**Wanta Know What is Really Going On?****You MUST know!**

Do you 'Wanta' know; maybe you do and maybe you don't. In Georgia, bankruptcies are number 1 in the nation, thanks to new bankruptcy laws. Could that be an accident? So many property owners cannot understand the overt theft of their family, rights, and homes, yet the problem **WILL** affect **EVERY** American and the culprits are in plain view. The powers that be created a "cold war," which was really a 'red hot' free for all to distribute debt internationally and subversively. As in all moneyed schemes, the piper has to ultimately be paid; meet **Leo Wanta**, an appointed trustor of **TRILLIONS OF DOLLARS** by **President Ronald Reagan**, intended to be distributed to America? Despite Wanta's diplomatic 'privilege', he was ultimately extradited from Switzerland supposedly for a debt relating to Wisconsin back taxes in an abrupt and suspicious fashion. (Can't imagine the use of government to deny lawful behavior by Americans...familiar tactic, isn't it?) And so begins the coming to pass of the **REAL STORY!**

**Henry Paulson**, the former chairman and chief executive of investment banking powerhouse Goldman Sachs (a 9/11 benefactor) and Bush appointee to the Treasury Department upon appointment, stated the American debt was "manageable," during his confirmation. Don't forget, BOTH Democrats and Republicans easily confirmed Paulson. However the International Court of Justice did not view his refusal to address ever escalating debt and fund payment to be an option for **Treasury Secretary Paulson**, upon repeated refusals to address the call for outstanding debt satisfaction.

Specifically, Paulson's repeated refusal to pay the American 4.5 TRILLION debt called by **Leo Wanta** (see connections to Goldman Sachs and Citibank to name a few), were met with no less than a 'do NOT pass GO' in Germany by the **International Court of Justice** during December, while you were distracted by Santa...ho, ho, ho! **Wantas'** efforts were key dating back to the Reagan Administration but the outstanding debt he refused to funnel or launder, had American Officials literally targetting Wanta himself. However despite tax claims and physical sidelining, the requirement to fund debt, was in Germany met by no less than a subpoena issued by the German Government for Paulson himself with another for **Vice President Cheney** forthcoming. For those not familiar with Leo Wanta efforts, look no further than your American Highways, Bridges, or Amtrak to name but a few.

Time again, I have received calls regarding the jaded purchases of American trusts, streets, parks, and buildings being resold, which came as no surprise. The bank consolidations, mergers, acquisitions, and union busting fervor has ALL led to the same property theft; the redistribution of debt and assets internationally by the global elite and the related destruction of the American Dollar. And what was the collateral used for this massive effort, why your property interests, of course! With the courts as the implementors to invoke the bankers agenda, politicians were all to ready to cash in on the backs of constituents.

But will anything change in this country? And will it happen quickly enough to avoid total economic destruction? Check prices in the housing market, (see GA's ranking as number 1 in bankruptcies). Most people have no clue about the **private corporation** printing fiat currency, the **Federal Reserve** or the CIA control of federal as well as local governments. While the effort by **Regan/Clinton/Bush** to float debt and create a 1 world government, using American Assets against Americans continues to escalate with an occasional **Abramoff, Enron, or Saddam sacrifice**, to detract from the real play, where will this corruption and deception leave the American Economy?

And with the latest economic revelation **UNREPORTED** by **MAJOR MEDIA**, will anything change? Without

payment, the British Euro will be the currency to have or will even the Brits agree to it, while the American Dollar will be worth no more than Confederate Notes! Does that explain why a British plane flew Paulson out of Germany following his assurances that the debt would be funded? Paulson's late arrival to the Ford tribute was NOT unnoticed. But more importantly is the ever increasing shift in international monetary markets. In addition to UAE Members swift move away from the US Dollar, more voices are starting to recognize the willful destruction of safe food supplies, clean water, and available resources. Maybe the reliance upon emergency funds subverted by executive order controlled by the Treasury Secretary and Fed Reserve Head, which reveal a fixed market, will obtain the proper scrutiny required for economic survival.

