TREASONOUS CO-CONSPIRATORS

Dysfunctional U.S. Secretary of State Hillary Rodenhurst Clinton, White House Chief of Staff Rahm Emanuel (AP), CIA Director Leon Panetta

UNITED STATES of America - It can now be reported that the noted Wanta-Reagan-Mitterrand Protocols continue to be blocked by the Bush-Clinton Crime Family Syndicate aka daddy Bush (George Herbert Walker Bush), dysfunctional U.S. Secretary of State Hillary Rodenhurst Clinton, White House Chief of Staff Rahm Emanuel and U.S. CIA Director Leon Panetta.

This latest obstruction of justice is occurring while, as of February 5, 2010, the Protocol Funds were sitting in the U.S. Treasury ready for dispersal.

The Bushes and Clintons, along with their two major enablers Rahm Emanuel and Leon Panetta, continue to invoke the UN-Constitutional U.S. Patriot Act as the predicate for blocking the disbursement of the Protocol funds, which would return \$6.2 TRILLION back to the U.S. Treasury.

Note: President Obama signed an Executive Order authorizing disbursement of the Protocols funds on one hand, but is powerless or is not interested in challenging his own subordinates, who are effectively blocking his own Presidential Executive Order.

Once again, folks, we ask the question: Who is in charge of the United States of America at this time?

This latest confusion spreading through the U.S. Government dovetails directly to the recent meltdown and collapse in U.S. equity, financial foreign currency and precious metal markets across the world.

Financial TERRORIST George Soros

We can now divulge that what we are seeing, once again, is a financial 'BLACK OP' aka a financial attack, once again being orchestrated by known world foreign currency trader aka financial terrorist George Soros.

Soros is orchestrating these attacks with the assistance of the U.S. NSA (National Security Agency) through various hidden sub-trust accounts located at banking institutions in the nation of Brazil.

The middle man for this activity aka the clearing house is the known U.S. financial brokerage house and bank, the monolith Goldman Sachs.

These sub-trust accounts, which have been headquartered across South America and Asia, have been used for years by the Bush-Clinton Crime Family Syndicate to launder STOLEN U.S. Treasury funds and hide the STOLEN Wanta-Reagan-Mitterrand Protocol funds.

This latest financial 'BLACK OP' is designed by the New World Order gang to effectively bankrupt the European Union, destroy once and for all all regional and local U.S. banking institutions, take delivery of all U.S. dollar denominated assets at a penny on the dollar utilizing bogus credit default swaps that are dollar denominated.

Reference: Some of the sub-trust accounts located in Brazilian banks also have ties to the Bank of England and sub-trust accounts tied to the British Monarchy as well as British Intelligence.

Soros has been in charge of trading programs tied to the British Monarchy so one must assume that her Majesty, the Queen, does not mind wrecking the European Union and countries like Italy, Spain, Luxembourg and Ireland, since in her own delusional mind, wrecking these nations may some how revive the British nation.

Yes, this has become a zero-sum game, which can be accurately stated as a Financial World War III.

What will follow next, folks, is a banking emergency within 30 days and the issuing of at least three (3) new New World Order type currencies that will not be issued in paper denomination but will be in the form of electronic ATM cards.

I know this sounds bizarre, folks, but believe me, there now is no paper currency in the world that is worth anything at all.

FBI Division 5 asset Tim White (L) FBI Division 5 asset Jeffrey (Jeff) Fisher

P.S. Stay tuned for future intelligence briefings in which we will have more details concerning FBI Division 5's attack against the American People, including the use of mercenary Blackwater/Xe helicopters, the use of cell phones as weapons aka the use of laser technology directed at its targets from U.S. satellites, which is part of an overall psychological warfare program to create bipolar symptoms, schizophrenia and overall mental illness.

This is part of an overall Nazi style program aka mind control. Directing this program is a known FBI Division 5 Nazi stooge named Mark Holtslaw headquartered in none other than Denver, Colorado.

Folks, guess who Holtslaw's two major assets have been for over five (5) years. None other than sociopath, alleged born-again Christian Timothy Patrick White aka [Tim White, Concerned Citizen, Researcher] and the well known sociopath Jeff Fisher aka Jeffrey Fisher.

