Bushfraud Declares National Emergency as Anthrax 9/11 Gate Escalates

by Tom Heneghan

It can now be reported that White House occupypunk George W. Bushfraud has invoked the Patriot Act and signed an Executive Order to declare a "financial emergency" as a prelude to Martial Law in the United States.

<http://www.globalaware.org/Images/GER011sm.jpg>

Events worldwide and in the United States are now spinning out of control on various fronts.

White House occuppunk Bushfraud, along with his partner-in-crime Bill Clinton, i.e. daddy Bush's little bitch, and current British Prime Minister Gordon Brown recently met SECRETLY in Northern Ireland during which time the three criminal co-conspirators discussed plans to block the implementation of the final payments to be made, reference the Wanta-Reagan-Mitterrand Protocols, ordered by the G-7 and the European Union.

<http://cache.daylife.com/imageserve/0d7WfUJZ5hA7KM/610x.jpg>

Reference: Up to \$7.8 TRILLION of oil and gold derivatives tied to private 1241 offshore hedge funds have looted the U.S. Treasury and plundered what remains of the Wanta-Reagan-Mitterrand Protocols, which have been ILLEGALLY parked in SECRET offshore custodial accounts controlled by Bush-Clinton Crime Family Syndicate interests with a direct tie-in to a signatory on the accounts, who is none other than the deceased CIA operative and 9/11 patsy Tim Osman, i.e. Osama bin Laden.

Item: The Bush-Clinton Crime Family refuses to admit bin Laden's death, which took place in December of 2001, since this would cause the custodial accounts to be taxed by the Internal Revenue Service with the remainder of the funds going back to the U.S. Treasury.

Reference: Some of the Protocol funds are currently sitting at the main branch of the Bank of America in San Francisco, California.

They are being watched over by none other than California Democratic Senator Diane Feinstein who is currently, as we speak, trying to put together a deal, which would put unelectable LOSER Hillary Rodenhurst Clinton on the Democratic ticket with presumptive Democratic nominee Barack Obama.

Word has it that Feinstein is actually bribing Obama on behalf of UNELECTABLE LOSER Hillary using funds from the Wanta-Reagan-Mitterrand Protocols at the Bank of America in San Francisco.

Item: Sources close to the U.S. Federal Reserve have told us this weekend that moving all of the funds out of the Bank of America in San Francisco could cause collapse of the entire U.S. banking system within hours.

Accordingly we now see why White House occupunk Bushfraud has invoked the Patriot Act to declare a financial emergency.

AND, OF COURSE, IT GETS WORSE!

According to Newsweek's magazine Michael Isikoff, **White House squatter Bushfraud intends to actually expand his ILLEGAL espionage against the American People by ILLEGALLY using U.S. Military satellites to track and spy on innocent American citizens in violation of the Posse Comitatus Act.**

<http://judicial-inc.biz/kautri12.jpg>
http://unitedcats.files.wordpress.com/2007/07/blackwater_mercenaries.jpg

This dovetails to leaks out of the TREASONOUS Department of Homeland Security that the Bushfraud Administration is expanding on their MARTIAL LAW plan to include an *alleged* national disaster.

Sources close to a friendly foreign intelligence agency have told this reporter that the alleged national disaster is actually a scripted Bush-Clinton-rogue MOSSAD-Gary Best Inc. plot to poison the U.S. food supply and blame it on Iranian terrorists, reference the problem with tomatoes.

This, of course, would give White House squatter Bushfraud emergency control of all National Guard units, the U.S. Federal Reserve and simultaneously circumvent U.S. Court proceedings, which are about to corner the Bush-Clinton Crime Family Syndicate on at least two fronts.

Reference: Sources close to U.S. Supreme Court Justice John Paul Stevens and the National Security Court in McLean, Virginia tell us that *smoking gun evidence* now exists that Chief Justice Antonin Scalia coordinated blackmail and bribery reference the year 2000 Supreme Court decision that appointed George W. Bushfraud as White House occupunk.

Note: The evidence was recently delivered to non-inaugurated, duly elected President Albert Gore Jr.

Supreme Court Justice John Paul Stevens, who originally had letters addressed to him containing direct evidence of the year 2000 coup d'état, had the letters ILLEGALLY seized by then Israeli dual citizen and MOSSAD agent, U.S. Deputy Attorney General Michael Chertoff, in the period of the fall of 2001.

Chertoff, along with then U.S. Attorney General John Ashcroft, invoked the Patriot Act against the evidence sent to Justice Stevens using the post 9/11 anthrax attack as the justification.

HIGH TREASON TRAITOR
U.S. Supreme Court Justice Antonin Scalia
<http://newsbusters.org/static/2008/02/2008-02-12ScaliaNazi.jpg>

Item: TRAITOR Scalia, a neofascist Mussolini Judge, engineered BRIBES to U.S. Supreme Court Justice Anthony Kennedy with the help of known Bush-Clinton Crime Family Syndicate stooge Ted Olson.

http://www.luisprada.com/Protected/IMAGES/bush-supreme_court.jpg

The BRIBES centered around the Coca-Cola copyright case, which dealt with BILLIONS OF DOLLARS tied to Coca-Cola being totally dependent on a Bushfraud presidency.