But when our President moves his property interests to **Paraguay**, what assurance do Americans have of their future or rights? Maybe now you better understand the CAI agenda, the CIA/FBI Merger, and the current government complicity (all 3 branches), which have been literally obliterating property interests in this country. It's time to wake up and demand justice! Otherwise 1929 was just a warm up, prelude, or intro. Welcome to the "Land of Opportunity," being subverted to the detriment of Americans!

4. The ultimate result...the Euro just passed the dollar, and our currency will not be worth the paper,

The money came from a number of CIA Ops and orchestrated efforts, which include the plummeting of the ruble. This effort was begun NOT during the Nixon era, but instead Reagan. Wanta was appointed trustee by Reagan. Unfortunately, however the efforts instigated were subverted by 2 other interests, on (allegedly) both sides of the aisle. The resultant action, was to negate Wanta's standing, which was attempted via incarceration and tax actions.

Funny thing, never were any taxes paid on the massive amounts, despite the requirement imposed upon Americans, while involved banks, the Federal Reserve, and several Executive members of government, became heavy benefactors of the effort, UNTIL the issue of NON PERFORMANCE was raised against the American Government.

The ultimate result...the Euro just passed the dollar, and our currency will not be worth the paper, the Federal Reserve (a private company) has been printing on! God be with the American people, who have been truly defrauded!

Jonathan, I appreciate your understanding of the significance American debt plays in the life of EVERY citizen. Without that understanding, one cannot fathom the operation of our courts, or the resultant property theft Americans are continuously suffering from.

Thank you so much for your assistance in furthering and safeguarding the 'truth' mainstream media refuses to print. I truly appreciate your care, concern, and consideration.

2. Can someone clarify where all this WANTA money came from please.

Can someone clarify where all this WANTA money came from please. I know Pres Nixon has been mentioned but where did he get the money from?

Is it Tax money, is it monies from defunct organizations or what? Lets faceit Nixon didnt exactly have a reputation of honesty.

Mr. Story: The Department of Corrections carries out the will of sentencing courts for criminal cases, not civil cases. As a result, the Department of Corrections' jurisdiction over Mr. Wanta's case is limited to the judgment of conviction for Dane County criminal case 1992CF000683.

The facts as presented in my e-mail to you dated Nov. 10, 2006, remain the same. The criminal case for which we had specific and limited jurisdiction included a restitution order that was fulfilled prior to Mr. Wanta's discharge from the Department's supervision.

This week, we "re-confirmed" payment of the checks by our agency to the Department of Revenue and the Wisconsin Public Defender's Office in the amount of \$24,900.91 and \$4,167.64, respectively, in accordance with the restitution order on file for Dane County criminal case 1992CF000683.

The Department of Corrections has no legal jurisdiction over any civil tax matters involving Mr. Wanta that may be outstanding at this time. Again, questions about these matters need to be directed to the Department of Revenue.

Dear Mr Dipko

No, this is quite incorrect. *Following the Hon Judge Michael B Torphy's Restitution Order*, the Wisconsin Department of Revenue has nothing to do with the matter since the Department of Corrections and the probation staff, have had 'ownership' of the case, as you know very well. Therefore, I am entirely within my rights to ask your Department to intervene with Mr Roger Ervin, and I request that you speak immediately with Mr Frank to that effect. You have stated in writing to me that your Department sent the check for \$24,900.91 on 4th August 2005, and it is up to your Department to procure confirmation from the Department of Revenue that they duly received the payment and banked the check. In any case, this matter has escalated now and you will have received a detailed email from me to Meredith Helgerson, spokesperson for the WI Department of Revenue, which has been copied to appropriate parties. You are passing the buck: your Department accepted the funds and your Department is accordingly responsible for the correct and appropriate disposition of them. Furthermore as you will doubtless have learned from our website [www.worldreports.org/Home](http://www.worldreports.org/Home) <<http://www.worldreports.org/Home>> Page/Archive: report dated 20th March 2007, I personally provided the funds from private resources with which Attorney Steven Goodwin paid your Department: I therefore have an interest in this matter, and so far as I am concerned, my funds, loaned to the Ambassador, appear on the face of it to have been stolen or misappropriated. Please, therefore, procure that Mr Frank addresses this issue as a matter of extreme urgency immediately with Mr Ervin, as I can assure you that this affair may cause immense damage to all concerned in the very near future since this scandal cannot and will not be allowed to continue. You were very helpful with your email to me dated 10th November 2006: please be of further assistance now and grasp the severity of this matter so that it can be brought to an immediate conclusion. It is obvious that the Department of Corrections is responsible for the disposition of the funds: so it is, I repeat, up to your Department, as the lead Department in the matter, to sort this out without further bureaucratic stonewalling and buck-passing. Thank you for your courtesy to date. Christopher Story FRSA [cstory@worldreports.org](mailto:cstory@worldreports.org)

