United States Descends Into Financial Anarchy

by Tom Heneghan, International Intelligence Expert

United States of America – Today we bring you a report from Christopher Story at www.worldreports.org, which signals a unification effort of major French-British-and patriotic American Intelligence Officials, who are dedicated to bringing down the remaining elements of the Bush-Clinton Crime Family Syndicate and full implementation of the Wanta-Reagan-Mitterrand Protocol funds, which is the only way out when it comes to saving the World economy, or what is left of it.

At this hour, French President Nicolas Sarkozy has been on the phone with U.S. President Barack Obama in regards to full implementation of these Protocols come Monday morning, January 26th.

I would like to make some important contributions and fill in the few blanks, which may have been left out in Christopher Story's report at the end of this intelligence briefing.

At this hour we can divulge that Acting Secretary of the U.S. Treasury, Stuart Levey, and Federal Reserve Chairman Bernard Bernanke, had the audacity to actually use elements of the UN-Constitutional Patriot Act to ignore a DIRECT order from President Barack Obama to move forward on final implementation of the Wanta-Reagan-Mitterrand Protocol funds.

The funds currently sit at Bank of America in New York City, with \$4.5 TRILLION in a "call account" aka cash.

What makes this TREASONOUS on the part of Bernanke and Levey is that, on Friday of last week, Bernanke actually claimed that the funds were missing from the account.

Now lets fill in the blanks, folks.

Financial TERRORISTS

Conspiratorial TRAITORS Against the American People
George Herbert Walker Bush and Bush-Clinton
Crime Family Syndicate partner Hillary Rodenhurst Clinton

Conspiratorial TRAITORS Against the American People
Stuart Levey, Bernard Bernanke, Christopher Cox, Henry Paulson

We can now report at 11:58 a.m. EST on Inauguration Day, January 20th, George Herbert Walker Bush, along with Stuart Levey, Bernard Bernanke, SEC Chairman Christopher Cox, then U.S. Secretary of State designate, loser and lesbian *in-the-closet* Hillary Rodenhurst Clinton, East German Stasi DVD and Israeli Mossad asset Dana Wilcox and outgoing U.S. Treasury Secretary Henry Paulson, arranged the **TREASONOUS THEFT** of **\$12.8 BILLION** tied to an illegal stock sale involving a diamond company called CMKM located in southern California near none other than a Bank of America.

Of course, the stolen funds, which were used to buy the stock, were originally a part of the Wanta-Reagan-Mitterrand Protocol funds.

The **STOLEN** funds were wired out at 11:58 a.m. EST to the Royal Bank of Canada in Toronto. Utilizing electronic **PROMIS** software, the funds were then moved quickly to a Bank of America branch in Tyler, Texas (903) 534-6400. Give them a call and tell them to give the American People back their money.

Assisting East German Stasi DVD and Israeli Mossad asset Colonel Dana Wilcox in these TREASONOUS wire transfers, was none other than known Bush-Clinton Crime Family Syndicate CIA asset, Gwendolyn Waymark.

The funds were moved from the Federal Reserve Bank of New York on to the Royal Bank of Canada and then forwarded to the Bank of America in Tyler, Texas.

Reference: This last minute criminal TREASONOUS THEFT explains why U.S. Supreme Court Chief Justice John Roberts delayed giving president-elect Barack Obama the Oath of Office until after 12:00 p.m. EST.

Note: Roberts, of course, was a noted fixer and bribe master tied to the year 2000 Florida election re-count aka the coup d'état against then Vice President, now duly elected year 2000 President Albert Gore Jr.

Since Obama was not officially inaugurated until the next day, on January 21st, the Bush-Clinton Crime Family Syndicate cabal may use the ILLEGAL, UN-Constitutional Patriot Act as their defense in this blatant TREASONOUS THEFT.

**How dare you, you conspiratorial tyrants
and kings and notable queens!**

We can also now divulge that both Bill and Hillary Clinton have gone berserk given their \$3.8 BILLION commission in this criminal theft from the U.S. Treasury has not yet shown up in the Bank of India in New Delhi.

The new U.S. Secretary of State, loser Hillary Rodenhurst Clinton, first phone call as U.S. Secretary of State was made to none other than *the Prime Minister of India*.

I know, folks, it is hard to believe all of this but we are dealing in an Alice in Wonderland times and one must look through the looking glass to perceive reality.

Now it gets worse, or it gets better depending on how you look at it!

All of this is happening while a Federal Judge in Washington, D.C. is ready to release two (2) sealed indictments against the current U.S. Secretary of State, loser Hillary Rodenhurst Clinton and former Clinton era Independent Counsel, Kenneth W. Starr.

The Grand Jury indictments versus Hillary issued in 1996 deal with a half a million dollar withdrawal from the Crozier Bank in Grenada.

The half a million dollar withdrawal was part of a slush fund account tied to a CIA-Israeli Mossad-East German Stasi DVD piggy bank that had direct ties to paymaster and bagman, noted East German Stasi DVD operative, Colonel Dana Wilcox, the previously mentioned Gwendolyn Waymark and former convicted TRAITOR and Israeli spy, Jonathan Pollard.