Reference: The evidence of the BRIBES, which were originally examined by an Illinois Grand Jury impaneled by Special Counsel Patrick Fitzgerald, had a direct financial connection to the funding of the Bush-Clinton-Gary Best-Scooter Libby-Valerie Plame-rogue MOSSAD assassination teams.

The financial dots were connected between the Supreme Court BRIBES and the Valerie Plame-Scooter Libby assassination teams, i.e. the records gathered by Fitzgerald of the offshore Bear Stearns Hedge Funds trading accounts administered by none other than Bush-Clinton Crime Family fixer Marc Rich.

Rich was ILLEGALLY pardoned by Clinton and Libby had his sentence ILLEGALLY commuted by Bush. Libby is the attorney for Marc Rich.

This evidence was sent to the McLean, Virginia National Security Court by Special Counsel Fitzgerald.

Mussolini neofascist Judge Scalia was recently quoted as blaming Al Gore for the election fiasco in the year 2000, saying that Al Gore should have stayed out of court and let Bush steal the election.

Scalia compared the year 2000 election fiasco to the 1960 presidential election in which Scalia claims Kennedy stole the election from Nixon, and for the good of the country Nixon let Kennedy do it.

Folks, there is a big difference between 1960 and the 2000 presidential election. First, John F. Kennedy had over 300 electoral college votes and Nixon would have had to flip two states, i.e. Texas and Illinois, to become president.

Commander 'N Thief

The people who cast the votes decide nothing. The people who count the votes decide everything. --Joseph Stalin

<http://www.electiondefensealliance.org/images/Commander.jpg>

In the year 2000, Florida was the center of attention with Bushfraud's brother and then Florida Governor Jeb Bush orchestrating a Choicepoint software coup, which kept over 30,000 African-Americans from voting on election day.

Note: The African-American voters were falsely classified as convicted felons, i.e. the exception list.

Even the Bush-controlled Supreme Court admitted that this exception list was a violation of the equal protection clause to the Constitution of the United States, but there was not enough time for a remedy.

Of course this is all baloney. This matter should have gone to the House of Representatives where the Constitution would have required the members to decide which electoral slate from the state of Florida would be certified.

A House of Representatives session would have brought forth the evidence of voter registration fraud, denial of voter rights and Jim Crow-type tactics to keep African-Americans from voting in Florida in the year 2000.

This is why Mussolini Judge Antonin Scalia and homosexual *in-the-closet* Bushfraud needed the Supreme Court of the United States to end run our Constitution and prevent our duly elected President Albert Gore from taking office.

Seven years later duly elected President Albert Gore Jr remains 500,000 popular votes ahead of Bushfraud, at least 70,000 ahead of him in the state of Florida, this all despite 65,000 Gore votes that were ILLEGALLY removed from the state of Tennessee using a cell phone trick and CNN network in Atlanta; two years later 35,000 votes for Gore were found in a Chattanooga, Tennessee garbage disposal.

Note: This all occurred as CNN's Robert Novak reported that the Associated Press was about to call Tennessee for Gore and then suddenly CNN called it for Bush.

Now on to AnthraxGate.

In today's LA Times, page 1, reporter David Willman finally brings forth some truth about the flawed FBI investigation of the post 9/11 anthrax case.

So congratulations to reporter Willman for giving us some real news to read other than pregnant soldiers or Hillary Clinton's latest Botox.

Let's fill in the blanks on what Willman did not report.

Background: It was Democratic Senators Patrick Leahy and Tom Daschle, along with CBS news anchor Dan Rather and NBC's Tom Brokaw, i.e. Bush-Clinton FBI Division 5 William Morris Agency stooge, that originally received the anthrax letters.

This is when the FBI launched their investigation.

Today's LA Times' David Willman reports that the FBI agents in charge were prevented from interviewing real suspects, i.e. the *REAL* suspect and were almost forced to make Dr. Steven Hatfield the patsy.

Here folks is what Willman did not report.

**USAMRIID in Ft. Detrick, Maryland is a major
US biodefense research facility**

<http://www.theges.com/images/portfolio/USAMRIID.gif>
<http://www.sunshine-project.org/bwintro/usamriid.jpg>

The *REAL* suspect early on was a member of the FBI Lab named Dr. Philip M. Zackerie, commonly known as Dr. Zack, who had been photographed in the FBI Lab handling the same type of anthrax strain, which eventually showed up in the letters sent to Senators Leahy and Daschle.

FBI agents were blocked from interviewing Dr. Zackerie by then Israeli MOSSAD asset and dual citizen, U.S. Deputy Attorney General Michael Chertoff, who allowed Zackerie, a dual citizen of the U.S. and Israel, to flee the country and fly back to Tel Aviv.