Both White and Fisher specialize in making harassing phone calls directed against American Patriots aka known whistleblowers.

P.P.S. Isn't it interesting that the corporate-controlled, fascist, extortion friendly U.S. media played up both Sarah Palin and U.S. Secretary of State, dysfunctional Hillary Rodenhurst Clinton, on their talk shows this weekend.

[Sarah Parlin \(L\) and Hillary Clinton](#)

Both Palin and Hillary spent most of their time promoting the alleged 'war on terror'.

Now, if you have followed these intelligence briefings for some time, folks, you will know that there is NO war on terror, there NEVER was a war on terror and the whole 9/11 'BLACK OP' attacks were an inside job orchestrated by criminal elements tied to rogue U.S. and foreign intelligence agencies whose design was to DESTROY the U.S. Constitution, control and then LOOT the U.S. Treasury and eventually take the United States to MARTIAL LAW conditions.

Hillary, whose CIA nickname is "Queen Melusina", voted for the illegal war in Iraq and the UN-Constitutional Patriot Act and spent eight (8) years as First Lady under her husband, Bill Clinton, doing everything she could, with the help of her media stooges, to undermine then Vice President, now year 2000 duly elected President Albert Gore Jr. as to pave the way for her business partner-in-crime, George W. BushFRAUD, to STEAL the year 2000 presidential election.

When it comes to Ms. Palin we have a new nickname for her. She can now be called the "mass media Gestapo barbie doll".

Palin, whose old Biblical nickname is "Aunt Esther", has been quoted as saying *...God sent us to Iraq...*

Palin, who recently spoke at a Tea Party convention, which allegedly advocates a return to the Constitution of the United States, is like Hillary, a direct enemy of the Constitution of the United States.

Sarah Palin, who is still advocating pursuing the (phony) war on terror and a foreign policy based on the biblical Old Testament, still believes in *illegal* spying against the American People, allowing FBI Division 5 to plot 'FALSE FLAG' terrorist attacks, which now, according to the Washington Post, has led to the infringement of the American People's basic right to privacy.

Folks, this Tea Party convention, which says they believe in the Constitution of the United States of America, is nothing but a farce when they allow "Aunt Esther" aka Sarah Palin to stand before this convention and promote the policies of none other than nation wrecking, Constitution shredding, U.S. Treasury embezzling, election stealing, homosexual *in-the-closet*, cocaine snorting, AWOL war criminal George W. BushFRAUD.

If you want your Constitution back, folks, you had better go to a Tea Party convention run by Ron Paul supporters and *not* the Palin-Bush gang.

Reference: It should come as no surprise that the corporate-controlled, fascist, extortion-friendly U.S. mass media is once again promoting terrorist attacks soon to come.

It is interesting that CIA Director Leon Panetta believes the major terrorist threat is now from "lone wolves" aka DHS defined "domestic U.S. terrorists".

Question: Could it be that these 'domestic terrorists' are not a threat to the American People but a threat to the criminal occupation government that is currently terrorizing the citizens of the United States.

DHS defines a domestic terrorist as such:

- 1. An individual who does not believe in the U.S. media version of 9/11**
- 2. An individual who believes that Osama bin Laden has been dead for eight (8) years**
- 3. An individual who does not believe in domestic spying directed against the American People**
- 4. An individual who believes that Albert Gore Jr. was the year 2000 duly elected President**
- 5. An individual that does not believe in the Federal Reserve System**
- 6. An individual with a Ron Paul bumper sticker**

Question: If 60% of the American People no longer believe in the Government's cover up story of 9/11, I guess that makes 60% of the American People domestic terrorists.

John 8:12-14 So again Jesus spoke to them saying, "I am the light of the world; whoever follows me will not walk in darkness, but one will have the light of life."

So the Pharisees said to him, "You testify about yourself; your testimony is not true."

Jesus answered and said to them, "Even if I testify about myself, my testimony is true, because I know where I came from and where I go; but you do not know where I come from or where I go."