Mr. Story: Leo Wanta was under Wisconsin Department of Corrections supervision for Dane County criminal case 1992CF000683. A restitution order is on file for this criminal case; it includes \$24,900.91 for the Wisconsin Department of Revenue and \$4,167.64 for the Wisconsin Public Defender's Office. This restitution order is dated 6-3-1996 and is a public record available at the Dane County Clerk of Courts office.

Our records indicate that Mr. Wanta made the \$30,626.97 payment that you referenced. The Department of Corrections collected the money from Mr. Wanta and then dispersed two separate checks dated Aug. 4, 2005 totaling \$29,068.55: one in the amount of \$24,900.91 payable to the Wisconsin Department of Revenue, and the other in the amount of \$4,167.64 payable to the Wisconsin Public Defender's Office. The remaining \$1,558.42 accounts for fees and surcharges that had been assessed to Mr. Wanta. Mr. Wanta discharged from Department of Corrections supervision on Nov. 14, 2005.

I would refer you to the Dane County Clerk of Courts, the Wisconsin Department of Revenue or the Wisconsin Public Defender's Office for any additional inquiries.

Sincerely,

**Subject:** Record of Telephone Conversations 20 April 2007 with Meredith Helgerson: with added detail FYI: RE AMBASSADOR LEO WANTA  
**Date:** Tue, 24 Apr 2007 00:17:18 +0100

Dear Ms Helgerson

**Re: Ambassador Leo Emil Wanta and the behaviour of the Wisconsin Department of Revenue generally notwithstanding Judge Michael B. Torphy's Restitution Order and Absolute Discharge from Restitution effective 14th November 2005: refer to Title 18 USC Section 4: Misprision of Felony in all dimensions of this specific case and generally: Repeated illegal Wisconsin State Civil Tax Assessments for the same amount of \$14,129 (paid under protest THREE TIMES, in May and June 1992 and again on 21 July 2005: now illegally demanded a fourth time) of a non-resident of the State of Wisconsin/USA: see inter alia the 24-page Supplement published with International Currency Review Volume 31, 3/4 (November 2006) and [www.worldreports.org/Home\\_Page/Archive](http://www.worldreports.org/Home_Page/Archive) posting dated March 20th 2007:**

I refer to our telephone conversation today timed at 7.30pm London (UK) time today, and thank you for your courtesy in taking the call and for confirming that **Roger Ervin**, Secretary of the Wisconsin Department of Revenue, will telephone me concerning the matter of your Department's repeated illegal multiple civil tax assessment billings for the same amount of **\$14,129 (+)** and its 17+ years-long harassment of Ambassador Leo Emil Wanta, who has been a lawful resident of Vienna, Austria, since June 1988 and therefore is not and has not been during the tax periods cited in your documentation liable for any Wisconsin State tax at all. (I was directed at 7.23pm London time today to call your number 608-261 2271, by Ms Terry Alexander of the Wisconsin Department of Revenue).

I asked you why your Department has raised the same civil tax assessment against Ambassador Leo Wanta on three separate occasions and has taken and banked the three checks concerning the same amount of \$14,129 (+), of which the front and reverse of each check are held by myself and others, and why your Department has continued to demand, with interest, the same amount a fourth time, notwithstanding specifically that the full amount was paid under protest the third time on behalf of the Ambassador, to the Department of Corrections by Attorney Steven Goodwin on 21st July 2005.

