HIGH TREASON CO-CONSPIRATORS

Obama and Bushfraud (*upper left AFP/Getty Images*, Obama and Hillary (*upper right*), Bushfraud and Greenspan (*lower*)

United States of America – It can now be reported that the forthcoming bankruptcy of Citigroup is a smokescreen to disguise the pending [*privately owned*] Federal Reserve embezzlement of the \$6.2 TRILLION owed the U.S., French and Chinese Treasuries.

Reference: These funds are the noted Wanta-Reagan-Mitterrand Protocol funds, which off and on have been parked in a Call account at Citi Bank.

Note: White House occupant Bushfraud has been in Peru in discussions with Chinese officials concerning the Protocol funds.

Bushfraud is now allowed to travel outside the United States after he was granted immunity from prosecution by Supreme Court Justice, year 2000 election fixer and co-conspirator, John Roberts.

Roberts has used the UN-Constitutional Patriot Act to grant immunity to Bushfraud and transactional immunity to Bush Family business partners, the Clintons.

The Protocol embezzlement plan includes co-conspirators president-elect Obama, George W. Bushfraud, U.S. Treasury Secretary and KHAZARIAN Jew Hank Paulson, former Federal Reserve Chairman and KHAZARIAN Jew Alan Greenspan, New York Federal Reserve Bank President Timothy Geithner, unelectable *loser* and lesbian *in-the-closet* KHAZARIAN Jew Hillary Rodenhurst Clinton and her sociopath husband, daddy Bush's little bitch, SERIAL RAPIST and AIDS positive Bill Clinton.

It is rumored that current [*privately owned*] Federal Reserve Chairman Ben Bernanke is balking at this embezzlement ponzi scheme given a secret meeting he recently attended here in the United States with French Finance Minister Christine Lagarde.

<http://cache.daylife.com/imageserve/02kw78l4m092i/610x.jpg>

The meeting between Bernanke and Lagarde included discussion of the extent of the criminally orchestrated [*privately owned*] Federal Reserve derivatives tied to the now bankrupt Bear Stearns hedge fund, the East German Stasi DVD Deutsche Bank and NBC General Electric.

<http://my2bucks.files.wordpress.com/2008/06/andrea-mitchell.jpg>

Item: You can see folks, it is laughable when KHAZARIAN Jew and NBC reporter Andrea Mitchell Greenspan aka Mrs. Federal Reserve, promotes KHAZARIAN Jew, U.S. TREASURY EMBEZZLER and Bush-Crime Family partner, TRAITOR Hillary Rodenhurst Clinton for the U.S. Secretary of State.

The [*privately owned*] Federal Reserve ponzi embezzlement scheme would allow the use of Protocol funds due the U.S. and French Taxpayers to be used on an *illegal* trading platform tied to the London Life Exchange, the Isle of Man and the Chicago Mercantile Exchange; and get this folks, trying to trade their way out of almost \$85 TRILLION of outstanding mortgage, currency, oil, gold and silver derivative debt, which threatens to collapse the entire world banking system.

Note: If you think Hank Paulson and Timothy Geithner are NOT capable of STEALING \$6.2 TRILLION and use these funds to ILLEGALLY trade or recover \$85 TRILLION worth of derivative debt, then you also believe that LOSER Hillary Clinton once traded cattle futures and took \$1,000 and some how made \$100,000 in a very short period of time.

Could it be folks, that both Paulson and Geithner now have Hillary's old Arkansas broker Robert L. "Red" Bone working for the [*privately owned*] Federal Reserve.

It later came out in the media that Hillary's \$100,000 cattle future profit was a BRIBE from Tyson Foods. Hillary traded the account under the guidance of James Blair, an attorney working as outside counsel to Tyson Foods Inc.

AND NOW, OF COURSE, IT GETS WORSE! YOU KNEW FOLKS IT WASN'T GOING TO GET BETTER.

The rogue [*privately owned*] Federal Reserve is also tied to \$TRILLIONS of naked short silver positions currently held by the Federal Reserve at the New York COMEX Exchange.

These ILLEGAL short positions were inherited by the [*privately owned*] Federal Reserve and the British owned J.P. Morgan Chase from the now bankrupt Bear Stearns hedge fund.

Reference: In a commodity transaction a buyer takes delivery and a seller makes delivery.

<http://www.generationaldynamics.com/ww2010/g080405c.jpg>

At this hour, both J.P. Morgan Chase and the *privately owned*, criminally compromised Federal Reserve do not have the silver in the vaults of the New York Federal Reserve Bank to make delivery on the silver should a Note of Delivery be sent to Timothy Geithner and the New York Federal Reserve Bank.

What makes this really a forthcoming train wreck is that the Bush-Clinton Crime Family Syndicate's Federal Reserve derivatives are tied to the Bank of England, the American Express Credit Card Company and the noted East German Stasi DVD Deutsche Bank.

