**United States of America – Let us now consider the financial crisis and the second phase of the panic bailout. This dovetails to the pending Citibank-J.P. Morgan-Smith Barney merger talks.**

**Item: We now connect the dots, folks, in the criminal money laundering box.**

**Back in February of 2008, then New York Governor Eliot Spitzer, in one of his last acts as Governor of New York, warned about the impending crisis created by predatory lending and revealed that the Bush Administration was blocking efforts to deal with it.**

**His extraordinary warning in the Washington Post is worth quoting at some length.**

Then New York Governor Eliot Spitzer

**Note: Eliot Spitzer submitted his oped to the Washington Post on February 13, 2008. If it had an impact, it was not the one Spitzer had hoped for.**

**Predatory Lenders' Partner in Crime**

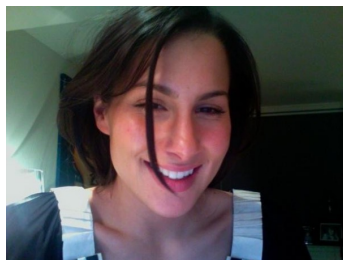

How the Bush Administration Stopped the States From Stepping In to Help Consumers

*By Eliot Spitzer*

**It was on February 14, 2008, that Spitzer's oped went up on the Washington Post website and federal agents staked out his Washington, D.C. Mayflower Hotel, Room 222.**

**On March 10<sup>th</sup> the New York Times then broke the story of Spitzer's encounter with a prostitute.**

**We can now divulge that the call girl in question, Ashely Dupre, was well placed as Spitzer's hooker by the Israeli Mossad.**

**This all connects back to the murder of the noted D.C. Madam.**

**It is not remarkable that the corporate media filth found Spitzer's private life to be big news but *not* his charges that Bushfraud and Treasury Secretary Henry Paulson were prolonging the financial crisis and the relation of these charges to what Spitzer was trying to expose and put an end to.**

### **CONSPIRATORIAL TRAITORS**

Robert Rubin, George Herbert Walker Bush *Getty*

**Reference: Spitzer was ready to have former Clinton Administration U.S. Secretary Robert Rubin indicted on money laundry schemes that Rubin and former U.S. President George Herbert Walker Bush were involved with at Citibank, including the DIRECT theft of the noted Wanta-Reagan-Mitterrand Protocol funds that were ILLEGALLY wire transferred to private, secret accounts in Haifa and Tel Aviv, Israel utilizing J.P. Morgan and Bernard Madoff's Israeli Discount Bank.**

**Note: Former Governor Eliot Spitzer is Jewish and was trying to do the right thing for the American People.**

**And, of course, it gets worse!**

**The Bushfraud Administration looked the other way and did nothing to protect American homeowners.**

**In order to accommodate the Bernard Madoff New York state money laundry scheme, the Bushfraud Administration decided to align itself with banks that were looting the American People, including Citibank, J.P. Morgan Chase and the noted Bernard Madoff Israeli Discount Bank.**

**Several state legislatures, including New York state, on the urging of Governor Spitzer began to enact laws curbing such practices.**

**The Bushfraud Administration then began an unprecedented campaign to prevent states from protecting their residents from an outlaw federal government that was turning a blind eye.**

**The occupation Bushfraud Administration accomplished this fete through an obscure U.S. Treasury federal agency called the Office of the Comptroller of the Currency (OCC).**

**For 140 years the OCC examined the books of national banks to assure they were balanced.**

**However, under the Bushfraud Administration, for the first time in history, the OCC was used as a tool against consumers.**

**In 2003, during the height of the predatory lending crisis, the OCC invoked a clause from the 1863 National Bank Act preempting all state predatory lending laws.**

**Note: Bushfraud actually used the ILLEGAL, TREASONOUS Patriot Act to issue his decree against the states.**

**All 50 state Attorney Generals and banking superintendents actively fought the new rules.**

**Bushfraud then went further and had his criminal soon-to-be indicted U.S. Attorney General Alberto Gonzalez proceed with a federal lawsuit against the states aka racial discrimination in the practice of lending.**