NOW IT GETS REALLY WORSE!

John Ashcroft and Michael Chertoff

http://msnbcmedia4.msn.com/j/msnbc/Components/Photos/050111/050111_chertoff_profile_hmed10a.hmedium.jpg

The Zackerie episode dovetails back to Chertoff and Ashcroft blocking the FBI from interviewing the noted 9/11 Urban Moving Systems New Jersey-based "Dancing Israelis" soon after they were picked up on the day of 9/11 driving a van containing Arab costumes, explosive-type weapons with Bosnian insignia and bomb dogs alert to explosive residue.

http://www.thepeoplesvoice.org/cgi-bin/blogs/media/9-11_israel9111.JPG

Of course, within days after the release of the "Dancing Israelis", who, like Dr. Zackerie, avoided FBI interrogation, it was Chertoff and Ashcroft aka Ashcan, that invoked the Patriot Act to round up thousands of innocent Arabs on American soil and send them to Guantanamo Bay where many of them are still held without trial or charges.

How dare you, you conspiratorial tyrants and kings and notable queens!

Remember folks, it was then U.S. Deputy Attorney General Michael Chertoff that ILLEGALLY leaked court documents that tried to frame Dr. Hatfield for the post 9/11 anthrax.

We now see why the anthrax attack and 9/11 itself suited the year 2000 coup d'état plotters, i.e. the overthrow of Albert Gore Jr.'s election as President, in keeping evidence of the coup d'état from reaching Justice John Paul Stevens.

Yes indeed, 9/11 and the anthrax case that followed had multiple objectives, to:

- Freeze the custodial accounts of 9/11 patsy CIA asset Tim Osman aka Osama bin Laden;**
- Prevent the payouts of the Wanta-Reagan-Mitterrand Protocol, i.e. to give the Bush-Clinton Crime Family Syndicate control of the funds;**
- Cover up the theft of the year 2000 presidential election and legitimize sexual deviate, draft dodger, cocaine snorter Bushfraud as the fraudulent Commander and Chief.**

As a retired Naval officer, why don't you do your duty and call the Military Police and have this misfit fraud arrested.

HIGH TREASON TRAITORS

LOSER Hillary Clinton blackmailing Obama (Reuters)

http://www.daylife.com/photo/05g240ZcPXgnM/hillary_obama

P.S. At this hour Democratic presidential candidate Barack Obama is being blackmailed and threatened by unelectable LOSER lesbian *in-the-closet* Hillary Rodenhurst Clinton.

Hillary, along with her husband, daddy Bush's little bitch Bill Clinton, is demanding the Vice Presidency on the Democratic ticket and basically telling Obama to do as he is told "or else". In the past few days Obama has been acting like Hillary's little pet puppy.

Obama has recently flip-flopped and decided to vote in favor of the TREASONOUS legislation that would give telecoms immunity and allow Bush to continue to ILLEGALLY spy on the American People.

Note: Congratulations to libertarian candidate Bob Barr of Georgia for setting the record straight on the crimes of Bushfraud and the other incompetence of both the Democratic and Republican Parties.

P.P.S. The alleged mainstream media, i.e. the oil-soaked corporate media elite, failed to report the LA Times anthrax case at all today on the Sunday morning talk shows.

That should tell you something folks about the type of free press we have left in the United States. You are reading that free press right now.

It should be noted that the U.S. networks are complicit in the TREASONOUS spying against the American People given the use of their satellites and their 10-second delay they have with the National Security Agency (NSA).

We can now report that FOX News CEO Rupert Murdoch Greenberg is being sued in a U.S. court charging Murdoch and his FOX News network and its affiliate company Dish Network for conspiring with an Israeli telecom Echo Star in electronic espionage directed against cell phone calls inside the United States, including the use of cable television signals.

As we have explained to you, the networks are part of the criminal U.S. government occupation of the United States as the networks lie, spin, distort, deceive and spy on innocent American citizens.

Final note to CNN at (202) 898-7900:

The Clintons are *NOT* a royal family!

They are losers, white trash, backstabbers and TRAITORS.

They are stooges and puppets going back to Iran-Contra for the Bush Crime Family.

At this hour Bill Clinton is a mentally disturbed sociopath as is current White House occupunk George W. Bushfraud.

Bill can't get along with Senator Barack Obama.

Bill can't get along with former President Jimmy Carter.

Bill can't get along with his former running mate, now duly elected President Albert Gore Jr.

Question: Who does Bill get along with other than his mentally ill witch wife.

The answer, of course, is his handler, the father of Bushfraud, George Herbert Walker Bush.

Bill is part of a non-profit foundation with daddy Bush and travels with him frequently and makes joint speeches together.

They run a non-profit foundation together that has laundered money to offshore 1241 corporations in none other than Denmark.

Just say it is “all in the family”, i.e. the Bush-Clinton Crime Family.
