Greg Craig in trying to bribe North Korean government officials, reference the release of the two Current TV journalists, utilizing a \$134.5 BILLION of U.S. Treasury bearer bonds that two Japanese employees of the Bank of Japan were in possession of at the time they were recently arrested by Italian police near the Italy-Swiss border.

The bonds linked to STOLEN U.S. Treasury funds were to be placed in a secret Swiss UBS account tied to North Korean government officials and former BushFRAUD U.S. Secretary of State Donald Rumsfeld.

Note: Hillary, along with Albright aka halfbright, had then planned on the release of the two Current TV journalists to use an illegal CIA rendition flight to fly the journalists to Cairo, Egypt where they would be interrogated, coerced and even tortured into keeping their mouth shut and staying silent concerning the criminal role of the Bush-Clinton Crime Family Syndicate and its TREASONOUS dealings with North Korea.

Item: The role of Albright in Hillary's espionage team should come as no surprise given the fact that Albright ran a *super secret* entity known as ISTO aka the International Strategic and Tactical Organization, which has previously been reported as being involved in coups and assassinations primarily in Africa during the 1990s.

Albright has also been linked, along with loser Hillary, to the assassination of John F. Kennedy Jr. and the attempted assassination of then Vice President, now year 2000 duly elected natural born President Albert Gore Jr.

At this hour we can also divulge that Barack Obama's National Security Advisor, U.S. General James Jones (who ordered Obama to place Hillary under quasi house arrest) has warned *foreign born* alleged President Obama that he too faces arrest if he continues to enable White House legal counsel "Skull and Bones" and Bush-Clinton Crime Family Syndicate stooge Greg Craig.

Craig, whose wife is tax cheat, is in daily communications with former President George Herbert Walker Bush, along with Craig's '*handler*' former year 2004 Democratic presidential nominee George W. BushFRAUD's northeastern liberal patsy and Bush's 3rd cousin on the Forbes side, Hofjuden John "Skull and Bones" Kerry Cohen.

Craig, daddy Bush, along with Kerry Cohen, continue to conspire to block the implementation of the known Wanta-Reagan-Mitterrand Protocols that, of course, would return TRILLIONS of dollars to the U.S. Treasury and allow a high speed rail project to create thousands of jobs in the United States.

Note: Kerry Cohen, who received a massive year 2004 election bribe (for being BushFRAUD's year 2004 patsy) derived from the *illegal* use of the Wanta-Reagan-Mitterrand Protocol funds, is still receiving installment payments from a *secret* offshore Cayman Islands Blackstone hedge fund account, administered by current White House legal counsel "Skull and Bones" Greg Craig.

Reference: It is important to remember, folks, that this scumbag Craig was Cuban Elian Gonzalez's attorney during the year 2000 anti-Al Gore corporate-controlled fascist media Florida election psyop directed against then Vice President now year 2000 duly elected, *natural born* President Albert Gore.

And now, of course, it gets worse!

Obama's National Security Advisor General Jones also confronted *foreign born* alleged President Obama about a recent **TREASONOUS** conversation Obama had with former illegal White House occupant George W. Bush **FRAUD** concerning the use of the conspiratorial criminally-operated Federal Reserve to cover up and hide **TRILLIONS** of dollars of Merrill Lynch-Deutsche Bank toxic derivatives and *illegally* park them in offshore hedge funds tied to Blackstone and Carlyle.

Note: We can also report that Bank of America CEO Ken Lewis is being blackmailed and threatened in regards to deposits made by his Bank of American customers.

Check deposits are not posted in a regular time period but held for up to two weeks even though the check has already cleared the counterparty bank. These deposits are held in a *secret* offshore escrow account controlled by the conspiratorial U.S. Federal Reserve, and *illegally* used to buy and manipulate EURO dollar futures as to orchestrate the yield curve in an attempt to keep short term interest rates as close to 0% as possible.

The two frauds aka Bush and Obama (one was never legally elected, the other never eligible to be elected) also discussed with their stooge, current U.S. Attorney General Eric Holder, a cover up plan to hide the criminal activity of former BushFRAUD U.S. Treasury Secretary Hank Paulson and current Obama U.S. Treasury Secretary Timothy Geithner in threatening and blackmailing Bank of America CEO Ken Lewis in regards to the forced take over and buy out of Merrill Lynch by Bank of America in December of 2008.

Note: Obama, who just the other day had a special White House meeting with German Chancellor Angela Merkel, is currently being blackmailed by Merkel concerning Merkel's knowledge of *the secret George Herbert Walker Bush accounts at the noted East German DVD Deutsche Bank.*

The *secret* accounts represent STOLEN U.S. Treasury funds that were sent to the Deutsche Bank on the instructions of former U.S. Federal Reserve Chairman, criminal money launderer Alan Greenspan.