The timeline for the current Federal Reserve embezzlement scheme of the U.S. Treasury, which plans to reconfigure the financial holdings of the Bush-Clinton Crime Family Syndicate, is scheduled to occur this coming Friday, the day after Thanksgiving.

Reference: The TREASON scheme is simple.

Let the [*privately owned*] Federal Reserve STEAL the Protocol funds, bankrupt Citigroup and then launder the Protocol funds through naked currency transactions utilizing the electronic trading platforms located on the London Life Exchange and the now outlaw Israeli Mossad-British Intelligence riddled Chicago Mercantile Exchange.

PATRIOT ACT

<http://www.philosophyblog.com.au/images/unconstitutional-the-movie1.jpg>

Note: Once again, the ILLEGAL UN-Constitutional Patriot Act will be used as a shield to disguise this TREASON.

[The UN-Constitutional Patriot Act has basically eliminated and made null and void the Constitution of the United States of America for the last seven (7) years.]

It is almost shocking and TREASONOUS when it is now clear that president-elect Obama, a British Intelligence asset, is for continuing the Patriot Act, and has already shown his TRUE COLORS in voting for the *illegal* \$780 BILLION 'bailout', and has signaled that he wants to continue the ILLEGAL spy program directed against the American People that was triggered by criminal CIA Director and former NSA Chieftan Michael Hayden.

It should come as no surprise that KHAZARIAN Jew, unelectable *loser* Hillary Rodenhurst Clinton recently visited Chicago to blackmail Obama regarding the U.S. Secretary of State position, and, accordingly, it should come as no further surprise that the Protocol embezzlement ponzi scheme comes this Friday, the day after Thanksgiving, the day KHAZARIAN Jew, TRAITOR and *loser* Hillary will be officially nominated for U.S. Secretary of State.

P.S. The recent collapse of Bushfraud's Attorney General KHAZARIAN Jew Michael Mukasey dovetails to new evidence currently sitting in the Bush Justice Department that deals with an Israeli Mossad-East German Stasi DVD-Russian KGB-Vatican Intelligence ring that fingers current Democratic Congressman Rahm Emanuel of Illinois, soon to be White House Chief of Staff, in orchestrating with convicted spy, TRAITOR Robert Hanssen, the blackmailing of the former Clinton White House in return for secret PROMIS software and NATO nuclear codes, with the assistance of the Communist government of China, made its way to Israel.

The new evidence of this massive espionage ring, which has been compiled by Special Counsel Patrick Fitzgerald, also fingers former Clinton White House National Security Advisor Sandy Berger, current U.S. Vice President, now indicted Dick Cheney, former U.S. Secretary of State Madeleine Albright aka Halfbright, former FBI Director Louis Freeh and none other than former First Lady, now Democratic Senator from New York and U.S. Secretary of State to be, *loser* Hillary Rodenhurst Clinton.

HOW DARE YOU, YOU CONSPIRATORIAL TYRANTS AND KINGS AND NOTABLE QUEENS!

November 20, 2008 -- Hanssen's confessions clued Opus Dei and Mossad in on his espionage for Moscow.
by Wayne Madsen

On November 10, 2008, WMR reported on the compromise to Israel's Mossad of the espionage being carried out on behalf of Moscow by former FBI counter-intelligence chief Robert Hanssen and how that information came to the attention of Bill Clinton's policy adviser Rahm Emanuel.

We reported: "WMR has learned that Hanssen also spied for Mossad at the same time he was spying for the Russians and that this information was known to Emanuel. WMR has learned that the FBI established that there was a relationship between Hanssen, a Chicago native whose father was a Chicago police officer, and Emanuel, also a native of Chicago.

P.P.S. As we well know, folks, there are no Statutes of Limitations on murder or TREASON.

Through the help of a friendly foreign intelligence agency, Special Counsel Fitzgerald recently received new evidence related to the assassination of President John F. Kennedy that took place 45 years ago today, on November 22, 1963.

The evidence is 'smoking gun' proof that shots were fired at the President from the front as well as the back.

Fitzgerald is now in possession of bullet and glass fragments that under went forensic testing showing that a bullet that hit President Kennedy's limousine windshield was fired from the front of the motorcade and came from automatic fire.

Fitzgerald is also in possession of evidence showing the Zapruder film was tampered with and that Lee Harvey Oswald alias Alex Hiedell, an I.D. card that Oswald carried with him on the day of the assassination, was supplied to him by the Israeli Mossad riddled British Permindeix Los Angeles Stamp and Stationery Company, with the assistance of John "Skull and Bones" Kerry Cohen's father, himself a British Intelligence agent, who then hired Ruth Payne as Lee Harvey Oswald's baby sitter.

