**Ukraine Ponzi Scheme Exposed

[source](#) [source](#) [source](#) [source](#)

UNITED States of America - It can now be reported that the U.S. Military Court for the District of Columbia and now inaugurated United States President Albert Gore Jr. of Carthage, Tennessee are in full possession of Bush-Clinton Crime Family stooge and enabler Hillary Rodham Clinton's deleted emails from her private server, which fingers the mentally ill lesbian engaging in a criminal conspiracy with former Vice President, Israeli AIPAC stooge Joseph Biden, worldwide financial terrorist George Soros and none other than former junior George W. BushFRAUD Iraq War co-conspirator 'Deep State' whore, now MSNBC consultant Victoria Nuland.

The aforementioned parties conspired to stage an illegal pro-Nazi coup d'état in the nation of Ukraine as to engineer a takeover of the Ukrainian banking system in order to continue to launder Wanta-Reagan-Mitterrand Protocol funds

that have been **STOLEN** and **EMBEZZLED** for over thirty (30) years by the **Bush-Clinton-Obama Crime Cartel**.

The takeover of the Ukraine became a necessity when Russian President Vladimir Putin became aware that Russian mafiosa and oligarchs loyal to none other than Israeli Prime Minister Benjamin Netanyahu were actually laundering the funds (due the Russian Federation) based on President Reagan’s Executive Order 12333 through none other than the Moscow branch of the Nazi German Deutsche Bank.

It was then United States Ambassador to the Russian Federation Bill Brewer that was the bagman for this embezzlement and his activities actually triggered an IMF (International Monetary Fund) audit against not only Brewer but the Clinton Foundation as well as the Bush-Scherff Nazi German Dana Wilcox administered Delmar Timber Trust.

As you can see, folks, the entire insane foreign policy directed against the nation of Ukraine by these USA neocons was **ALL** about money.

At this hour we can also divulge that United States President Albert Gore Jr. has frozen all financial assets of major banks in Singapore aka DBS Bank of Singapore, along with the United Overseas Bank of Singapore.

These Singapore banks have been caught in the possession of over \$5 TRILLION in **STOLEN** U.S. Treasury funds that were recently **STOLEN** from the U.S. Treasury by JPMorgan Chase and known ‘Deep State’ financial bagman Michael C. Cottrell.

We can also divulge that now inaugurated United States President Albert Gore Jr. has ordered the immediate bombing of **Port-Menier, Quebec, Canada**, which has been identified as having underwater naval bases, which

include stealth Nazi German submarines and drones, including UFOs, which can be used at any time by the Shadow Government 'Deep State' Bush-Scherff elite to attack the American People and kill millions should they be brought to justice their massive Capital HIGH Treason Crimes they have committed against the American People.

Don't be fooled any Trump impeachment trial is nothing but a Clinton redux reality TV show circus trial.

The impeachment of Trump will be used as a disguise to hide the REAL crimes of Bush, Clinton and Obama while the massive LOOTING of the U.S. Treasury continues.

Again, it is important to remember, that our 21st century nightmare began with the Bush P2 year 2000 CIA electoral coup d'état that stole the presidential election from then U.S. Vice President Albert Gore Jr.

Remember, President Gore saved Leo Wanta's life and had he been inaugurated in 2001 as he should have been:

- over \$27.5 TRILLION would have been returned to the U.S. Treasury,
- there never would have been a 9/11,
- an Iraq War based on a lie,
- illegal spying on the American People, and

• a collapse of the American economy in which the criminal worldwide banking cartel with the assistance of misfit junior George W. Bush FRAUD LOOTED the American Taxpayers.

There will be a new day because Executive Emergency Provost Protocol Override remains totally operational and will be totally lethal.

Rep. Louis T. McFadden was the president of the Pennsylvania Bankers' Association (1914-15) and president of the First National Bank of Canton, Pennsylvania (1916-25). He had been Chairman of the House Banking and Currency Committee for over 10 years when he made this speech denouncing the Federal Reserve System.

"When the Federal Reserve act was passed, the people of the United States did not perceive that... the United States were to be lowered to the position of a coolie country which has nothing but raw materials and heavy goods for export; that Russia [China, India...] was destined to supply the man power and that this country was to supply financial power to an international superstate -- a superstate controlled by international bankers and international industrialists acting together to enslave the world for their own pleasure."