Then Senator Hillary Clinton raided the Crozier Bank in Grenada for a 2nd time in 2003, see related:

Sen. Clinton withdrew stolen funds from Grenada bank

**Hillary Rodenclinton Clinton organized the Israeli Mossad
assassination of Vince Foster**

**The other sealed indictment versus Secretary of State loser
and lesbian *in-the-closet* Hillary Rodenclinton Clinton,
issued by the Grand Jury itself, deals with the
assassination of former Clinton White House Legal Counsel
Vincent Foster.**

The indictment accuses Hillary of actually organizing the Israeli Mossad assassination team of medical doctors and then having Foster's body removed from the Saudi Embassy in Washington , D.C. where Foster was assassinated, and then taken to Fort Marcy Park where the body was moved twice before being placed next to a statue.

The other set of indictments still being held by the criminal co-conspirator Judge Royce Lamberth, deals with the indictment of Independent Counsel Kenneth Starr himself.

The Federal Grand Jury accused Starr of Misprision of Felonies and Obstruction of Justice.

Federal Judge Royce Lamberth

Note: We can also divulge now that Judge Lamberth has been indicted by a new Federal Grand Jury for sealing these indictments under a false statute involving national security.

All of this is happening with the cooperation and patriotic efforts of 9/11 Whistleblower and Office of Naval Intelligence Officer Lt. Vreeland.

You now see, folks, why former President Jimmy Carter failed to even recognize the presence of daddy Bush's little bitch, former President Bill Clinton, on Inauguration Day.

Back to the sealed indictments on Hillary and Starr.

Back in early 1997, when the Federal Grand Jury issued the indictments against Hillary and Starr, in just a matter of 48 hours Starr quickly tried to resign his position as Independent Counsel and go to Pepperdine University in California, while the Washington Post and its Naval Intelligence editor Bob Woodward immediately began a full scale bombardment of leaks and innuendos in an attempt to frame then Vice President, now duly elected year 2000 President Albert Gore Jr.. for allegedly making phone calls fro the wrong room in the White House.

This dovetails, folks, to what I have been telling you about the criminal media cabal that will nitpick and actually try to frame honest and straightforward politicians, like Al Gore and Caroline Kennedy, in an attempt to protect the massive criminal activity of the Bush-Clinton Crime Family Syndicate.

Bob Woodward remains a national security risk and needs to be removed from American soil and possibly taken to Guantanamo Bay where I can administer personal justice to this TRAITOROUS piece of filth.

Other developing stories to stay tuned for:

More on the death threats against Caroline Kennedy and the attempt to poison her uncle, Senator Ted Kennedy, aka too much salt on his food.

The tie in between the Bush-Clinton Katrina fund and ponzi scheme artist, Israeli Mossad asset Bernard Madoff.

The physical threat made by George Herbert Walker Bush against ex-President Ronald Reagan at Reagan's California ranch in 1989 reference missing money from the U.S. Treasury that ex-President Reagan and his beloved wife, Nancy, were alarmed about.

The pro KHAZARIAN Jew, Israeli Mossad asset and Hillary's girl, the new U.S. Senator of New York, Kirsten Gillibrand, who has actually lobbied for the Department of Homeland Security Secretary Michael Chertoff and known grease ball, former Republican Senator of New York, Al D'Amato.

The arrest of two Federal Reserve Bank of New York officials, Robert Armenta, Senior Compliance Officer, and Christopher J. McCurdy, Senior Vice President.

Rupert Murdoch Greenburg (*Getty Images*), Bernard Madoff (r)

Hint: The arrests deal with Bernard Madoff's ponzi scheme, the Bush-Clinton Crime Family Syndicate and none other than FOX News mogul Rupert Murdoch Greenberg.

It is American patriot Timothy Geithner that has fingered this filth, which has led to their arrests.

So you see, folks, why FOX News mouthpiece Sean Hannity (who has diarrhea of the mouth) is attacking Geithner and nitpicking him on some minuscule tax issues.

This again shows how the TREASONOUS U.S. media corporate filth tries to nitpick and frame honest American patriots in order to protect the massive Bush-Clinton Crime Family Syndicate cabal that has looted the United States.

OSWALD IN DOORWAY!

One hundred yards more and they would have reached the safety of an overpass. Then three shots rang out.

Connelly & Kennedy

Why is this SS officer grinning?

Note Johnsons Secret Service getting out of their car.

We will also bring you more on the \$8 BILLION bribe offered President Obama, including asking him to look the other way on new evidence that shows that the original Zapruder film, which was held by the TimeLife company in its vault in New York City for over six (6) years, was tampered with and altered by the Itek company out of Lexington, Massachusetts. This company was owned by Laurence Rockefeller.

Two critical frames of the Zapruder film were altered to conceal President Kennedy being shot from the front, not the rear.

Note: In 1975 CBS News presented a documentary on the Kennedy Assassination alleging President Kennedy was shot from the rear aka the Warren Commission Report, not the front. The evidence CBS anchor face Dan Rather aka Dan Blather used to defend the Warren Commission Report was none other than the Zapruder film that was altered by the Itek corporation.