<http://cache.daylife.com/imageserve/02pFe18d112Do/610x.jpg>

Note: It was none other than *loser* Hillary Clinton and former Republican Senator *closet* homosexual Fred Thompson of Tennessee, both Watergate attorneys during the Nixon impeachment trial, that covered up all of this evidence when it originally surfaced during the Nixon impeachment trial of the mid 1970s, when a tie in developed between Watergate burglars Lee Howard Hunt and Frank Sturgis, who were the two photographed bums present in Dealey Plaza the day of the assassination.

(Both Hunt and Sturgis worked for CIA daddy Bush and the British Perminex Los Angeles Stamp and Stationery Company).

<http://truthalliance.net/Portals/0/Archive/Community%20Article%20Images/300407tramps.jpg>

Newsweek magazine reported and printed photographs of three men resembling the young suspects, from left to right, James Files, Frank Sturgis and Howard Hunt, who were detained at the grassy knoll shortly after the assassination. The Newsweek article stated the official reports that the men were released and were only "railroad bums" who would find shelter sleeping in the boxcars of the trains located near the grassy knoll. According to Newsweek, the men were released without further inquiry.

Hunt and Sturgis used walkie-talkies to signal and commence the triangulation assassination of President Kennedy.

Both Hillary and Thompson covered up the fact that both Hunt and Sturgis, posing as tramps, had walkie-talkies on their person at the time of their arrest by the Dallas Police. Reference: None other than George Herbert Walker Bush was photographed outside the Texas School Book Depository on the day of the assassination.

JFK assassination: Secret Service Standdown

Watch as the two secret service men assigned to protect president Kennedy's motorcade are ordered to stand down just minutes before entering Dealey Plaza. They are obviously not happy about being given these orders.

http://www.youtube.com/watch?v=XY02Qkuc_f8

It can be further reported that daddy Bush, along with his deep cover CIA assistant, now Vice President of the United States Richard Cheney, actually coordinated with the Los Angeles Stamp and Stationery Company, Lee Harvey Oswald alias Alex Hiedell's I.D. card, which was eventually delivered from the U.S. Embassy in Mexico City to Oswald.

Hold onto your hats, folks, current Texas Willacy County District Attorney Juan Angel Guerra, the prosecutor who has secured a Grand Jury indictment of both Vice President Dick Cheney and former Bushfraud Attorney General Alberto Gonzalez, recently returned from Mexico City with evidence detailing at least five (5) trips made by both daddy Bush and Dick Cheney to the U.S. Embassy in Mexico City in the four months preceding the assassination of President Kennedy.

So you see, folks, there is a lot more to this Cheney indictment that is not being reported by the mass media.

In fact, the criminally compromised British Intelligence-Israeli Mossad riddled corporate controlled American TV media is not reporting the Cheney or Gonzalez indictment at all!

Is the U.S. on the brink?

Stay tuned for emergency briefings at any time as the American Republic hangs in the balance.

It is clear now 45 years later, after the assassination of President John F. Kennedy, we have never really left Dealey Plaza.

Final note to president-elect Obama:

Eric Holder (AP by Leslie E. Kossoff), Hillary Clinton

Were you aware that your U.S. Attorney General designate Eric Holder and your U.S. Secretary of State designate Hillary Clinton were involved in massive BRIBERY, along with Hillary's brother, Hugh Rodham, former Florida Governor Jeb Bush, Columbia drug lord Carlos Lehder, former daddy Bush Secretary of State James Baker as well as current Bush-Clinton Crime Family stooge and CNN security advisor aka crook Fran Townsend, in orchestrating massive BRIBES and payoffs that were tied to countless Clinton pardons, including the pardon of known Bush-Clinton Crime Family Syndicate bagman and fixer Marc Rich.

<http://thinkprogress.org/wp-content/uploads/2008/03/rovefran.jpg>

It should come as no surprise that Bush-Clinton Crime Family Syndicate stooge Fran Townsend defends Eric Holder on the Marc Rich pardon.

Did you know president-elect Obama that:

Carlos Lehder conceived the idea of transporting loads of cocaine from Colombia to the United States.

<http://media.npr.org/programs/atc/features/2007/apr/drugwars/timeline/lehder350.jpg>
<http://www.usdoj.gov/dea/pubs/history/73-1.gif>

Carlos Lehder, eventually pardoned by Jeb Bush, used his Colombia drug cartel to finance the Yang Enterprises, Bay Point Schools, NASA electronic theft of the year 2000 presidential election from then Vice President, now duly elected President Albert Gore Jr.

We are not sure, Obama, if you know or don't know, but it could be, at this hour, that it was not only the Israeli Mossad that were listening to your cell phone.

As of this hour we live free or die!

Special message to our greatest ally of 200 years, the Republic of France:

It is time for us all to conquer or die and proceed with the liberation of the American People before it is too late.
