United States of America – It can now be reported that National Guard Units from ALL fifty states of the United States have been placed on major alert to prepare for a forthcoming “Bank Holiday” that will be declared by the U.S. Treasury sometime early next week, on Tuesday or Wednesday.

This “Bank Holiday” will coincide with the closing of the U.S. Stock Market as the worldwide financial crisis deepens.

The likelihood of the November 2008 election taking place as scheduled is now a 1 in 10 possibility.

HIGH TREASON AGAINST THE AMERICAN PEOPLE

UN-elected occupant Bushfraud, who remains under house arrest in the District of Columbia, is now planning to implement the MARTIAL LAW decree that he and TREASONOUS Speaker of the House Nancy Pelosi *secretly* mapped out in the secret session of Congress two weeks ago that gave us the *alleged* "bailout plan".

The Bushfraud Administration is clearly fearing insurrection and civil unrest with an enraged American People ready to proceed with Revolutionary mode.

As promised in the previous briefings, we will now point out where the private *foreign* mercenary teams are located on American soil:

We urge PATRIOTIC members of the U. S. Military to immediately take them out.

P.S. The Virginia National Security Court, which Bushfraud wants to close down, has compiled evidence showing the UN-elected punk Bushfraud has paid MILLIONS of dollars of BRIBES to German Prime Minister Andrea Merkel in exchange for keeping secret the \$BILLIONS of STOLEN U. S. Treasury funds kept at the Deutsche Bank.

AND, OF COURSE, IT GETS WORSE!

It can be reported that daddy Bush has BILLIONS of dollars of STOLEN U. S. Treasury funds parked in his secret private accounts at the Deutsche Bank.

P.P.S. At least ten (10) assassinations of bank officials in Germany and World Bank employees have taken place in the last two weeks. All of the assassinations are linked to elements of the East German DVD and the rogue Bush-Clinton-Israeli Mossad-Gary Best "TRUE COLORS" assassination teams.

These murdered bank officers had a long-standing relationship with former [privately owned] U. S. Federal Reserve Chairman Alan Greenspan.

HIGH TREASON

Bush-Clinton Crime Family Syndicate conspirators

SEC Chairman Christopher Cox and Bushfraud and Tony Blair

P.P.P.S. As the SEC continues to obstruct justice in a widening criminal probe of the bankrupt Bear Stearns hedge fund, we can now divulge that criminal SEC Chairman Christopher Cox is covering up a massive money laundry and ILLEGAL trading ponzi scheme tied to Bush-Clinton Crime Family Syndicate, former British Prime Minister Tony Blair, and the use of banks in the nation of Iceland as a piggy bank.

As of this hour, the nation of Iceland has declared bankruptcy.

As reported in our previous intelligence briefing, Cox is also sitting on a major insider trading scam, which is linked to the collapse of the U.S. stock market last Thursday involving both Bill and Hillary Clinton, a British-owned hedge fund in the Cayman Islands, Alex Brown Securities of New York (a division of Deutsche Bank).

The individual who manages the hedge fund at Alex Brown Securities is none other than the daughter of Bill and Hillary, Chelsea Clinton.

Both daddy Bush's little bitch, SERIAL RAPIST and AIDS positive, Bill Clinton, and his unelectable *LOSER* wife, lesbian *in-the-closet* Hillary Rodenhurst Clinton,

made BILLIONS of dollars in *ILLEGAL* trading profits by short selling U.S. stocks in coordination with

U.S. Treasury Secretary Hank Paulson and the conspiratorial [*privately owned*] Federal Reserve on Thursday of this week.

What makes this so outlandish is that a computer-based trading platform, located in the Cayman Islands, utilizes sophisticated, upgraded PROMIS software technology, which allows the hedge fund to get a 3-second lead time on stock quotes.

What they call that, folks, is electronic front running, which by the way, the Bear Stearns hedge fund was guilty of but has been covered up by current criminal SEC Chairman Christopher Cox.