For your further information, by way of reminder, John Dipko, Public Information Director, Wisconsin Department of Corrections, confirmed to me in his email dated 10th November 2006 timed at 16:36 UK time that on 4th August 2005 his Department sent to your Department a check by way of full settlement in the amount of **\$24,900.91** payable to the Wisconsin Department of Revenue, thereby settling in full the third illegally and incorrectly demanded civil tax assessment amount of \$14,129 (plus interest etc) which had already been paid twice under protest as 'nuisance payments' in May and June 1992, as confirmed by the documentation on file and as documented in the transcript of the County Court of The Hon Judge Michael B. Torphy Jr./Dane County, Wisconsin/USA.

As a consequence of the third protest payment, on 21st July 2005, of the same illegally raised civil tax assessment, following the decision in this matter of Judge Michael B. Torphy Jr., **Mr Matthew J. Frank**, Secretary, Wisconsin Department of Corrections, issued a **DISCHARGE** effective 14th November 2005 ordering that **'Leo E. Wanta is discharged ABSOLUTELY'**. Per Judge Michael B. Torphy's Restitution Order all 'obligations' to the State of Wisconsin (albeit charged illegally and apparently corruptly quadruplicated by the Wisconsin Department of Revenue), have been paid in full. The Department of Revenue has nothing to do with this matter, has no right to be involved, and as stated the Ambassador has in any case been discharged from restitution **ABSOLUTELY** since 14th November 2005.

Notwithstanding the above, I gather that the Ambassador should have received a Satisfaction of Judgment

document but that he has not been provided with it, which, given that the Department of Corrections sent your Department \$24,900.91 in full settlement on 4th August 2005, is clearly felonious. This is especially the case, given that Mr Gregg T Frazier, Central Audit Section, Wisconsin Department of Revenue, enclosed with his letter to the Ambassador dated 30th October 2006 demanding a fourth payment of the same civil income tax assessment, an 'amended' printout annotated in handwriting: **'Per Wisconsin Supreme Court Order Dated December 30, 2005'**, an 'order' of which the Ambassador had and has no knowledge, since he, your victim, was not served with any such Wisconsin Supreme Court Order at any time.

This further means, in plain British English, at any rate, that Mr Wanta has no obligations whatsoever to the State of Wisconsin and of course that any Wisconsin State Civil Tax Assessments against Ambassador Leo Emil Wanta, a non-resident of the State of Wisconsin/USA since June 1988, are spurious, illegal and intermeddle with the Hon. Judge Torphy's Restitution Order and subsequent Discharge signed by the Secretary of the Wisconsin Department of Corrections.

We also hold of course copies of (a) the receipt Number 2270992 PP signed by Wisconsin Department of Corrections Agent Michelle Riel referring to Attorney Steven Goodwin's check number 1098 for **\$30,626.97** and confirming that the Department of Corrections duly received his check on 21st July 2005, from which the above payment of **\$24,900.91** to the Wisconsin Department of Revenue was taken; and (b) a WI/DOC computer printout dated 22nd July 2005 signed by Agent Michelle Riel marked **'Paid in full 7/21/05'**, referencing the amount of \$30,626.97, which self-evidently further confirms payment in full to the Department of Corrections, which is the lead Department in this matter given its 'ownership' of Judge Torphy's Restitution Order and the administration thereof throughout.

Although you represent or are the spokeswoman for the Department's Bureau of Communications, you resorted to the statement that you cannot comment on the tax affairs of a (purported) individual taxpayer and you reiterated this statement four of five times, even though I was able to understand you the first time. However the purpose of my enquiry is also to elicit an explanation of your Department's behaviour generally, arising out of this scandal, so that we can be in a position to report on this matter to the international financial community accordingly. The purpose of your office is presumably to communicate, not to block press enquiries, as you have done on this occasion. I pointed out several times that the issue is not just the spurious purported WI State tax affairs of Leo Emil Wanta, but also, as a consequence thereof, the ethical and possibly criminal behaviour of your Department. You then stated that 'I am familiar with your connection with Mr Leo Wanta', and also indicated that you had read or seen our recent website report on this matter, dated 20th March 2007, posted on [www.wildreports.org/home/Archive](http://www.wildreports.org/home/Archive). Later in the conversation you stated that you are not familiar with the detail of the case.