Merkel is also threatening Obama that she will write off the Deutsche Bank derivatives, withdraw from the European Union and begin the issuing of Deutsche marks.

This is all happening while French President Nicolas Sarkozy has told Merkel that France, a member of the European Union, will NOT absorb the cost of the Bush-Clinton Crime Family Syndicate-Deutsche Bank derivatives and has also confronted Merkel on her role with former BushFRAUD U.S. Treasury Secretary Henry (Hank) Paulson in using the Deutsche Bank derivatives to destroy Lehman Brothers and almost bring down the French banking giant Société Générale.

U.S. General James Jones

French President Sarkozy, who is working with Obama's National Security Advisor General James Jones, has also confronted the East German DVD agent Angela Merkel concerning the role of East German DVD Intelligence in the laser technology take down of the Air France Flight 447 flying from Rio de Janeiro to Paris.

Note: The failure of the sensors on the Air France Airbus took place at the time of the laser attack and caused the aircraft to disintegrate.

Previous Air France aircraft have had problems with their sensors but not one of these problems led to a fatal crash.

French President Sarkozy and U.S. General James Jones are now convinced that the Air France Flight 447 was shot down and that twenty-five (25) joint U.S.-French Intelligence agents, who had documented proof in their possession of the East German DVD link and financial support for Israeli Mossad infiltrated Al Qaeda cells in South America aka Buenos Aires and Rio de Janeiro, were assassinated!

Note: French President Sarkozy and his French Military are now enraged, and *only* through the high level diplomatic work of U.S. General James Jones, was Sarkozy kept from ordering a massive French Mirage aerial bombardment of the East German DVD terrorist headquarters in Hamburg, Germany.

Note: U.S. General James Jones speaks fluent French.

Reference: This is the same Hamburg, Germany terrorist cell code named "Becker" that has been linked to the Oklahoma City bombing, 9/11 and the 7/7 London bombings, along with known Hillary Rodenhurst Clinton confidant, check bouncer, counterfeiter and 7/7 London bombings terrorist suspect, fugitive Eva Teleke aka Telege aka Teleki.

P.S. At this hour, Obama continues to enable the destruction of the United States Constitution as he and the TREASONOUS Gestapo Department of Homeland Security are preparing legislation that would destroy the 2nd Amendment to the Constitution.

Constitution of the United States
Bill of Rights

Amendment II

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

The legislation would require that ALL gun buyers be registered in a Washington, D.C. data base that would be located at the TREASONOUS Gestapo Department of Homeland Security.

This legislation is being promoted by none other than Obama White House Chief of Staff and Israeli Mossad agent Rahm Emanuel.

Constitution of the United States

Bill of Rights

Amendment I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

Amendment IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Obama is also seeking to destroy both the First Amendment and the Fourth Amendment as he seeks to expand NSA cyber power over the internet, which will allow the TREASONOUS NSA to monitor ALL domestic e-mail conversations inside the United States using the UN-Constitutional Patriot Act as its enabling tool.

This, of course, folks, is another attempt by the necon filth to use the *alleged* 'war on terror' to conduct a war AGAINST the American People.

Again, there is NO 'war on terror', there IS a war AGAINST the American People and their sacred Constitutional rights!

Enabling this proposed legislation that would continue the destruction of the U.S. Constitution is none other than White House legal counsel and Bush-Clinton Crime Family Syndicate puppet, Greg Craig.

Again, Craig has acted a pseudo defense lawyer for former illegal occupant George W. Bush FRAUD in all cases dealing with the *illegal* NSA espionage directed AGAINST the American People.

Message to Craig: The common law grand juries will soon indict you!

Listen to this, folks. Obama is considering appointing Republican Congressman Tom Davis (R-VA), as his cyber security czar. Davis is a confidant of former U.S. President George Herbert Walker Bush and was directly linked to former Clinton era Independent Counsel and UN-registered lobbyist for the RED Chinese government, Kenneth Starr.

P.P.S. We can now reveal that Bush-Clinton Crime Family Syndicate cover up artist, U.S. Attorney for the Northern District of Illinois, TRAITOR Patrick Fitzgerald, is threatening to arrest internet bloggers who are critical of him and soon will conduct a libel suit against author Peter Lance who is writing a book that will un-mask and finger Fitzgerald for what he is, a stooge and puppet for the Bush-Clinton Crime Family Syndicate.

Author Peter Lance will reveal in his book that Fitzgerald is a *closet* homosexual who visited Barney Frank's noted Washington D.C. whorehouse on at least five (5) occasions and engaged in HOT homosexual sex with Barney Frank, also with former BushFRAUD White House male prostitute Jeff Gannon and current NBC News correspondent Chuck Todd.