Remember, there are no statutes of limitations on MURDER or HIGH TREASON.

Note: One can now clearly see why Caroline Kennedy was not acceptable as the new U.S. Senator from New York.

We can now see why the year 2000 election was STOLEN from then Vice President, now duly elected year 2000 President Albert Gore Jr.

Neither one are crooks or commit treason like this Bush-Clinton Crime Family Syndicate TRAITOR cabal.

And, lets not forget, all of this has been enabled by the KHAZARIAN Jew-Israeli Mossad controlled TREASONOUS U.S. corporate media filth that have actually taken bribes under the table to LIE to the American People and Obstruct Justice.

We have no more journalists – we have gossip columnists, cover up artists and nitpickers.

We will also bring you in our next briefing the role of KHAZARIAN Jew Howard Kurtz of CNN and the Washington Post, and Morton Kondracke of FOX News in the leaks against Caroline Kennedy and actual blackmailing and bribing of New York Governor David Paterson.

Reference: Kondracke was recruited by CIA asset and his 'handler' Don Rose to become a journalist at the Chicago Sun Times in 1967.

Kondracke's role, of course, was to defend the TREASONOUS Warren Commission Report concerning the easily dis-proven theory that a lone gunman assassinated President John F. Kennedy.

Kondracke, who masquerades as a liberal on FOX News, was also a vicious opponent of then Vice President, now duly elected year 2000 President Albert Gore Jr. during the year 2000 presidential election cycle.

Howard Kurtz of the Washington Post and CNN, participated with former Independent Counsel, now indicted Kenneth Starr, in orchestrating bogus leaks in an attempt to dirty up then Vice President Albert Gore Jr. during the year 2000 presidential cycle.

Again, scumbags like Howie Kurtz and Morton Kondracke need to be taken to Guantanamo Bay before it is closed and duct taped and handcuffed and then administered justice with *due prejudice*.

In conclusion, we again want to focus on the KHAZARIAN Jew-Israeli Mossad dominated TREASONOUS American media filth that have enabled this crime spree and allowed the U.S. Treasury to be looted and ransacked and their anti-Catholic psyop against Caroline Kennedy has now crossed over the line.

In the famous words of Special Counsel for the Army, Joseph N. Welch, from the 1950s Army-McCarthy Hearings:

“Have you no sense of decency sir, at long last?

Have you left no sense of decency?”

and the **LYING, DECEIVING** cover up artists in the
corporate-controlled U.S. media

HIGH Treason TRAITORS Against the American People
Bush-Clinton-CIA Crime Family Syndicate

Once again, we reaffirm that we will not stop until the KHAZARIAN Jew anti-Catholic attacks on Caroline Kennedy are totally avenged (are you listening scumbag James Carville and your slut wife, Mary Matalin) and every last member of the Bush-Clinton Crime Family Syndicate and its TREASONOUS media enablers DECEIVING and LYING to the American People are removed from American soil.

 **Weapons of
Mass Deception**

Whether it be the easy way, or more preferably, the hard way.

25 OR 99 YEARS' JAIL FOR ARRESTED FRBNY OFFICIAL

By Christopher Story

Sunday 25 January 2009 07:00

STUART LEVEY, ASSOCIATE OF PAULSON, IN CHARGE OF THE U.S. TREASURY

The Acting Secretary of the US Treasury, pending confirmation or otherwise by the Senate (scheduled for Monday, 26th January 2009) is Stuart Levey.

Mr Levey, as an ally of the former US Treasury Secretary, Henry M. Paulson, Jr., is continuing the policy of waging economic terrorism against the United States and the world perpetrated by his former boss – a financial criminal operative and economic terrorist who spent his time in office pillaging, diverting, seizing and otherwise exploiting the funds of others, in collaboration with his 'bosses', former President George W. Bush and his father, George H. W. Bush Sr. – the most dangerous, reckless and deeply corrupt operative ever to have haunted the White House, the possible exception being his eldest son.

Clarification: The \$6.2 TRILLION loan made by the Queen of England was actually a loan arranged for the Queen by the Saudi Royal family using Citibank derivatives as the collateral.

It was designed to move forward the implementation of the Wanta-Reagan-Mitterrand Protocols and actually approved by former pResident George W. Bushfraud.

It was the Bush-Cheney Administration and U.S. Treasury Secretary Henry Paulson that delayed and block the implementation of the Protocols and suddenly called on the loan made to the Queen and when payment was not forthcoming actually took the Queen of England's gold from a vault headquartered at the Federal Reserve Bank of New York.

The Queen later visited the United States demanding her gold be returned, to which Vice pResident Dick Cheney told her to basically enjoy her free meal and to hit the road.

Cheney continued to verbally abuse the Queen telling her that we were not a British colony and that she could not give orders on American soil.

We live free or die as we continue to identify the enemies of the American Republic and the 2nd American Revolution in the 21st Century and eradicate them.

Overlord at Yorktown remains relentless and victorious.

Lafayette remains at Brandywine and Albert Gore Jr. remains the DULY ELECTED REAL year 2000 President of the United States.