The detail of the case, including the full text of Mr Dipko's email to me dated 10th November 2006, is posted on our website as stated above and was earlier elaborated in the 24-page Supplement published with International Currency Review, Volume 31, Numbers 3 & 4, last November, for the benefit and information of the international and US domestic financial, intelligence and political communities.

I further reminded you that on 3rd November 2005, when I also spoke with you, I spoke to Gregg T. Frazier, Chief, Central Audit Section, concerning these issues, and that in the course of that conversation he indicated to me that **'I will have to look into the matter'**. He made this statement to me twice in the same telephone conversation.

At about 8.40pm UK time today you telephoned me on 1-800 661 4809 and stated that you had contacted the office of the Secretary of the Wisconsin Department of Revenue, Roger Ervin, and that he had instructed you to tell me that (quote) 'he will not make any comment on the Wanta case', thereby of course specifically commenting on the Wanta case and indicating his familiarity with it. In this second conversation I reminded you that you had stated specifically that Mr Ervin WILL call me. You made that statement twice. I therefore asked you why you had said this, and you replied that you had 'checked with the Secretary', which is not consistent with what you stated to me in the first telephone conversation of today's date (see above). I had been led to believe by you that Mr Ervin WILL telephone me about this matter and you have not complied with your earlier statement.

I also reminded you, in our second conversation today, that you had informed Mr Richard N. Goldberger, a journalist in Utah, that the Wanta 'file is closed'. Specifically I have an email confirming this, from Mr Goldberger, dated 20th January 2007 (timed at 13:15 UK time). You responded: 'I apologise'.

When you stonewalled in the second telephone call above, I again pointed out that this matter is broader than the issue of a purported individual taxpayer's spurious tax affairs, as it impinges upon the ethical and possibly criminal behaviour of your Department. The facts are the facts, and they are fully documented, with the necessary copies held in multiple locations. I closed by stating that, given your Department's obvious stonewalling and failure to assist my enquiries, there are many ways to skin a cat, meaning that other avenues, I understand, will therefore be followed in order to bring this matter to the appropriate outcome.

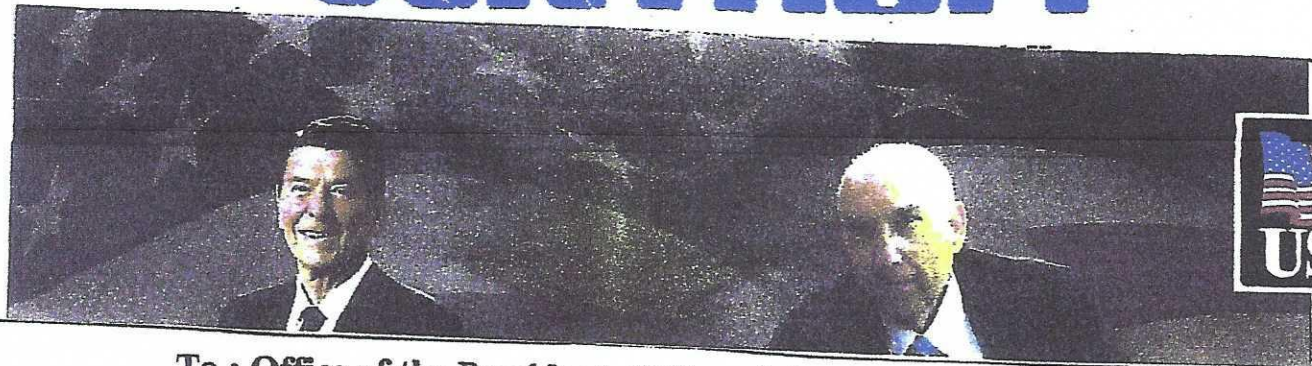

Should you and your colleagues decide, in the light of the above and on further consideration, that it would be helpful for your reiterated and specific undertaking to me that Mr Roger Ervin will telephone me, to be fulfilled, I will of course be very pleased to take his call on 1-800 661 4809.