Note: Before he became a NBC White House correspondent, Chuck Todd at one time did some good work. He is now an enabler and just spends his time commenting on process, nuance and irrelevant spin.

(Barney Frank)

Fitzgerald was actually arrested by the FBI at Barney Frank's D.C. whorehouse during an FBI sting "Operation Brownstone" in the late 1980s. Fitzgerald then cooperated with the FBI in fingering Barney Frank and was soon appointed as Assistant U.S. Attorney in New York City during the Reagan-Bush Administration.

Message to U.S. Attorney Patrick Fitzgerald:

The FBI still has the videos of your *closet* activities at Barney Frank's D.C. whorehouse.

Could it be that the common law grand juries will indict YOU for Obstruction of Justice and Misprision of Felonies!

**TRAITOR IN TREASON AGAINST THE AMERICAN PEOPLE
BUSH-CLINTON CRIME FAMILY SYNDICATE CONSPIRATORS
Worldwide financial terrorist George Herbert Walker Bush and
his bagman, South Carolina Governor Mark Sanford**

P.P.P.S. We can now report that current South Carolina Governor Sanford Mark Sanford actually flew from South Carolina to Ottawa, Canada and to Buenos Aires, Argentina.

Sanford met in Ottawa with Canadian Intelligence operatives who are specialists in black ops and then on to Buenos Aires, Argentina where Sanford operated as a representative and bagman for former U.S. President George Herbert Walker Bush aka daddy Bush and former Russian President Vladimir Putin.

Sanford was collecting pay offs and bribe money that would be doled out to a "MK Ultra" group that has a tie in to Halliburton Corporation, former BushFRAUD Vice pResident Richard Cheney and the election psyop that recently took place in Iran.

The MK Ultra group involves mercenaries and former Saddam Hussein Iraqi loyalists who were co-opted by the U.S. CIA and then used to infiltrate the Iranian election commission.

It is no coincidence that major East German DVD-Israeli Mossad Al Qaeda cells operate in Buenos Aires, Argentina, the city where the first bomb threat against Air France aircraft originated, and

the *same* Buenos Aires where Sanford went to collect the money.

So, folks, if you believe this South Carolina Governor Sanford flew Argentina to get laid, then you also believe that Lee Harvey Oswald acted alone in the assassination of President John F. Kennedy.

Remember, folks, when the corporate-controlled fascist media needs to create a diversion and spin a big lie in regards to an event they immediately opt for the sex scandal.

This has been the pattern dating back to Clinton.

Final note: Story developing.

As the corporate-controlled fascist U.S. media continues its wall to wall coverage concerning the death of celebrity pop star Michael Jackson, let us make a few little points.

Michael Jackson's doctor was actually administering the noted King of Pop with electronic shock therapy that just started in the last three week.

Michael Jackson and his financial advisors were also in the process of suing Robert Johnson's Black Entertainment Television (BET) for copyright violations.

Robert Johnson, founder of BET (r), Hillary Rodenhurst Clinton

Note: BET has been linked to MILLIONS of dollars of funds tied to Mexican narcotic trafficking dovetailing back to the Clinton-Salinas Mexican bail out of the early 1990s that turned out to be nothing more than the THEFT of U.S. Treasury funds and on behalf of Clinton and Salinas.

Michael Jackson's financial team had also been considering the purchase of the Las Vegas hotel, the Desert Inn, which is owned by none other than Bush-Clinton Crime Family Syndicate stooge Steve Wynn.

We can now reveal that the Desert Inn, as well as other major Las Vegas hotels have been financed in the last 15 years by funds derived from the Clinton-Salinas Mexican bail out, which now represents the Mexican and Colombian drug cartel run by none other than Colombian drug lord Carlos Enrique Lehder.

Carlos Lehder conceived the idea of transporting loads of cocaine from Colombia to the United States.

AP/Wide World

drug lord Carlos Lehder (L), his attorney Hugh Rodham, Hillary Clinton's brother

Lehder, who was also linked to the year 2000 Florida presidential election coup d'état, was *illegally* pardoned by his criminal partner, former Florida Governor, year 2000 election fixer, money launderer and drug trafficker Jeb Bush.

**TRAITOR IN TREASON AGAINST THE AMERICAN PEOPLE

Colombian drug lord Carlos Lehder, along with Oliver North, is actually Jeb Bush's drug trafficking partner headquartered at Pier 66 in Miami, Florida.

The Enemy Within

A nation can survive its fools, and even the ambitious. **But it cannot survive treason from within.** An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murder is less to fear ~ Cicero Marcus Tullius

Thomas Jefferson, greatest of all the founding fathers:

"The two enemies of the people are criminals and government, so let us tie the second down with the chains of the Constitution so the second will not become the legalized version of the first."

"When the people fear their government, there is tyranny; when the government fears the people, there is liberty."