-- Rep. Louis T. McFadden, June 10, 1932

The Cause of the Problem

Mr. Chairman, at the present session of Congress we have been dealing with emergency situations [the economic depression --ed]. We have been dealing with the effect of things rather than with the cause of things. In this particular discussion I shall deal with some of the causes that lead up to these proposals. There are underlying principles which are responsible for conditions such as we have at the present time and I shall deal with one of these in particular which is tremendously important in the consideration that you are now giving to this bill.

Mr. Chairman, we have in this country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks. The Federal Reserve Board, a Government board, has cheated the Government of the United States and the people of the United States out of enough money to pay the national debt. The depredations and iniquities of the Federal Reserve Board has cost this country enough money to pay the national debt several times over. This evil institution has impoverished and ruined the people of the United States, has bankrupted itself, and has practically bankrupted our Government. It has done this through the defects of the law under which it operates, through the maladministration of that law by the Federal Reserve Board, and through the corrupt practices of the moneyed vultures who control it.

Some people think the Federal Reserve banks are United States Government institutions. They are not Government institutions. They are private credit monopolies which prey upon the people of the United States for the benefit of themselves and their foreign customers; foreign and domestic speculators and swindlers; and rich and predatory money lenders. In that dark crew of financial pirates there are those who would cut a man's throat to get a dollar out of his pocket; there are those who send money into States to buy votes to control our legislation; and there are those who maintain international propaganda for the purpose of deceiving us and of wheedling us into the granting of new concessions which will permit them to cover up their past misdeeds and set again in motion their gigantic train of crime.

These twelve private credit monopolies were deceitfully and disloyally foisted upon this country by the bankers who came here from Europe and repaid us for our hospitality by undermining our American institutions. Those bankers took money out of this country to finance Japan in a war against Russia. They created a reign of terror in Russia with our money in order to help that war along. They instigated the separate peace between Germany and Russia and thus drove a wedge between the Allies in the World War. They financed (Leon) Trotsky's passage from New York to Russia so that he might assist in the destruction of the Russian Empire. They fomented and instigated the Russian revolution and they placed a large fund of American dollars at Trotsky's disposal in one of their branch banks in Sweden so that through him Russian homes might be thoroughly broken up and Russian children flung far and wide from their natural protectors. They have since begun the breaking up of American homes and the dispersal of American children.

WWI hero General Smedley Butler, a United States Marine Corps major general, the highest rank authorized at that time, and at the time of his death the most decorated Marine in U.S. history - excerpts from his book “War is a Racket”

WAR is a racket. It always has been.

It is possibly the oldest, easily the most profitable, surely the most vicious. It is the only one international in scope. It is the only one in which the profits are reckoned in dollars and the losses in lives.

A racket is best described, I believe, as something that is not what it seems to the majority of the people. Only a small "inside" group knows what it is about. It is conducted for the benefit of the very few, at the expense of the very many. Out of war a few people make huge fortunes.

In the World War [I] a mere handful garnered the profits of the conflict. At least 21,000 new millionaires and billionaires were made in the United States during the World War. That many admitted their huge blood gains in their income tax returns. How many other war millionaires falsified their tax returns no one knows.

How many of these war millionaires shouldered a rifle? How many of them dug a trench? How many of them knew what it meant to go hungry in a rat-infested dug-out? How many of them spent sleepless, frightened nights, ducking shells and shrapnel and machine gun bullets? How many of them parried a bayonet thrust of an enemy? How many of them were wounded or killed in battle?

Out of war nations acquire additional territory, if they are victorious. They just take it. This newly acquired territory promptly is exploited by the few -- the selfsame few who wrung dollars out of blood in the war. The general public shoulders the bill.

...

The General Chemical Company averaged a profit for the three years before the war of a little over \$800,000 a year. Came the war, and the profits jumped to \$12,000,000. a leap of 1,400 per cent. International Nickel Company -- and you can't have a war without nickel -- showed an increase in profits from a mere average of \$4,000,000 a year to \$73,000,000 yearly.