Yours sincerely, **Christopher Story FRSA**

I refer to our telephone conversation today timed at 7.30pm London (UK) time today, and thank you for your courtesy in taking the call and for confirming that Roger Ervin, Secretary of the Wisconsin Department of Revenue, will telephone me concerning the matter of your Department's repeated illegal multiple civil tax assessment billings for the same amount of \$14,129 (+) and its 17+ years-long harassment of Ambassador Leo Emil Wanta, who has been a lawful resident of Vienna, Austria, since June 1988 and therefore is not and has not been during the tax periods cited in your documentation liable for any Wisconsin State tax at all. (I was directed at 7.23pm London time today to call your number 608-261 2271, by Ms Terry Alexander of the Wisconsin Department of Revenue).

I asked you why your Department has raised the same civil tax assessment against Ambassador Leo Wanta on three separate occasions and has taken and banked the three checks concerning the same amount of \$14,129 (+), of which the front and reverse of each check are held by myself and others, and why your Department has continued to demand, with interest, the same amount a fourth time, notwithstanding specifically that the full amount was paid under protest the third time on behalf of the Ambassador, to the Department of Corrections by Attorney Steven Goodwin on 21st July 2005.

For your further information, by way of reminder, John Dipko, Public Information Director, Wisconsin Department of Corrections, confirmed to me in his email dated 10th November 2006 timed at 16:36 UK time that on 4th August 2005 his Department sent to your Department a check by way of full settlement in the amount of \$24,900.91 payable to the Wisconsin Department of Revenue, thereby settling in full the third illegally and incorrectly demanded civil tax assessment amount of \$14,129 (plus interest etc) which had already been paid twice under protest as 'nuisance payments' in May and June 1992, as confirmed by the documentation on file and as documented in the transcript of the County Court of The Hon Judge Michael B. Torphy Jr./Dane County, Wisconsin/USA.

As a consequence of the third protest payment, on 21st July 2005, of the same illegally raised civil tax assessment, following the decision in this matter of Judge Michael B. Torphy Jr., Mr Matthew J. Frank, Secretary, Wisconsin Department of Corrections, issued a **DISCHARGE** effective 14th November 2005 ordering that **'Leo E. Wanta is discharged ABSOLUTELY'**. Per Judge Michael B. Torphy's Restitution Order all 'obligations' to the State of Wisconsin (albeit charged illegally and apparently corruptly quadruplicated by the Wisconsin Department of Revenue), have been paid in full. The Department of Revenue has nothing to do with

this matter, has no right to be involved, and as stated the Ambassador has in any case been discharged from restitution ABSOLUTELY since 14th November 2005.

Notwithstanding the above, I gather that the Ambassador should have received a Satisfaction of Judgment document but that he has not been provided with it, which, given that the Department of Corrections sent your Department \$24,900.91 in full settlement on 4th August 2005, is clearly felonious. This is especially the case, given that Mr Gregg T Frazier, Central Audit Section, Wisconsin Department of Revenue, enclosed with his letter to the Ambassador dated 30th October 2006 demanding a fourth payment of the same civil income tax assessment, an 'amended' printout annotated in handwriting: **'Per Wisconsin Supreme Court Order Dated December 30, 2005'**, an 'order' of which the Ambassador had and has no knowledge, since he, your victim, was not served with any such Wisconsin Supreme Court Order at any time.

This further means, in plain British English, at any rate, that Mr Wanta has no obligations whatsoever to the State of Wisconsin and of course that any Wisconsin State Civil Tax Assessments against Ambassador Leo Emil Wanta, a non-resident of the State of Wisconsin/USA since June 1988, are spurious, illegal and intermeddle with the Hon. Judge Torphy's Restitution Order and subsequent Discharge signed by the Secretary of the Wisconsin Department of Corrections.

We also hold of course copies of (a) the receipt Number 2270992 PP signed by Wisconsin Department of Corrections Agent Michelle Riel referring to Attorney Steven Goodwin's check number 1098 for **\$30,626.97** and confirming that the Department of Corrections duly received his check on 21st July 2005, from which the above payment of **\$24,900.91** to the Wisconsin Department of Revenue was taken; and (b) a WI/DOC computer printout dated 22nd July 2005 signed by Agent Michelle Riel marked **'Paid in full 7/21/05'**, referencing the amount of \$30,626.97, which self-evidently further confirms payment in full to the Department of Corrections, which is the lead Department in this matter given its 'ownership' of Judge Torphy's Restitution Order and the administration thereof throughout.