**Item: Bushfraud and his criminal U.S. Attorney General were using a federal lawsuit as a method to obstruct justice in the matter of Bernard Madoff's continuing looting and embezzlement of state pension funds and continuing the U.S. Treasury and Federal Reserve practice of using the Wanta-Reagan-Mitterrand Protocol funds in this unbelievable ponzi scheme!**

**CONSPIRATORIAL TRAITORS**

Robert Rubin and Hillary Clinton

**P.S. Assisting the Madoff cabal in this New York state money laundry ponzi scheme is none other than Bush-Clinton Crime Family Syndicate partner-in-crime, current New York U.S. Senator and president-elect Barack Obama's U.S. Secretary of State designate, loser and lesbian in-the-closet Hillary Rodenhurst Clinton.**

**Also tied to obstruction of justice in this ponzi scheme is current New York Democratic Congressman Steve Israel.**

**Note: The corporate-controlled media filth have actually proposed Israel as a senatorial candidate to replace loser Hillary Clinton.**

**Now you see, folks, why the Mossad-dominated media filth oppose Caroline Kennedy since she is not a crook and will not tolerate this criminal New York Federal Reserve ponzi scheme.**

**Question: Could it be that CNN, (202) 898-7900, and former Vice Presidential candidate Sarah Palin are trying to attack Caroline Kennedy so they can get a Madoff bailout from New York state?**

**It is laughable folks that CNN and the rest of the media filth now want to use Sarah Palin as a 'strawman' aka woman, to try to attack Caroline Kennedy from the back.**

**This is what you call a media psyop.**

**Just call CNN at (202) 898-7900 and tell them to cease and desist and that you have had it with their crap aka their anti-Catholic Caroline Kennedy smears.**

**P.P.S. At this hour, we can report the possibility of a False Flag nuclear incident in the Middle East to be orchestrated with an air burst disguised as a missile and blamed on Iran for the purpose of fostering a further escalation of Middle East war activities.**

**This is a precursor to *Operation Garden Plot* and the declaration of Martial Law in the United States.**

P.P.P.S. Stay tuned for our next briefing in which we will explore CIA Team B, which is **still controlled by George Herbert Walker Bush** and currently involved in **BRIBING president-elect Barack Obama for the purpose of covering up this criminal New York state ponzi scheme and effectively looting the U.S. Treasury funds and blocking the implementation of the Wanta-Reagan-Mitterrand Protocols.**

**Note: CIA Team B orchestrated the failure of the Desert One rescue attempt by the Carter Administration of hostages held in Iran before the 1980 presidential election.**

**CIA Team B also participated in the Choicepoint software electronic voter fraud that helped STEAL the Electoral College votes of Florida and Tennessee in the year 2000 presidential election from then Vice President, now non-inaugurated duly elected President Albert Gore Jr.**

George Herbert Walker Bush, Barack Obama, George W. Bushfraud

**Final note: At this hour, is president-elect Barack Obama on the same page as White House occupant George W. Bushfraud in reference to the Wanta-Reagan-Mitterrand Protocol funds?**

**Message to president-elect Obama: It is time to stand up for the American People, NOW! We know you can do it.**

**Remember, folks, to call your Congressmen at (202) 224-3121 and tell them you want full disclosure and total accountability and that you will NOT bailout the New York Federal Reserve or the 9/11 linked Bernard Madoff money laundry American International Group (AIG).**

**We live free or die as we continue to identify the enemies of the American Republic and the 2nd American Revolution in the 21st Century and eradicate them.**

**Overlord at Yorktown remains relentless and victorious.**

**Lafayette remains at Brandywine and Albert Gore Jr. remains the *REAL* President of the United States.**

**Non-inaugurated, duly elected President Albert Gore Jr.**