Although you represent or are the spokeswoman for the Department's Bureau of Communications, you resorted to the statement that you cannot comment on the tax affairs of a (purported) individual taxpayer and you reiterated this statement four of five times, even though I was able to understand you the first time. However the purpose of my enquiry is also to elicit an explanation of your Department's behaviour generally, arising out of this scandal, so that we can be in a position to report on this matter to the international financial community accordingly. The purpose of your office is presumably to communicate, not to block press enquiries, as you have done on this occasion. I pointed out several times that the issue is not just the spurious purported WI State tax affairs of Leo Emil Wanta, but also, as a consequence thereof, the ethical and possibly criminal behaviour of your Department. You then stated that 'I am familiar with your connection with Mr Leo Wanta', and also indicated that you had read or seen our recent website report on this matter, dated 20th March 2007, posted on [www.worldreport.org/HomePage/Archive](http://www.worldreport.org/HomePage/Archive). Later in the conversation you stated that you are not familiar with the detail of the case.

The detail of the case, including the full text of Mr Dipko's email to me dated 10th November 2006, is posted on our website as stated above and was earlier elaborated in the 24-page Supplement published with International Currency Review, Volume 31, Numbers 3 & 4, last November, for the benefit and information of the international and US domestic financial, intelligence and political communities.

I further reminded you that on 3rd November 2005, when I also spoke with you, I spoke to Gregg T. Frazier, Chief, Central Audit Section, concerning these issues, and that in the course of that conversation he indicated to me that **'I will have to look into the matter'**. He made this statement to me twice in the same telephone conversation.

At about 8.40pm UK time today you telephoned me on 1-800 661 4809 and stated that you had contacted the office of the Secretary of the Wisconsin Department of Revenue, Roger Ervin, and that he had instructed you to tell me that (quote) 'he will not make any comment on the Wanta case', thereby of course specifically commenting on the Wanta case and indicating his familiarity with it. In this second conversation I reminded you that you had stated specifically that Mr Irvine WILL call me. You made that statement twice. I therefore asked you why you had said this, and you replied that you had 'checked with the Secretary', which is not consistent with what you stated to me in the first telephone conversation of today's date (see above). I had been led to believe by you that Mr Irvine WILL telephone me about this matter and you have not complied with your earlier statement.

I also reminded you, in our second conversation today, that you had informed Mr Richard N. Goldberger, a journalist in Utah, that the Wanta 'file is closed'. Specifically I have an email confirming this, from Mr Goldberger, dated 20th January 2007 (timed at 13:15 UK time). You responded: 'I apologise'.

When you stonewalled in the second telephone call above, I again pointed out that this matter is broader than the issue of a purported individual taxpayer's spurious tax affairs, as it impinges upon the ethical and possibly criminal behaviour of your Department. The facts are the facts, and they are fully documented, with the necessary copies held in multiple locations. I closed by stating that, given your Department's obvious stonewalling and failure to assist my enquiries, there are many ways to skin a cat, meaning that other avenues, I understand, will therefore be followed in order to bring this matter to the appropriate outcome.

Should you and your colleagues decide, in the light of the above and on further consideration, that it would be helpful for your reiterated and specific undertaking to me that Mr Roger Ervin will telephone me, to be fulfilled, I will of course be very pleased to take his call on 1-800 661 4809.

Dear Mr Dipko

No, this is quite incorrect. *Following the Hon Judge Michael B Torphy's Restitution Order*, the Wisconsin Department of Revenue has nothing to do with the matter since the Department of Corrections and the probation staff, have had 'ownership' of the case, as you know very well. Therefore, I am entirely within my rights to ask your Department to intervene with Mr Roger Ervin, and I request that you speak immediately with Mr Frank to that effect. You have stated in writing to me that your Department sent the check for \$24,900.91 on 4th August 2005, and it is up to your Department to procure confirmation from the Department of Revenue that they duly received the payment and banked the check. In any case, this matter has escalated now and you will have received a detailed email from me to Meredith Helgerson, spokesperson for the WI Department of Revenue, which has been copied to appropriate parties. You are passing the buck: your Department accepted the funds and your Department is accordingly responsible for the correct and appropriate disposition of them. Furthermore as you will doubtless have learned from our website [www.wisconsin.gov](#) Page/Archive: report dated 20th March 2007, I personally provided the funds from private resources with which Attorney Steven Goodwin paid your Department: I therefore have an interest in this matter, and so far as I am concerned, my funds, loaned to the Ambassador, appear on the face of it to have been stolen or misappropriated. Please, therefore, procure that Mr Frank addresses this issue as a matter of extreme urgency immediately with Mr Ervin, as I can assure you that this affair may cause immense damage to all concerned in the very near future since this scandal cannot and will not be allowed to continue. You were very helpful with your email to me dated 10th November 2006: please be of further assistance now and grasp the severity of this matter so that it can be brought to an immediate conclusion. It is obvious that the Department of Corrections is responsible for the disposition of the funds: so it is, I repeat, up to your Department, as the lead Department in the matter, to sort this out without further bureaucratic stonewalling and buck-passing. Thank you for your courtesy to date.

Mr. Story: I am in receipt of your April 19, 2007 voice mail and I understand you attempted to reach Communications Specialist Alec Loftus. Questions regarding the actions of the Wisconsin Department of Revenue need to be directed to that agency. Thank you.

### PRAYERS TO ST. MICHAEL, ARCHANGEL

#### A Citizen's Prayer to St. Michael

Please protect us, St. Michael the Archangel, against violence, murder, and robbery. In your goodness preserve us today from all the malice of sinful and wicked people. In your sleepless vigilance watch over the safety and welfare of our homes and keep guard over our possessions. Ever hold in your special care, most triumphant St. Michael, the forces of public order against the crimes of evil people and defend all honest citizens in time of peril. Amen.

#### A Policeman's Prayer

Victorious St. Michael, you know how evil men are awake and plotting while good men sleep. Even so was faithless Judas awake and betraying our Lord while the Apostles slumbered in the Garden at Gethsemane.

Help me, powerful Archangel of God, to be always alert at my post, ever ready to do my duty, and to apprehend criminals without fear or favor. Be near me and my fellow police in times of peril and emergency, please. Defend us by your power when we are in danger. Be sure to shield us from all temptation and any occasion of sin. Help us

## LOVE

My dear friends,  
we must love each other.  
Love comes from God,  
and when we love each other,  
it shows that we have  
been given new life.  
We are now God's children,  
and we know him.

God is love,  
and anyone who  
doesn't love others  
has never known him.  
God showed his love for us  
when he sent his only Son  
into the world  
to give us life.

Real love is not  
our love for God,  
but his love for us.  
God sent his Son  
to be the sacrifice  
by which our sins  
are forgiven.

## ST MICHAEL, ARCHANGEL

### St. Michael's Mission

A long tradition identifies St. Michael, the Archangel, as the leader who remained faithful to God, and cast Lucifer into Hell at God's command. His powerful aid has always been invoked by the Church in time of emergency.

The Popes have constantly called on St. Michael as the special protector of the Church whenever great evils threatened God's people. For this reason, St. Michael is especially honored at Rome, on Monte Gargano, near Foggia, in Italy, and in France on Mont-Saint-Michel in Normandy.

In times of unusual danger, when the malice of the devil seems triumphant, St. Michael will come to our aid.

### St. Michael Today

With street crime so prevalent in our cities, with robberies and violence multiplying, St. Michael is venerated as special guardian of persons against bombings, muggings, rapes, and assault. The great archangel defends us against the wickedness of sneak thieves, murderers, and fiends who roam like devils incarnate through our neighborhoods.

### St. Michael, Patron of Policemen

As a special patron of the police, and all who must guard the public's safety, St. Michael is invoked to strengthen the forces of public order. He remains on watch with the police against the many sins and deceits of men who despise God's law no less than the ordinances of men.

### St. Michael, Archangel

V. Lord, you have given your angels charge of us,

R. To keep us in all our ways.

St. Michael, Archangel, defend us in battle and protect us against the wickedness and snares of the devil.

May God rebuke Satan, we humbly pray, and by God's power may you, prince of the heavenly host, cast him into Hell with all the evil spirits who wander through the world for the ruin of souls. Amen.
